COMPLIANCE AUDIT

Springville Volunteer Fire Company Relief Association
Susquehanna County, Pennsylvania
For the Period
January 1, 2019 to December 31, 2021

August 2022
Mr. Ron Howell, President  
Springville Volunteer Fire Company  
Relief Association  
Susquehanna County

We have conducted a compliance audit of the Springville Volunteer Fire Company Relief Association (relief association) for the period January 1, 2019 to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters’ Relief Association Act (“VFRA Act”), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association’s administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.
Based on our audit procedures, we conclude that, for the period January 1, 2019 to December 31, 2021, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding  – Untimely Receipt And Deposits Of State Aid

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters’ Relief Association Act² ("VFRA Act"), the Department of the Auditor General’s duty is to audit the accounts and records of every volunteer firefighters’ relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters’ relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters’ relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters’ relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association’s financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters’ relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters’ relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).
The relief association was allocated state aid from the following municipalities:

* The 2021 state aid allocations received from Auburn Township and Springville Township were not deposited by the relief association until April 4, 2022 and March 17, 2022, respectively, as disclosed in the Finding in this report.

** Although Springville Township prepared and returned a Certification Form AG 385 for 2021 (as noted in the Finding), the township failed to submit a 2021 Receipt And Distribution Of Foreign Fire Insurance Premium Tax Form 706-B to this department as required by the instructions accompanying Form 706-B and the instructions accompanying the 2021 state aid allocation received by the township disclosing this information.

** Springville Township is still required to complete a 2021 Receipt And Distribution Of Foreign Fire Insurance Premium Tax Form 706-B online within the Department of Community & Economic Development’s Municipal Statistics website (MunStats) immediately.

Based on the relief association’s records, its total cash as of December 31, 2021 was $50,047, as illustrated below:

| Cash     | $ 50,047 |
Based on the relief association’s records, its total expenditures for the period January 1, 2019 to December 31, 2021 were $63,741, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.

Finding – Untimely Receipt And Deposits Of State Aid

**Condition:** Although Springville Township prepared and returned a Certification Form AG 385 for 2021 by the March 31 annual filing date in accordance with Act 205, the township did not distribute the 2021 state aid in the amount of $8,792 to the relief association in a timely manner. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2021, who forwarded this state aid to the relief association on March 8, 2022, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). Since there was no documentation indicating that the relief association attempted to retrieve the funds, the relief association was not able to provide evidence that it attempted to receive the funds in a timely manner. Upon receipt of the state aid allocation, the relief association deposited the funds into a relief association account on March 17, 2022.

In addition, the relief association did not deposit the 2021 state aid allocation it received from Auburn Township in the amount of $2,005 until April 4, 2022. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2021, who forwarded this state aid to the relief association on October 21, 2021, which is within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, the state aid allocation was erroneously deposited into the affiliated fire company’s account. Therefore, the relief association did not ensure the funds were received and deposited timely into a relief association account.

**Criteria:** Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

> The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

**Cause:** The relief association officials stated a lack of oversight as the reason for the untimely depositing of the state aid allocations.
Finding – (Continued)

Effect: As a result of the untimely receipt and deposits, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely receipt and deposit of funds increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend that the relief association officials adopt internal control procedures to ensure the timely receipt and deposit of all future income received. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: Compliance will be subject to verification through our next audit.
