TIMOTHY L. DEFOOR AUDITOR GENERAL

The Commissioners of Perry County 25 West Main Street PO Box 37 New Bloomfield, PA 17068-0037

### Dear Commissioners:

We have fulfilled the requirements pursuant to authority derived from Act 148 of 1976, as amended, (62 P.S. § 704.1(a)(4)) for the submitted CY-370 Expenditure Report, the CY-370A Revenue Report, and the CY-348 Fiscal Summary, hereinafter referred to as the submitted fiscal reports, and the related financial records of Perry County Children and Youth Services (agency). The purpose of this engagement is to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within the county for the fiscal years July 1, 2019 to June 30, 2020 and July 1, 2020 to June 30, 2021. The scope of our engagement was limited to the fiscal reports submitted to the Pennsylvania Department of Human Services (DHS) as part of the Act 148 Invoice Packages for the fiscal years ended June 30, 2020 and June 30, 2021.

Agency management is responsible for the preparation of the submitted fiscal reports, and compliance with children, youth, and families regulations. Our engagement procedures included a review of selected agency records and other procedures we deemed necessary to enable us to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within the county. We also performed procedures to determine the county's compliance with certain provisions of 55 Pa. Code, Part V. Children, Youth, and Families Manual, Subpart C, Chapters 3140 and 3170 (55 Pa. Code §§ 3140.1 et seq. and 3170.1 et seq.). The engagement was not conducted, nor was it required to be, in accordance with professional auditing or attestation standards. We believe that our engagement procedures provided us a reasonable basis to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within Perry County.

We certify the enclosed amended fiscal reports fairly present, in all material respects, the total commonwealth expenditures paid on behalf of children residing within the county for the 2019-2020 and 2020-2021 fiscal years based on the accrual basis of accounting.<sup>1</sup>

Adjustments to the agency's submitted fiscal reports resulting from the procedures we performed during this engagement are as follows:

- For the **2019-2020 fiscal year**, our engagement resulted in one adjustment being made to the agency's submitted fiscal reports. This adjustment impacted the agency's Net State Share by decreasing non-reimbursable expenditures by \$4,013. Based on the application of the state participation rates, this adjustment resulted in an amount due to the county totaling \$2,407.
- For the 2020-2021 fiscal year, our engagement resulted in one adjustment being made to the agency's submitted fiscal reports. This adjustment impacted the agency's Net State Share by decreasing agency expenditures by \$2,108. Based on the application of the state participation rates, this adjustment resulted in an amount due to the state totaling \$1,264.

This report includes the following observation:

Observation – Despite the Pennsylvania Department of Human Services Apparent Strides in Increasing the Protection of At-Risk Children in the Care of Contracted In-Home Preventative Service Providers, DHS Failed to Review the Adequacy of the C&Y Agencies Procedures and Results for Ensuring these Providers Comply with CPSL Requirements.

The results of our engagement procedures, as presented in this report, were discussed with County representatives and agency management at an exit conference held on March 30, 2023.

This report is being forwarded to the DHS Bureau of Financial Operations and the Office of Children, Youth, and Families for review and settlement of any recommended adjustments included in our amended fiscal reports. You will be notified by DHS of the decisions made regarding the approval and finalization of any recommended adjustment amounts during the DHS settlement process and the impact, if any, on a future Act 148 payment. At that time, in accordance with the Commonwealth's General Rules of Administrative Practice and Procedure, 1 Pa. Code § 31.1 et seq., you will be afforded the opportunity by Commonwealth DHS to appeal its settlement process decision.

<sup>&</sup>lt;sup>1</sup> In accordance with DHS regulations, the expenditures reported in the enclosed fiscal reports are limited to expenditures funded by allocations made pursuant to Act 148 of 1976, as amended, (62 P.S. § 704.1) and do not include any expenditures made from other appropriations or grant funds.

