Mr. Randy Doherty, President
Taylor Township Volunteer Firefighters'
Relief Association
Lawrence County

We have conducted a compliance audit of the Taylor Township Volunteer Firefighters' Relief Association (relief association) for the period January 1, 2019, to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

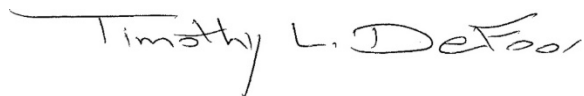

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2019, to December 31, 2021, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Untimely Deposit Of State Aid

Finding No. 2 – Failure To Maintain Minutes Of Meetings

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

TAYLOR TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECCOMENDATIONS

Finding No. 1 – Untimely Deposit Of State Aid

Condition: The relief association did not deposit the 2021 state aid allocation it received from Taylor Township, in the amount of \$4,066, until January 24, 2022. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2021 who forwarded this state aid to the relief association on October 14, 2021 which is within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

Criteria: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

Cause: The relief association stated that they were unaware of the time frame to deposit the check.

Effect: As a result of the untimely deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely deposit of receipts increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend that the relief association officials adopt internal control procedures to ensure the timely deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

TAYLOR TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECCOMENDATIONS

Finding No. 2 – Failure To Maintain Minutes Of Meetings

Condition: The relief association did not maintain minutes of meetings as required by the VFRA Act and the relief association's bylaws. Specifically, the relief association's minutes did not address all financial-related transactions that occurred during the audit period. In addition, meetings were only held in two months during calendar year 2019 and meetings were not held in calendar years 2020, 2021 or in 2022 as of our fieldwork end date.

Criteria: Section 7415(a) of the VFRA Act states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article II, Section 1 states:

Regular meetings shall be held on last Tuesday of each month immediately following the regular meeting of the Taylor Township Fire Department. Four (4) members shall consist of a quorum.

Cause: The relief association stated they did not hold meetings in 2020, 2021 and 2022 due to Covid restrictions but relief officials did not provide a reason for why all financial transactions were not included in the meeting minutes completed for calendar year 2019 or why the required meetings were not held for all but two months in calendar year 2019.

Effect: Without holding the required regular meetings and maintaining detailed minutes of meetings held, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We recommend that the relief association officials hold all required meetings and maintain a permanent record of all relief association meetings as required by the VFRA Act and the relief association's bylaws. The minutes should include an adequate record of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
