Independent Auditor's Report

Mr. C. Daniel Hassell
Acting Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 18-3-01, Clarion County, Pennsylvania (District Court), for the period January 1, 2006 to December 31, 2008, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c). This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Commonwealth for the period ended December 31, 2008, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District Court's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the District Court's Statement that is more than inconsequential will not be prevented or detected by the District Court's internal control.

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statement will not be prevented or detected by the District Court's internal control.

Our consideration of internal control over reporting on the Statement was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any significant deficiencies or material weaknesses, as defined above, in internal control over reporting on the Statement.

Independent Auditor's Report (Continued)

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE STATEMENT OF RECEIPTS AND DISBURSEMENTS
FOR THE PERIOD

The Statement of Receipts and Disbursements provides a summary of receipts and disbursements by category. The categories and the amounts of fines, costs, fees, and surcharges assessed are based on Pennsylvania laws and regulations.

The Statement was prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Receipts are comprised of fines, costs, fees, and surcharges collected on behalf of the Commonwealth. These fines, costs, fees, and surcharges represent collections made on traffic, non-traffic, civil, and criminal cases filed with the District Court.

DISTRICT COURT 18-3-01
CLARION COUNTY
OBSERVATION
FOR THE PERIOD
JANUARY 1, 2006 TO DECEMBER 31, 2008

Observation - Improper Assessment of Costs

Our examination of Clarion County District Courts revealed that the courts were assessing a \$15 fee to cover the additional administrative costs related to defaulted installment payment plans in summary conviction cases, pursuant to the provisions of 42 Pa.C.S.A. § 1725.1(c)(5), relating to unclassified costs. Clarion County District Courts were authorized to assess this cost on all summary cases when the defendant in the summary case requests and is permitted to make installment payments as provided in Pa.R.Crim.P. 454 (F) (1), Trial in Summary Cases and subsequently defaults on that agreement.

The Clarion County Courts interpret such language for the purpose of their Administrative Orders, to mean they are authorized to charge a \$15 fee for defendants paying costs and fines through installment payment plans. However, the subchapter in question, 42 Pa.C.S.A. § 1725.1(c)(5) titled “Specific Powers of the Governing Authority of the System,” provides for fees to be charged by the courts for various actions relating to issuing documents, such as court orders and warrants, in civil cases, custody cases, and criminal cases, not for establishing a payment schedule for defendants.

Recommendations

We recommend that district court discontinue assessing the above-cited fee. We further recommend that Clarion County Courts assess fees and costs as intended by the appropriate state statutes.

Management’s Response

No formal response was offered at this time.

CLARION COUNTY
COMMENT
FOR THE PERIOD
JANUARY 1, 2006 TO DECEMBER 31, 2008

Comment - Compliance With Prior Audit Recommendations

During our prior audit, we recommended:

- That the office adhere to the downtime manual receipt procedures required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.

During our current examination, we noted that the office complied with our recommendation.

During our prior audit, we also recommended:

- That the office review the tickler reports for warrants and DL-38s daily and take appropriate action as required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.
- That the court review warrant control reports and notify police or other officials to return warrants that are unserved for 60 days for summary traffic and non-traffic cases as required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.

Our current examination found that the office substantially complied with our prior examination recommendations. Insignificant instances of noncompliance were verbally communicated to the office.
