We conducted a Limited Procedures Engagement (LPE) of the Mount Pleasant Township Non-Uniformed Pension Plan for the period January 1, 2014 to December 31, 2017 to determine its compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. We also evaluated compliance with some requirements subsequent to that period when possible. The LPE was conducted pursuant to authority derived from Section 402(j) of the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.) but was not conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. We believe that the evidence obtained provides a reasonable basis to support our LPE results.

Our LPE was limited to determining the following:

- Whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the engagement period. State aid allocations that were deposited into the pension plan for the years ended December 31, 2012 to December 3, 2017, are presented on the Summary of Deposited State Aid and Employer Contributions.
- Whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation. Employer contributions that were deposited into the pension plan for the years ended December 31, 2012 to December 3, 2017, are presented on the Summary of Deposited State Aid and Employer Contributions.

- Whether retirement benefits calculated for plan members who retired during the engagement period represent payments to all (and only) those entitled to receive them and were properly determined and disbursed in accordance with the plan's governing document, applicable laws and regulations by recalculating the amount of the pension benefit due to retired individuals and comparing these amounts to supporting documentation evidencing amounts determined and actually paid to recipients.
- Whether the January 1, 2013, January 1, 2015, and January 1, 2017 actuarial valuation reports were prepared and submitted by March 31, 2014, 2016, and 2018, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.
- Whether the terms of the plan's allocated insurance contract, including ownership and any restrictions, were in compliance with plan provisions, investment policies, and state regulations by comparing the terms of the contracts with the plan's provisions, investment policies, and state regulations.

Based on the results of our procedures performed during our LPE, nothing came to our attention indicating that the Mount Pleasant Township Non-Uniformed Pension Plan was not being administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Receipt Of State Aid In Excess Of Entitlement.

Our determination to perform a LPE for this engagement period does not preclude the Department from conducting an audit in accordance with *Government Auditing Standards* of the pension plan in subsequent periods. The township should continue to maintain documentation related to this pension plan.

The contents of this report were discussed with officials of Mount Pleasant Township and, where appropriate, their responses have been included in this report. We would like to thank township officials for the cooperation extended to us during the conduct of this LPE.

MOUNT PLEASANT TOWNSHIP NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – Receipt Of State Aid In Excess Of Entitlement**

Condition: The township received state aid in excess of the non-uniformed pension plan’s defined contribution pension costs in the year 2016, as illustrated below:

State aid allocation	\$ 25,689
Actual municipal pension costs	<u>(24,814)</u>
Excess state aid	<u>\$ 875</u>

The excess state aid remained in the township’s general fund.

Criteria: Section 402(f)(2) of Act 205 states:

No municipality shall be entitled to receive an allocation of general municipal pension system State aid in an amount which exceeds the aggregate actual financial requirements of any municipal pension plans for police officers, paid firefighters or employees other than police officers or paid firefighters maintained by the municipality, less the amount of any aggregate annual member or employee contributions during the next succeeding plan year, as reported in the most recent complete actuarial report filed with the commission.

Cause: Plan officials failed to establish adequate internal control procedures to reconcile the township’s state aid allocation with the plan’s actual defined contribution pension costs.

Effect: It is this department’s opinion that because the entire proceeds of the insurance premium tax on foreign casualty insurance companies are distributed annually to each eligible recipient municipality, it is inappropriate to use state aid in one year to offset pension costs in other years. Consequently, the overpayment of state aid in the year 2016 must be returned to the Commonwealth for redistribution.

Recommendation: We recommend the municipality return the \$875 of excess state aid received in the year 2016 to the Commonwealth from the township’s general fund. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 321 Finance Building, Harrisburg, PA 17120. A copy of the interest calculation must be submitted along with evidence of payment.

MOUNT PLEASANT TOWNSHIP NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Furthermore, we recommend that, in the future, plan officials reconcile the township's annual state aid allocation and municipal contributions made to the pension plan with the plan's annual defined contribution pension costs and reimburse any excess state aid received to the Commonwealth.

Management's Response: Municipal officials agreed with the finding without exception. On March 20, 2018, municipal officials returned \$963 to the Commonwealth from the township's general fund for the excess state aid received in 2016, plus applicable interest.

Auditor's Conclusion: Municipal officials have partially complied with the finding recommendation. Full compliance with the recommendation will be evaluated during our next engagement of the plan.
