Mr. Jeffrey S. Mabold, President
Sligo Volunteer Fire Department's
Relief Association
Clarion County

We have conducted a compliance audit of the Sligo Volunteer Fire Department's Relief Association (relief association) for the period January 1, 2019, to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

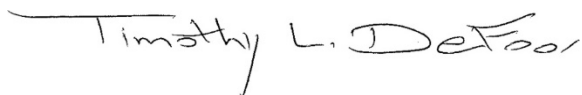

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2019, to December 31, 2021:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

The contents of this report were discussed with the management of the relief association. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>
Monroe Township	Clarion	\$4,807*	\$4,764	\$3,915

* Although Monroe Township prepared and returned a Certification form AG 385 for 2019 by the March 31 annual filing date in accordance with Act 205, the township did not distribute the 2019 state aid to the relief association in a timely manner. The foreign fire insurance tax allocation distributed to the municipal treasurer on September 16, 2019, who forwarded this state aid to the relief association on February 6, 2020, which is not within 60 days of receipt, as required by section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). Because of the previous municipal secretary’s untimely passing, the state aid allocation was sent to the relief association once the vacant position was filled. Upon receipt of the state aid allocation, the relief association deposited the funds, on February 11, 2020, into a relief association account.

Based on the relief association’s records, its total cash and investments as of December 31, 2021, were \$65,952, as illustrated below:
