AUDITOR GENERAL**

Mr. James A. Reed, President
The East Cameron Township Fireman's
Relief Association
Northumberland County

We have conducted a compliance audit of The East Cameron Township Fireman's Relief Association (relief association) for the period January 1, 2020, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

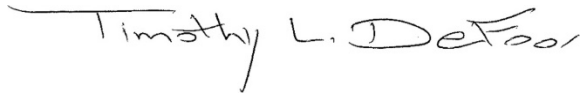

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2020, to December 31, 2022, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Untimely Deposit Of State Aid

Finding No. 2 – Relief Association Checking And Savings Accounts

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

Municipality	County	2020	2021	2022
East Cameron Township	Northumberland	\$3,273	\$2,942	\$3,194
West Cameron Township	Northumberland	\$1,293*	\$1,148	\$1,335

* The 2020 state aid allocation received from West Cameron Township was not deposited by the relief association until February 12, 2021, as disclosed in Finding No. 1 in this report.

Based on the relief association’s records, its total cash as of December 31, 2022, was \$25,003, as illustrated below:

Cash	<u>\$ 25,003</u>
------	------------------

Based on the relief association’s records, its total expenditures for the period January 1, 2020, to December 31, 2022, were \$5,943, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.⁴ **The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.**

Expenditures:

Benefit Services:	
Insurance premiums	<u>\$ 1,530</u>
Fire Services:	
Equipment purchased	\$ 2,855
Equipment maintenance	840

FINDING AND RECOMMENDATION

Finding No. 1 – Untimely Deposit Of State Aid

Condition: The relief association did not deposit the 2020 state aid allocation it received from West Cameron Township, in the amount of \$1,293, until February 12, 2021. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 22, 2020, who forwarded this state aid to the relief association on October 20, 2020, which is within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

Criteria: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

Cause: The relief association officials stated lack of management oversight as the reason that the state aid deposit was untimely.

Effect: As a result of the untimely deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely deposit of receipts increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend that the relief association officials adopt internal control procedures to ensure the timely deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

THE EAST CAMERON TOWNSHIP FIREMEN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding No. 2 – Relief Association Checking And Savings Accounts Inappropriately Registered Under Affiliated Fire Service Organization's Federal Tax Identification Number

Condition: As of December 31, 2022, the relief association held Checking and Savings accounts, with a total balance of \$25,003 which were inappropriately registered under the fire company's federal tax identification number rather than the relief association's identification number. These checking and savings investments represent 100 percent of the relief association's cash assets.

Criteria: Prudent business practice dictates that the relief association maintain ownership of all investments as a means of safeguarding its assets from unauthorized use or disposition.

Cause: A relief association officer stated that the relief association added a checking account during the current audit period. The officer stated they had some trouble with the IRS when adding the checking account. The relief association did not provide a reason for the Savings account being inappropriately registered under the fire company's federal tax identification number.

Effect: As a result of the investments being inappropriately registered under another entity's federal tax identification number, these relief association assets were not properly safeguarded.

Recommendation: We recommend that the relief association officials secure ownership rights to all monetary assets. This requirement can be accomplished by ensuring that all investments are registered under the relief association's federal tax identification number. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
