**TIMOTHY L. DEFOOR
AUDITOR GENERAL**

The Honorable Pat Browne
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have conducted a compliance audit of the District Court 03-2-03, Northampton County, Pennsylvania (District Court), for the period January 1, 2019 to December 31, 2022, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c).

The objective of the audit was to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted and to provide a report to the Department of Revenue to allow the Department of Revenue to state and settle the District Court's account. Our audit was limited to areas related to the objective identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

The District Court is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The District Court is also responsible for complying with those laws and regulations. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

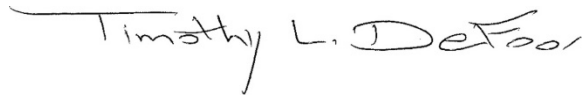

Based on our audit procedures, we conclude that, for the period January 1, 2019 to December 31, 2022, the District Court, in all significant respects, complied with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted, except as noted in the finding listed below and discussed later in this report:

- Bank Deposit Slips Were Not Validated.

This report includes a summary of the District Court's receipts and disbursements of funds collected on behalf of the Commonwealth (summary). We obtained data representing the District Court's receipts and disbursements from the Pennsylvania Department of Revenue, which obtains data from each of the Commonwealth's district courts and used the data to create the summary in the format required by the Department of Revenue. We also evaluated the accuracy of the data as part of our audit to conclude on the District Court's compliance with certain state laws and regulations as described in the previous paragraph. Any adjustments that we considered necessary based on our audit work are disclosed in the *Audit Adjustments* line of the summary; however, the scope of our audit does not include the issuance of an opinion on the accuracy of the amounts reported in the summary.

The purpose of this report is to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted. This report is not suitable for any other purposes.

The contents of this report were discussed with the management of the District Court and, where appropriate, their response has been included in the report. We appreciate the courtesy extended by the District Court 03-2-03, Northampton County, to us during the course of our audit. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

The Department of Auditor General is mandated by Article IV, Section 401(c) of *The Fiscal Code* (Act of April 9, 1929, P.L.343, No. 176), to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted.

District Court receipts are comprised of fines, costs, fees, and surcharges collected on behalf of the Commonwealth. These fines, costs, fees, and surcharges represent collections made on traffic, non-traffic, civil, and criminal cases filed with the District Court.

Total disbursements during the audit period are comprised as follows:

District Court checks issued to:

Department of Revenue	<u>\$ 1,114,804</u>

DISTRICT COURT 03-2-03
NORTHAMPTON COUNTY
FINDING AND RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2019 TO DECEMBER 31, 2022

Finding - Bank Deposit Slips Were Not Validated

Our audit of the district court's accounting records disclosed that the office copy of the bank deposit slip was not validated by the bank for 28 of the 60 deposits we tested. The district court received a validated receipt from the bank, but this only confirmed the total amount deposited and not the actual make-up of the deposit (i.e. cash and check mix).

Good internal accounting controls require that the amount of each check and the total amount of cash deposited are identified on the deposit slip. The office copy of each deposit should be brought to the bank to be validated. If the bank cannot validate the deposit slip, the district court should obtain a deposit ticket from the bank that validates total cash and the total deposit. After the district court receives the validation from the bank, it should be reconciled to the receipts by someone other than the person preparing or making the deposit.

Without a good system of internal control over funds received by the office, the possibility of funds being lost or misappropriated increases significantly.

The district court indicated the court changed banks during the audit period and was not aware of the potential internal control weaknesses caused by not having a validated deposit slip.

Recommendations

We recommend that the district court secure the bank's validation on the court's copy of the deposit slip. We further recommend that the validation is reconciled to receipts by someone other than the person preparing or making the deposit.

Management's Response

The Magisterial District Judge responded as follows:

On August 5, 2022, District Court 03-2-03 began using duplicate deposit slips. Although District Court 03-2-03 was not using duplicate deposit slips prior to August 5, 2022, the court was receiving a transaction receipt from the bank validating the deposit amount with the date and time of the daily deposit reflecting timely made deposits. This transaction receipt was reviewed and initialed by the Magisterial District Judge. The discussion of not using duplicate deposit slips was first addressed in the County Audit in 2022. District Court 03-2-03 immediately ordered duplicate deposit slips and implemented them upon their receipt on August 5, 2022, resolving this finding.