We appreciate the cooperation, assistance, and courtesy granted to our representatives by your officials and agency staff. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

Sincerely,

Timothy L. DeFoor Auditor General

Timothy L. Detoor

### BACKGROUND

The Department of the Auditor General (department) is responsible for reviewing the fiscal reports known as the submitted CY-370 Expenditure Report, the CY-370A Revenue Report, and the CY-348 Fiscal Summary of the 67 County Children and Youth Agencies. The department determines proper reporting and utilization of funds according to program regulations and guidelines under the Human Services Code 62 P.S. § 704.1(a)(4). The annual state Act 148 allocations are used by the counties to administer social services for the children and youth that reside within the Commonwealth of Pennsylvania, whose stated goal is "to ensure, for each child in this Commonwealth, a permanent, legally assured family which protects the child from abuse and neglect." The Children and Youth Social Services Program is county-administered and state-supervised by DHS, with shared responsibility for achieving the commonwealth's goal.

In accordance with the Human Services Code (62 P. S. § 703), DHS is responsible for making and enforcing all rules and regulations necessary and appropriate to the proper accomplishment of the child welfare duties and functions vested by law in the county institution districts or their successors. Title 55 Pa. Code, Part V. Children, Youth, and Families Manual, Subpart C, outlines the rules and regulations relative to the county administration of the Children and Youth Social Service Programs. Specifically, in compliance with 55 Pa. Code § 3140.31, the counties must report their cumulative actual expenditures incurred for the provision of children and youth social services on a quarterly basis to DHS through the Act 148 invoice package, which includes the fiscal reports. The expenditures reported in the Act 148 invoice package refers to all costs for dependent and delinquent children and youth services funded or administered by DHS.

We reviewed the final, cumulative 4<sup>th</sup> quarter fiscal reports submitted to DHS, the agency's related financial records, and other supporting documentation. This was done to determine whether the agency's actual, cumulative expenditures and revenues were properly reported to DHS for the respective fiscal years. The amended fiscal reports below include any adjustments we considered necessary to reflect the agency's actual related revenue, expenditures, and net state share for each fiscal year in our engagement period.

# STATUS OF PRIOR ENGAGEMENT FINDING AND RECOMMENDATIONS

## PERRY COUNTY CHILDREN AND YOUTH AGENCY STATUS OF PRIOR ENGAGEMENT FINDING AND RECOMMENDATIONS

The prior report included the following finding:

# <u>Lack of Internal Control Policies and Procedures to Reduce the Risk of Paying Overbillings or Fraudulent Billings Submitted by Contracted In-Home Purchased Service Providers</u>

In our prior engagement report for the fiscal years July 1, 2017 to June 30, 2019, we cited the agency for failing to develop and implement internal control policies and procedures to require adequate supporting documentation evidencing that services related to fees invoiced by In-Home Purchased Service providers, and paid by the agency, were actually provided, and if provided, provided in adherence to the requirements of the respective provider contract terms.

During the conduct of our current engagement, we obtained evidence substantiating that, as of December 5, 2019, the agency developed and implemented fiscal-related monitoring policy and procedures designed to reduce the agency's risk of paying overbillings or fraudulent billings submitted by contracted In-Home Purchased Service providers.

The agency's fiscal-related monitoring policy for In-Home Purchased Service providers requires the agency to perform on-site fiscal-related monitoring of contracted In-Home Purchased Service providers at least once every six to twelve months. During these reviews, agency-selected invoices are compared to the respective provider's supporting documentation, such as signed encounter forms, case file notes, and progress reports. An on-site contract monitoring report is completed and shared with the agency's administrative staff. If discrepancies are found, during the review, the provider is contacted and a resolution is determined.

To assess the sufficiency of these procedures, we reviewed several monitoring reports and the related supporting documentation and verified the agency obtained sufficient documentation to verify the invoiced number of units.

Based on the procedures performed during our current engagement, we concluded the issuance of a repeat finding is not warranted.

# CURRENT ENGAGEMENT OBSERVATION

Observation – Despite the Pennsylvania Department of Human Services Apparent Strides in Increasing the Protection of At-Risk Children in the Care of Contracted In-Home Preventative Service Providers, DHS Failed to Review the Adequacy of the C&Y Agencies Procedures and Results for Ensuring these Providers Comply with CPSL Requirements

The vast majority of Pennsylvania's County Children and Youth (C&Y) agencies contract with non-government In-Home Preventative Service providers (contracted providers) to deliver services to children outside of an institutional or community-based setting, and those services are referred to as In-Home Purchased Services.<sup>2</sup> The Child Protective Services Law (CPSL) requires the conduct of Criminal Background Checks and Child Abuse History Clearances (certifications) for all contracted providers' (and their respective subcontractors') employees and direct volunteers.<sup>3</sup>

Since 2016, we have communicated concerns to the Pennsylvania Department of Human Services (DHS) that these contracted providers were not being monitored for compliance with the CPSL certification mandates. Specifically, this needed monitoring relates to obtaining assurance as to the sufficiency of each C&Y agency's procedures for reviewing the certifications of contracted providers' employees and volunteers and their respective subcontractors, whose duties require them to come into direct contact with children and taking appropriate corrective actions when disqualifying incidents are identified. Furthermore, these contracted providers are not subject to licensure nor annual inspections under the Human Services Code (Code). Our concerns continue to be communicated through the inclusion of a standardized observation in our C&Y Program engagement reports and through correspondence with DHS.

In February 2018, DHS senior management staff affirmed that DHS is responsible for communicating contract-monitoring expectations to the C&Y agencies and for implementing a

<sup>&</sup>lt;sup>2</sup> Institutional and community-based settings are those in which the child is outside of the home for the entire time (e.g., Juvenile Detention, Residential Services, Secure Residential, Youth Development Camps, Youth Forestry Camps, Foster Care, Emergency Shelter, Group Homes, etc.). In-Home supportive services are provided while the child is in their own home or supportive services provided to the child or child's family while the child is in substitute care.

<sup>&</sup>lt;sup>3</sup> 23 Pa.C.S. §§ 6344 and 6344.2. Please note that CPSL 23 Pa.C.S. § 6344.4 now requires recertification of the required state and federal background checks and the child abuse clearance every 60 months.

<sup>&</sup>lt;sup>4</sup> Based on a recent communication with DHS in early September 2020, the state agency candidly indicated that it lacks sufficient budgetary resources, leading to inadequate staffing to provide for the licensure and inspection of these contracted providers, which includes a large population of not only these providers, but also their subcontractors. Further, the implication of these budgetary constraints is that it would not be reasonable to pursue or support related legislation to make these contracted providers and their subcontractors subject to licensure and inspection. Please see the Special Note in Endnote 1.

method to ensure certification monitoring is being performed adequately. DHS staff also stated these expectations were communicated to C&Y agencies on numerous occasions since 2016.

### **Our 2018 Position Statement Letter**

On March 18, 2018, we sent a Position Statement Letter to then DHS Deputy Secretary for Children, Youth and Families, which was also delivered to the Pennsylvania Senate and House of Representatives' children and youth committee chairs. The major purpose of our letter was to express our concerns, as detailed above.

### **DHS Corrective Actions Taken**

In an effort to further address our concerns, DHS expanded its CPSL adherence requirements for C&Y agencies through the issuance of its 2019 revision of its Single Audit Supplement (supplement) for counties, effective for the fiscal year ended June 30, 2019. The supplement included the following requirements for C&Y agencies and their auditors who conduct Single Audits of counties.

