**TIMOTHY L. DEFOOR  
AUDITOR GENERAL**

The Honorable Mayor and Borough Council  
Tioga Borough  
Tioga County  
Tioga, PA 16946

We have conducted a compliance audit of the Tioga Borough Non-Uniformed Pension Plan for the period January 1, 2017 to December 31, 2020. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusion based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our finding and conclusion based on our audit objective.

The objective of the audit was to determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objective identified above. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit. State aid allocations that were deposited into the pension plan for the years ended December 31, 2015 to December 31, 2020, are presented on the Summary of Deposited State Aid and Employer Contributions.

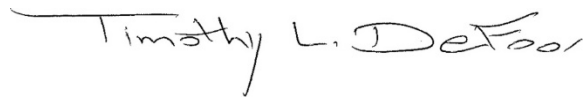

- We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation. Employer contributions that were deposited into the pension plan for the years ended December 31, 2015 to December 31, 2020, are presented on the Summary of Deposited State Aid and Employer Contributions.
- We determined whether annual employee contributions were calculated, deducted, and deposited into the pension plan in accordance with the plan's governing document and applicable laws and regulations by testing total members' contributions on an annual basis using the rates obtained from the plan's governing document in effect for all years within the period under audit and examining documents evidencing the deposit of these employee contributions into the pension plan. We also tested individual employee contributions for 2 of 5 active employees employed during the audit period amounting to \$7,464, \$6,570, \$5,743, and \$6,995 for the years 2020, 2019, 2018, and 2017, respectively, made during the audit period.
- We determined that there were no benefit calculations prepared for the years covered by our audit period.
- We determined whether the January 1, 2017, January 1, 2019, and January 1, 2021 actuarial valuation reports were prepared and submitted by March 31, 2018, 2020 and 2022, respectively, in accordance with Act 205 and whether selected information provided on this report is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Tioga Borough Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objective.

The results of our procedures indicated that, in all significant respects, the Tioga Borough Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Failure To Adopt Mandatory Professional Services Contract Provisions Of Act 205

The contents of this report were discussed with officials of Tioga Borough and, where appropriate, their responses have been included in the report. We would like to thank borough officials for the cooperation extended to us during the conduct of the audit.

A handwritten signature in black ink that reads "Timothy L. DeFoor". The signature is written in a cursive style with a long horizontal line extending to the left of the first letter.

## **BACKGROUND**

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Tioga Borough Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes.

The Tioga Borough Non-Uniformed Pension Plan is a single-employer defined contribution pension plan locally controlled by the provisions of Resolution 2015-1. The plan was established January 1, 2005. Active members are not required to contribute to the plan, however, may voluntarily contribute to the plan. The municipality is required to contribute 9 percent of employee compensation. As of December 31, 2020, the plan had 5 active members and 1 terminated member eligible for vested benefits.

TIOGA BOROUGH NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – Failure To Adopt Mandatory Professional Services Contract Provisions Of Act 205**

Condition: During the prior engagement, a verbal observation was issued to plan officials notifying them of the passage of Act 44 of 2009, which effectively amended Act 205 for the procurement of professional services contracts, and recommending that the borough adopt the mandatory provisions, accordingly. However, during the current audit period, the municipality again failed to adopt such mandatory provisions.

Criteria: Section 701-A of Act 205, as amended by Act 44 of 2009, defines a “Professional Services Contract”, as follows:

“Professional services contract.” A contract to which the municipal pension system is a party that is:

- (1) for the purchase or provision of professional services, including investment services, legal services, real estate services and other consulting services; and
- (2) not subject to a requirement that the lowest bid be accepted.

In addition, Section 702-A (a) of Act 205 states in part:

Each municipal pension system ... shall develop procedures to select the most qualified person to enter into a professional services contract. The procedures shall ensure that the availability of a professional services contract is advertised to potential participants in a timely and efficient manner. Procedures shall include applications and disclosure forms to be used to submit a proposal for review and to receive the award of a professional services contract.

Additionally, Section 702-A (c), (e), (f) and (h) state, in part:

**Review.** Procedures to select the most qualified person shall include a review of the person’s qualifications, experience and expertise and the compensation to be charged.

**Conflict of interest.** The municipal pension system shall adopt policies relating to potential conflicts of interest in the review of a proposal or the negotiation of a contract.

**Public information.** Following the award of a professional services contract, all applications and disclosure forms shall be public except for proprietary information or other information protected by law.

TIOGA BOROUGH NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

**Notice and summary.** The relevant factors that resulted in the award of the professional services contract must be summarized in a written statement to be included in or attached to the documents awarding the contract. Within ten days of the award of the professional services contract, the original application, a summary of the basis for the award and all required disclosure forms must be transmitted to all unsuccessful applications and posted on the municipal pension system’s Internet website, if an Internet website is maintained, at least seven days prior to the execution of the professional services contract.

Cause: Plan officials failed to ensure compliance with provisions of Act 205 as previously recommended.

Effect: The borough’s failure to implement and follow the provisions stipulated in Act 205 regarding the procurement of professional investment and advisory services for the pension plan could result in a general lack of overall transparency of the proposed actions to be taken by plan officials relative to the awarding of future investment and advisory service contracts for the plan.

Recommendation: We recommend that municipal officials obtain a comprehensive understanding of Act 205 provisions for the procurement of professional services and develop and implement formal written procedures to ensure compliance with these provisions while maintaining appropriate and sufficient supporting documentation evidencing every phase of the process in the awarding of future professional services contracts for the pension plan, including authorizations/approvals of borough officials in the official minutes of formal board meetings and the required notifications and disclosure responsibilities to ensure the transparency of the actions taken by plan officials relative to the awarding of such professional services contracts.

Management’s Response: Municipal officials agreed with the finding without exception.

Auditor’s Conclusion: Compliance will be evaluated during our next audit of the plan.

TIOGA BOROUGH NON-UNIFORMED PENSION PLAN  
SUMMARY OF DEPOSITED STATE AID AND EMPLOYER CONTRIBUTIONS

Year Ended December 31	State Aid	Employer Contributions
2015	\$ 7,156	\$ 4,438
2016	8,679	4,347
2017	11,222	5,559
2018	13,398	2,139
2019	13,091	5,959
2020	14,095	6,446
