The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
East Keating Township	Clinton	\$ 257	\$ 257	\$ 312
Grugan Township	Clinton	*	*	\$1,307**
Noyes Township	Clinton	\$ 941	\$ 853	\$1,009
South Renovo Borough	Clinton	\$1,601	\$1,420	\$1,640

* During the current audit period, the relief association did not receive an allocation of state aid from Grugan Township in 2020 and 2021. Municipalities have sole discretion to distribute their annual allocation of state aid received to any relief association providing fire service to the municipality.

** Although Grugan Township prepared and returned a Certification Form AG 385 for 2022 by the March 31 annual filing date in accordance with Act 205, the township did not distribute the 2022 state aid to the relief association in a timely manner. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2022, who forwarded this state aid to the relief association on March 6, 2023, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). Municipal officials indicated that there were turnovers in multiple positions within the township that resulted in the delayed issuance of the foreign fire tax allocation. Once it was determined that the funds needed to be distributed, municipal officials spoke to area fire service organizations to determine which organization would be able to adequately provide fire protection/service. The officials then determined that they would forward the funds to the Fireman’s Relief Association of the South Renovo, Pa. Upon receipt of the state aid allocation funds, the relief association deposited the funds, on March 17, 2023, into a relief association account.

Based on the relief association’s records, its total cash as of December 31, 2022, was \$6,245, as illustrated below:
