EUGENE A. DePASQUALE  
AUDITOR GENERAL

Mr. William Jason Swallow, President  
Turbot Township Volunteer Firefighters  
Relief Association  
Northumberland County

We have conducted a compliance audit of the Turbot Township Volunteer Firefighters Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2015 to December 31, 2017.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain independent confirmations of the cash balance and the investment balance directly from the financial institutions. Therefore, while the relief association provided copies of bank and investment statements that indicated that, as of December 31, 2017, the relief association had a cash balance of \$6,545 and an investment balance with a fair value of \$6,257, we were not able to verify those cash and investment balances.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2015 to December 31, 2017:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Failure To Maintain Minutes Of Meetings

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association, and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

TURBOT TOWNSHIP VOLUNTEER FIREFIGHTERS RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – Failure To Maintain Minutes Of Meetings**

Condition: The relief association did not maintain minutes of meetings for the years 2015 and 2017 as required by Act 118 and the relief association bylaws. In addition, the meeting minutes provided for the year 2016 did not show approval for all expenditures and only provided minutes for two meetings.

Criteria: Act 118 at 35 Pa.C.S. § 7415(a) states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

In addition, the relief association bylaws at Article II, Section I states, in part:

The regular meetings of this Association shall be held on the first Wednesday of each quarter.

Furthermore, the relief association bylaws at Article III, Section III states, in part:

The Secretary shall keep a true record of the proceedings of every meeting in the minutes. The minutes shall note authorization by the membership of all association financial transactions and all other pertinent business discussed at meetings.

Cause: Relief association officials indicated that they were unaware that maintaining minutes of meetings was required by Act 118 and the relief association bylaws.

Effect: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We recommend that the relief association officials maintain a permanent record of all relief association meetings as required by Act 118 and the relief association bylaws. The minutes should include an adequate record of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: Compliance will be subject to verification through our next audit.
