AUDITOR GENERAL**

The Honorable Mayor and Borough Council  
York Springs Borough  
Adams County  
York, PA 17372

We have conducted a compliance audit of the York Springs Borough Non-Uniformed Pension Plan for the period January 1, 2017 to December 2020. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report, we inquired of plan officials and evaluated supporting documentation provided by officials evidencing that the suggested corrective action has been appropriately taken. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit.
- We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation.
- We determined whether annual employee contributions were calculated, deducted, and deposited into the pension plan in accordance with the plan's governing document and applicable laws and regulations by testing total members' contributions on an annual basis using the rates obtained from the plan's governing document in effect for all years within the period under audit and examining documents evidencing the deposit of these employee contributions into the pension plan.
- We determined that there were no benefit calculations prepared for the years covered by our audit period.
- We determined whether the January 1, 2017 and January 1, 2019 actuarial valuation reports were prepared and submitted by March 31, 2018, and 2020, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

The York Springs Borough Non-Uniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Annual Comprehensive Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the York Springs Borough Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our procedures indicated that, in all significant respects, the York Springs Borough Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1 – Noncompliance With Prior Recommendation - Failure To Properly Determine And Fully Pay The Minimum Municipal Obligation Of The Plan

Finding No. 2 – Late Filing Of Actuarial Valuation Report

Finding No. 3 – Failure To Maintain An Adequate Record-Keeping System To Effectively Monitor Activity Of The Pension Plan

Finding No. 1 contained in this audit report repeats a condition that was cited in our previous report that has not been corrected by borough officials. We are concerned by the borough's failure to correct this previously reported finding and strongly encourage timely implementation of the recommendation noted in this audit report.

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of York Springs Borough and, where appropriate, their responses have been included in the report. We would like to thank borough officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the York Springs Borough Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974  
(P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.

The York Springs Borough Non-Uniformed Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 2020-3, effective September 1, 2020, and a separately executed plan agreement with the Pennsylvania Municipal Retirement System (PMRS), adopted pursuant to Act 15. Prior to September 1, 2020, the plan was locally controlled by the provisions of Ordinance No. 2005-02 and an agreement with the PMRS, adopted pursuant to Act 15. The plan was established August 1, 1977. Active members are required to contribute 3.5 percent of compensation to the plan. As of December 31, 2020, the plan had 2 active members and 3 retirees receiving pension benefits.

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
STATUS OF PRIOR FINDING

Noncompliance With Prior Recommendation

York Springs Borough has not complied with the prior recommendation concerning the following as further discussed in the Finding and Recommendation section of this report:

- Failure To Determine And Submit The Financial Requirements And MMO Of The Plan

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Noncompliance With Prior Recommendation – Failure To Properly Determine And Fully Pay The Minimum Municipal Obligation Of The Plan**

Condition: As disclosed in the prior audit report, the minimum municipal obligation (MMO) determined by the municipality understated payroll by \$42,661 for the year 2014. Based upon an estimate prepared by this department, the municipality had an unpaid MMO balance of \$2,018 for the year 2014. As of the date of the exit conference, the unpaid MMO, including applicable interest, remains outstanding and has not been deposited into the pension plan, accordingly in accordance with Act 205.

Criteria: With regard to the MMO, Section 302(c) of Act 205 states, in part:

Annually, the chief administrative officer of the pension plan shall determine the minimum obligation of the municipality with respect to the pension plan for the following plan year.

With regard to the payroll estimate used in the preparation of the MMO, the Pennsylvania Code, Title 16, Section 204.1(c)(1) states, in part:

The payroll used in determining the minimum municipal obligation of a pension plan under section 302(c) of the act shall be based on the payroll to be reported on the Internal Revenue Service Form W-2 and shall be calculated as the total payroll for active members of the plan as of the date of the determination, plus the payroll for the same active members of the plan projected to the year's end using the payroll rates in effect as of the date of the determination.

Section 302(d) of Act 205 states, in part:

The minimum obligation of the municipality shall be payable to the pension plan from the revenue of the municipality.

Furthermore, Section 302(e) of Act 205 states:

Any amount of the minimum obligation of the municipality which remains unpaid as of December 31 of the year in which the minimum obligation is due shall be added to the minimum obligation of the municipality for the following year, with interest from January 1 of the year in which the minimum obligation was first due until the date the payment is paid at a rate equal to the interest assumption used for the actuarial valuation report or the discount rate applicable to treasury bills issued by the Department of Treasury of the United States with a six-month maturity as of the last business day in December of the plan year in which the obligation was due, whichever is greater, expressed as a monthly rate and compounded monthly.

