TIMOTHY L. DEFOOR AUDITOR GENERAL

The Honorable C. Daniel Hassell Secretary Pennsylvania Department of Revenue Harrisburg, PA 17128

We have conducted a compliance audit of the District Court 42-3-04, Bradford County, Pennsylvania (District Court), for the period January 1, 2017 to December 31, 2020, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c).

The objective of the audit was to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted and to provide a report to the Department of Revenue to allow the Department of Revenue to state and settle the District Court's account. Our audit was limited to areas related to the objective identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

The District Court is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The District Court is also responsible for complying with those laws and regulations. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2017 to December 31, 2020, the District Court, in all significant respects, complied with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted, except as noted in the findings listed below and discussed later in this report:

- Missing Case Files.
- Inadequate Arrest Warrant Procedures.

This report includes a summary of the District Court's receipts and disbursements of funds collected on behalf of the Commonwealth (summary). We obtained data representing the District Court's receipts and disbursements from the Pennsylvania Department of Revenue, which obtains data from each of the Commonwealth's district courts, and used the data to create the summary in the format required by the Department of Revenue. We also evaluated the accuracy of the data as part of our audit to conclude on the District Court's compliance with certain state laws and regulations as described in the previous paragraph. Any adjustments that we considered necessary based on our audit work are disclosed in the *Audit Adjustments* line of the summary; however, the scope of our audit does not include the issuance of an opinion on the accuracy of the amounts reported in the summary.

The purpose of this report is to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. This report is not suitable for any other purposes.

The contents of this report were discussed with the management of the District Court and, where appropriate, their response has been included in the report. We appreciate the courtesy extended by the District Court 42-3-04, Bradford County, to us during the course of our audit. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

DISTRICT COURT 42-3-04 BRADFORD COUNTY FINDINGS AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2017 TO DECEMBER 31, 2020

Finding No. 1 - Missing Case Files

Our audit of the district court required that certain case files be examined. We encountered considerable difficulty in finding a number of case files. There were 15 out of 123 case files needed for testing that could not be located.

In order for an entity to have an efficient record-keeping system, each court document must be filed timely and properly. Additionally, the *Magisterial District Judge Automated Office Clerical Procedures Manual* (Manual) outlines the proper filing procedures for all district courts to follow.

The failure to follow these guidelines could result in case file documents being lost, misfiled, or intentionally destroyed. Additionally, collections associated with missing case files and documents could be misappropriated.

Adherence to the uniform internal control policies and procedures, as set forth in the Manual, would have ensured that there were adequate internal controls over case files.

This condition existed because the district court failed to establish and implement an adequate system of internal controls over the accountability of case files.

Recommendation

We recommend that the district court initiate procedures to ensure that all cases are properly filed and contain appropriate documents as outlined in the Manual.

Management's Response

The Magisterial District Judge responded as follows:

As per directive, older files had been disposed of and as of now will be retained for five years to compensate for audit schedules in the future.

Auditor's Conclusion

We appreciate the officeholder's efforts to correct these issues. During our next audit, we will determine if the district court complied with our recommendation.

DISTRICT COURT 42-3-04 BRADFORD COUNTY FINDINGS AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2017 TO DECEMBER 31, 2020

Finding No. 2 - Inadequate Arrest Warrant Procedures

Warrants are used to enforce the collection of monies on traffic and non-traffic cases in which defendants failed to make payments when required. A Warrant of Arrest (AOPC 417) is used to authorize an official to arrest a defendant, to collect fines and costs from the defendant after a disposition, or to collect collateral for a trial. If the defendant does not respond within ten days to a citation or summons, a Warrant of Arrest may be issued.

During our testing of warrant procedures, we noted that warrant procedures established by the *Magisterial District Judge Automated Office Clerical Procedures Manual* (Manual) were not always followed. The Magisterial District Judge did not consistently issue warrants when required. We tested 23 instances in which a warrant was required to be issued. Our testing disclosed that 13 were not issued timely, and four were not issued at all. The time of issuance ranged from 62 days to 386 days.

The Manual establishes the uniform written internal control policies and procedures for all district courts.

Warrant Issuance Procedures: The Manual states that on October 1, 1998, new warrant procedures took effect for summary cases. Amendments were made to Pa.R.Crim.P. 430, 431, 454, 455, 456, 460, 461, and 462. To comply with the new changes, the Notice of Impending Warrant (AOPC A418) was created with the purpose of informing the defendant that failure to pay the amount due or to appear for a Payment Determination Hearing will result in the issuance of an arrest warrant. The defendant is also informed that his/her response must be made within ten days of the date of the notice.

According to Pa.R.Crim.P. 430, a Notice of Impending Warrant may be issued in a post-disposition summary case for any of the following reasons:

- A guilty disposition is recorded and no payment is made or a time payment schedule is not created.
- A guilty disposition is recorded and a previously deposited collateral payment, when applied, does not pay the case balance in full.
- A guilty disposition is recorded and the defendant defaults on a time payment schedule.

DISTRICT COURT 42-3-04 BRADFORD COUNTY FINDINGS AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2017 TO DECEMBER 31, 2020

Finding No. 2 - Inadequate Arrest Warrant Procedures (Continued)

According to Pa.R.Crim.P. 430, a warrant SHALL be issued in a summary case for any of the following reasons (a Notice of Impending Warrant is not necessary for the following):

- The defendant has failed to respond to a citation or summons that was served either personally or by certified mail, return receipt requested.
- The citation or summons is returned undeliverable.
- The Magisterial District Judge has reasonable grounds to believe that the defendant will not obey a summons.

The failure to follow warrant procedures could result in uncollected fines and unpunished offenders. Additionally, the risk is increased for funds to be lost or misappropriated.

Adherence to the uniform internal control policies and procedures, as set forth in the Manual, would have ensured that there were adequate internal controls over warrants.

Recommendation

We recommend that the district court review the tickler reports for warrants daily and take appropriate action as required by the Manual.

Management's Response

The Magisterial District Judge responded as follows:

With office staff changes and Covid issues, we acknowledge being off procedure. We are dedicated to being more efficient and prompt from now on.

Auditor's Conclusion

We appreciate the officeholder's efforts to correct these issues. During our next audit, we will determine if the district court complied with our recommendations.