### C&Y agencies are required to:

- Monitor contracted provider adherence to the CPSL background check requirements to assure the safety of children receiving prevention, reunification, and aftercare services (services coded as in-home).
- Document these efforts and report them to DHS on a supplemental schedule included in each counties' Single Audit package.
- Create a listing of contracted providers that deliver in-home coded services.
- Monitor a sample of contracted providers' compliance with the CPSL requirements, including checking for incidents since the date of the background clearances.
- Communicate any violations to contracted providers and obtain a corrective action plan.
- Follow-up on implementation of the corrective action plan within six months.
- Document the results of the monitoring.

As part of the Single Audit, the auditors are required to perform agreed-upon procedures with regard to the supplemental schedule noted above, including the following:

- Obtain a listing of contracted providers that deliver in-home coded services for the C&Y agency.
- Test the listing of contracted providers for completeness.

- Analyze the C&Y agency's documentation of monitoring activities for adequacy of
  monitoring, the C&Y agency's obtaining of any necessary corrective action plans, the
  C&Y agency's timely follow-up on corrective action plans, and the adequacy and
  accuracy of the monitoring documentation as represented on the supplemental schedule.
- Disclose any exceptions or findings within the Single Audit package for items not reflected on the supplemental schedule.

### **Our Current Position**

We believe that the requirements that DHS included in its supplement are great first steps in obtaining assurance of the C&Y agencies' compliance with the CPSL certification requirements. Specifically, having independent auditors reviewing the adequacy of the C&Y agencies' monitoring of the CPSL background check requirements for contracted providers annually, and reporting the C&Y agencies' monitoring efforts in a supplemental schedule of the Single Audit package that is provided to DHS appears to be effective. As part of the CPSL certification monitoring process, it is incumbent upon DHS to review the supplemental schedule and any exceptions or findings within the Single Audit packages to ascertain whether the C&Y agencies are properly monitoring for CPSL certification requirements of its contracted providers. However, as of March 2021, DHS officials acknowledged that staff have not started reviewing the Single Audit packages for this purpose.<sup>5</sup>

This lack of review by DHS is especially concerning considering DHS as the oversight agency could remain unaware of improper monitoring being performed by a C&Y agency and/or non-compliance with the CPSL occurring despite receiving an audit report disclosing such information. Therefore, we believe that it is imperative that DHS review the Single Audit packages for CPSL compliance by the C&Y agencies in a timely manner.

Alternatively, DHS could implement its own monitoring process whereby it reviews the adequacy of each C&Y agency's monitoring to ensure the agency's contracted providers and their subcontractors complied with CPSL certification requirements. The process would include reviewing the corrective actions plans when disqualifying incidents were identified and verifying that the corrective action plans were implemented.<sup>i</sup>

21

<sup>&</sup>lt;sup>5</sup> DHS informed us that they merely verbally inquire about the status of C&Y agencies' respective corrective action plans during their monitoring process.

### Conclusion

As the oversight agency, it is our opinion that DHS should ensure that every C&Y agency and its respective contracted providers are actually adhering to the CPSL certification requirements. This specifically relates to obtaining assurance as to the adequacy of each C&Y Agency's procedures for reviewing the certifications of their contracted providers' employees and volunteers and their subcontractors (whose duties require them to come into direct contact with children) and taking appropriate corrective action when disqualifying incidents are identified. We continue to believe that these children remain particularly vulnerable because contracted in-home services are often times provided outside the presence and view of others.

Our Department understands and appreciates these budgetary difficulties and that it may not be practical, but it is definitely reasonable to have licensure and inspections under the Code for this very large population of these C&Y agencies' contracted providers and their subcontractors.

<sup>&</sup>lt;sup>1</sup> Special Note: In marked contrast to contracted foster care parents/providers and day treatment centers/child residential facilities, as well as 12 other types of facilities and programs, these C&Y contracted providers are not subject to annual licensure and an inspection process in accordance with the Human Services Code (Code). As noted in an earlier footnote, DHS recently made the candid statement that it lacks sufficient budgetary resources, leading to inadequate staffing to provide for the licensure and inspection of these contracted providers.