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – (Continued)**

Cause: Plan officials have failed to adopt adequate internal control procedures to ensure compliance with this department’s prior audit recommendation.

Effect: The proper determination of the plan’s MMO ensures plan officials can properly allocate the necessary resources to the pension plan for the upcoming year. The failure to fully pay the MMO could result in the plan not having adequate resources to meet current and future benefit obligations to its members.

Due to the municipality’s failure to pay the 2014 MMO by the December 31, 2014, deadline, the municipality must add the 2014 MMO to the current year’s MMO and include interest, as required by Act 205.

Recommendation: We again recommend that the municipality pay the MMO due to the non-uniformed pension plan for the year 2014, with interest, in accordance with Section 302(e) of Act 205. A copy of the interest calculation must be maintained by the borough for examination during our next audit of the plan.

Management’s Response: Municipal officials agreed with the finding without exception.

Auditor’s Conclusion: Compliance will be evaluated during our next audit of the plan.

**Finding No. 2 – Late Filing Of Actuarial Valuation Report**

Condition: Actuarial valuation report form type C for the non-uniformed pension plan with a valuation date of January 1, 2019, was not submitted to the former Public Employee Retirement Commission (PERC) by the March 31, 2020, deadline, as required by Act 205. The actuarial valuation report was not received by the Municipal Pension Reporting Program until March 10, 2021.

Criteria: Section 201(a) of Act 205 states, in part:

Each municipality which has established or maintains a pension plan for its employees, including any municipality which participates in the Pennsylvania Municipal Retirement System, shall cause to be made actuarial valuation reports. Actuarial valuation reports shall be made biennially, unless the applicable municipality is applying or has previously applied for supplemental State assistance pursuant to Section 603, whereupon actuarial valuation reports shall be made annually.

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

**Finding No. 2 – (Continued)**

Furthermore, Section 201(b) of Act 205 states, in part:

The biennial actuarial valuation report required pursuant to subsection (a) shall be made as of the beginning of each plan year occurring in an odd-numbered calendar year and shall be filed with the executive director of the commission no later than the last business day of March occurring in the following calendar year.

In addition, Section 204 of Act 205 provides:

If a complete actuarial valuation report or experience investigation is not filed in a timely fashion, any and all financing which is provided to the municipality by the Commonwealth and is dedicated for pension plan purposes shall be withheld until the report or investigation is filed.

Finally, Section 402(e)(7) of Act 205 states, in part:

Any municipality which has not filed with the commission on a timely basis, pursuant to the applicable municipal pension plan actuarial reporting law, an actuarial report for each of the municipal pension plans which it has established or maintains shall be entitled to receive as general municipal pension system State aid, at such time as compliance with the actuarial reporting requirement occurs, the adjusted amount of general municipal pension system State aid per unit . . . .

Cause: The untimely submission of the actuarial valuation report occurred because plan officials were not familiar with the Act 205 filing deadlines.

Effect: The municipality's 2020 state aid was withheld until the necessary report was filed. Therefore, state aid, in the amount of \$9,531, was not released until May 11, 2021, approximately 224 days after the release of state aid to those municipalities who submitted their reports by the filing deadline. Consequently, the municipality did not have its state aid available to use for pension obligations and expenses and investment opportunities.

Recommendation: To ensure that future actuarial filing deadlines are met in a timely manner and to improve pension plan administration, we recommend that plan officials develop and implement adequate internal control procedures, such as a calendar listing the various reporting and filing deadlines required by Act 205, including the actuarial valuation report filing date.

Management's Response: Municipal officials agreed with the finding without exception.

Auditor's Conclusion: Compliance will be evaluated during our next audit of the plan.

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

**Finding No. 3 – Failure To Maintain An Adequate Record-Keeping System To Effectively Monitor Activity Of The Pension Plan**

Condition: The borough’s record-keeping system did not provide effective control over the transactional activity of the non-uniformed pension plan during 2020. Municipal officials were unable to furnish annual financial statements or custodial account transaction statements for the non-uniformed pension plan. These annual financial and account statements have historically been provided by the plan’s custodian, PMRS. However, as of the date of this report, annual financial and accounting statements summarizing the pension account activity have not been provided for the 2020.

Criteria: An adequate system of accounting and record keeping is a prerequisite for sound administration of pension plans. In addition, assets held in a custodial account for the purpose of plan management are to be governed by the terms and provisions of the account contract, provided that the terms and provisions of the contract are within the parameters of all prevailing pension legislation. Although the municipality may contract with a trustee to administer the financial management of the plan, the fiduciary responsibility for the plan remains with the municipality.

Cause: Municipal officials indicated that the plan’s custodian, PMRS, failed to provide copies of the custodial account transaction statements summarizing activity of the pension plan account for the year 2020. In addition, municipal officials did not maintain a separate detailed accounting of pension plan transactions which, among other things, helps assure the production of proper financial statements to effectively monitor the annual activity of the pension plan.

Effect: Although we were able to obtain alternate documentation from the municipality to evidence the propriety of the individual transactions tested during performance of the audit for the year 2020, the failure to maintain annual financial and/or account transaction statements prohibits municipal officials from effectively monitoring the plan’s financial operations. Additionally, inadequate monitoring of the pension plan account could lead to undetected errors or improprieties in account transactions as well as deficiencies in authorizing and implementing pension plan policies and procedures.

Recommendation: We recommend that municipal officials contact the plan custodian and obtain annual financial statements of the custodial account of the non-uniformed pension plan for the years 2020 to ensure the accuracy and propriety of the transaction activity. In addition, we recommend that municipal officials establish and maintain a financial record-keeping system that allows the municipality to effectively monitor the plan’s financial operations, even in the absence of statements from the plan custodian. Municipal officials should refer to the Auditor General’s Bulletin No. 2-88 entitled “Preparation, Maintenance and Auditability of Financial Records,” for further guidance in establishing adequate accounting and record-keeping procedures.

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

**Finding No. 3 – (Continued)**

Management's Response: Municipal officials agreed with the finding without exception.

Auditor's Conclusion: It was noted that PMRS recently went through a substantial upgrade to the plan administration software and implemented a new accounting system. The modernization process, along with the COVID-19 pandemic, resulted in unforeseen delays in the year-end reporting process for financial statements and GASB 68 reports. PMRS officials have taken active measures to resolve these issues and anticipate distribution of the 2020 reports and statements for their plans the last week of March and anticipate completing 2020 financial reporting this summer. Compliance with the finding recommendation will be evaluated during our next audit of the plan.

 SUPPLEMENTARY INFORMATION  
 (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2015, is as follows:

	(1)	(2)	(3)	(4)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)
01-01-15	\$ 466,104	\$ 428,702	\$ (37,402)	108.7%
01-01-17	470,807	449,216	(21,591)	104.8%
01-01-19	485,086	520,145	35,059	93.3%

YORK SPRINGS BOROUGH NON-UNIFORMED PENSION PLAN  
SUPPLEMENTARY INFORMATION  
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

 SUPPLEMENTARY INFORMATION  
 NOTES TO SUPPLEMENTARY SCHEDULES  
 (UNAUDITED)

The information presented in the supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2019
Actuarial cost method	Entry age normal
Amortization method	Level dollar for plan bases and an average for Aggregate Gain/Loss, 10% of surplus is credited against aggregate cost where applicable.
Remaining amortization period	12 years
Asset valuation method	The Actuarial Value of Assets equal the sum of all audited reserve funds as of the valuation date, including Member, Municipal, Retired, Disability, and DROP Reserves, when applicable, and a one year administration expense reserve, plus the portion of any additional investment income to be distributed as excess interest, based on PMRS Policy Statement 05-2. This asset valuation is based on the unique legislative structure of PMRS and the administrative rules adopted by the PMRS Board in conjunction with Pennsylvania Municipal Retirement Law. <sup>1</sup>

Actuarial assumptions:

Investment rate of return *	5.25%, compounded annually, net of investment and administration expenses.
Projected salary increases *	2.8%-7.05%
* Includes inflation at	2.8%
Cost-of-living adjustments	2.8% per year, subject to plan limitations.

---

<sup>1</sup> The administrative rules adopted by the PMRS Board, which are not subject to comply with Actuarial Standards of Practice (ASOP), when defining the Actuarial Value of Assets (AVA), does not necessarily meet the requirement of ASOP 44 Selection and Use of Asset Valuation Methods for Pension Valuations. The AVA provided within this report follow the Pennsylvania Municipal Retirement Law and the PMRS policy statement.
