Independent Auditor's Report

The Honorable Daniel P. Meuser
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 25-3-01, Clinton County, Pennsylvania (District Court), for the period January 1, 2008 to December 31, 2012, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c). This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Except as discussed in the fourth paragraph, our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

As discussed in the Finding and Recommendation Section of the examination report, the traffic/non-traffic citations issued between January 1, 2008 and December 31, 2008 were destroyed prior to our examination and were not available for the examination. Without these records, we could not perform our standard examination procedures. As a result, the scope of our examination of the District Court's Statement was limited, and we were unable to satisfy ourselves by other examination procedures.

In our opinion, except for the effects, if any, of the matters noted in the preceding paragraph, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Commonwealth for the period January 1, 2008 to December 31, 2012, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District Court's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the District Court's Statement that is more than inconsequential will not be prevented or detected by the District Court's internal control. We consider the deficiency described in the finding below to be a significant deficiency in internal control over the reporting on the Statement:

- Failure To Follow *The Supreme Court Of Pennsylvania Administrative Office Of Pennsylvania Courts Record Retention & Disposition Schedule With Guidelines* Procedures.

Independent Auditor's Report (Continued)

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statement will not be prevented or detected by the District Court's internal control. Our consideration of the internal control over reporting on the Statement would not necessarily disclose all matters in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. We consider the significant deficiency described above to be a material weakness.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

DISTRICT COURT 25-3-01
CLINTON COUNTY
FINDING AND RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2008 TO DECEMBER 31, 2012

Finding - Failure To Follow The *Supreme Court Of Pennsylvania Administrative Office Of Pennsylvania Courts Record Retention & Disposition Schedule With Guidelines Procedures*

Our examination disclosed that closed traffic/non-traffic citations issued between January 1, 2008 and December 31, 2008 were not available for examination and have been destroyed by the district court without being in compliance with the procedures described in the *Supreme Court of Pennsylvania Administrative Office of Pennsylvania Courts Record Retention & Disposition Schedule with Guidelines* (Schedule).

The Schedule outlines the proper procedures for the destruction of non-permanent court records. Disposal request procedures include:

A request to destroy non-permanent scheduled records must be submitted by the record custodian requesting permission to dispose of the record(s) to the Record Retention Officer utilizing a Unified Judicial System Disposal Log for Non-Permanent Records form adopted by the AOPC as provided in Pa.R.J.A. No. 507. The Record Retention Officer shall review the Records Disposal Log Form for completeness and shall grant written permission to dispose of such non-permanent records upon ascertaining that the applicable retention period as set forth in the schedule has been met. Written approval from the AOPC is not necessary before destroying non-permanent records as identified in the schedule. A log of individual disposition actions involving non-permanent records must be maintained. Copies of the Records Disposal Log Form shall be submitted on an annual basis to the AOPC. (See §4.5 Form Retention)

Although the Schedule identifies traffic and non-traffic citations as records that may be destroyed after three years, the Schedule also states in part:

Records subject to audit must be retained for the periods listed in the schedule and must be audited and all findings resolved before such records may be destroyed.

The failure to maintain these records resulted in an unclear examination trail. Additionally, collections associated with missing cases files and documents could be lost or misappropriated.
