Independent Auditor's Report

The Honorable Daniel P. Meuser
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 28-3-01, Venango County, Pennsylvania (District Court), for the period January 1, 2008 to December 31, 2010, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c). This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Commonwealth for the period ended December 31, 2010, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District Court's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the District Court's Statement that is more than inconsequential will not be prevented or detected by the District Court's internal control.

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statement will not be prevented or detected by the District Court's internal control.

Our consideration of internal control over reporting on the Statement was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any significant deficiencies or material weaknesses, as defined above, in internal control over reporting on the Statement.

Independent Auditor's Report (Continued)

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

DISTRICT COURT 28-3-01
VENANGO COUNTY
NOTES TO THE STATEMENT OF RECEIPTS AND DISBURSEMENTS
FOR THE PERIOD
JANUARY 1, 2008 TO DECEMBER 31, 2010

1. Criteria

The Statement of Receipts and Disbursements provides a summary of receipts and disbursements by category. The categories and the amounts of fines, costs, fees, and surcharges assessed are based on Pennsylvania laws and regulations.

The Statement was prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. Receipts

Receipts are comprised of fines, costs, fees, and surcharges collected on behalf of the Commonwealth. These fines, costs, fees, and surcharges represent collections made on traffic, non-traffic, civil, and criminal cases filed with the District Court.

3. Disbursements

Total disbursements are comprised as follows:

District Court checks issued to:

Department of Revenue	\$ <u>483,209</u>
-----------------------	-------------------

4. Balance Due Commonwealth (District Court) For The Period January 1, 2008 To December 31, 2010

This balance reflects the summary of monthly transmittal reports as settled by the Department of Revenue.

5. Magisterial District Judges Serving During Examination Period

David L. Fish served at District Court 28-3-01 for the period January 1, 2008 to January 7, 2008.

Andrew F. Fish served at District Court 28-3-01 for the period January 8, 2008 to December 31, 2010.

DISTRICT COURT 28-3-01
VENANGO COUNTY
OBSERVATION
FOR THE PERIOD
JANUARY 1, 2008 TO DECEMBER 31, 2010

Observation - Improper Assessment Of Costs

Our examinations of the Venango County District Courts revealed that the courts were assessing a \$5 flat rate postage fee to cover the additional administrative costs related to mailing miscellaneous mailers on summary traffic and non-traffic cases as outlined in a President Judge Order signed on November 12, 2003. This Administrative Order authorized Venango County District Courts to assess this cost on all summary and non-traffic cases when the defendant had to be mailed notices for a Request For Suspension Of Operating Privileges (DL-38), Impending Warrant, or for failure to make a required payment on fines, costs and/or restitution.

Because the Judicial Code (42 Pa.C.S.A. § 1725.1) provides an itemized list of expenses to be paid for the various causes of action, and it carves out exceptions for the postage costs and which party shall pay the postage costs, Venango County should be charging the proper party with actual postage costs, and not a blanket postage charge of \$5 to defendants. Actual postage costs are known the moment documents are mailed and, therefore, are easily attainable and billable to the proper party to a cause of action.

On March 31, 2010, the Supreme Court of Pennsylvania ruled “that only actual mailing costs shall be imposed against a defendant.”

Recommendations

We recommend that the district court discontinue assessing the above-cited fee. We further recommend that district court assess fees and costs as intended by the appropriate state statutes.

Management’s Response

No formal response at this time.

DISTRICT COURT 28-3-01
VENANGO COUNTY
COMMENT
FOR THE PERIOD
JANUARY 1, 2008 TO DECEMBER 31, 2010

Comment - Compliance With Prior Examination Recommendations

During our prior examination, we recommended:

- That the office review the tickler reports for DL-38s daily and take appropriate action as required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.
- That there is evidence authorizing the disposition of cases by the Magisterial District Judge and is available for examination.

During our current examination, we noted that the office complied with our recommendations.

During our prior examination, we also recommended:

- That the office review the tickler reports for warrants daily and take appropriate action as required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.
- That the office review warrant control reports and notify police or other officials to return warrants that are unserved for 60 days for summary traffic and non-traffic cases as required by the *Magisterial District Judge Automated Office Clerical Procedures Manual*.

Our current examination found that the office substantially complied with our prior examination recommendations. Insignificant instances of noncompliance were verbally communicated to the office.
