EUGENE A. DePASQUALE
AUDITOR GENERAL

Independent Auditor's Report

The Honorable Daniel P. Meuser
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 06-1-05, Erie County, Pennsylvania (District Court), for the period January 1, 2008 to December 31, 2011, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c). This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Commonwealth for the period January 1, 2008 to December 31, 2011, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District Court's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the District Court's Statement that is more than inconsequential will not be prevented or detected by the District Court's internal control. We consider the deficiency described in the finding below to be a significant deficiency in internal control over the reporting on the Statement:

- Receipts Were Not Always Deposited On The Same Day As Collected.

Independent Auditor's Report (Continued)

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statement will not be prevented or detected by the District Court's internal control. Our consideration of the internal control over reporting on the Statement would not necessarily disclose all matters in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. We consider the significant deficiency described above to be a material weakness.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We are concerned in light of the District Court's failure to correct a previously reported finding regarding inadequate internal controls over receipts. This significant deficiency increases the risk for funds to be lost or misappropriated. The District Court should strive to implement the recommendation and corrective action noted in this examination report.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

The Statement of Receipts and Disbursements provides a summary of receipts and disbursements by category. The categories and the amounts of fines, costs, fees, and surcharges assessed are based on Pennsylvania laws and regulations.

DISTRICT COURT 06-1-05
ERIE COUNTY
FINDING AND RECOMMENDATION
FOR THE PERIOD
JANUARY 1, 2008 TO DECEMBER 31, 2011

Finding - Receipts Were Not Always Deposited On The Same Day As Collected

Our examination disclosed that receipts were not always deposited on the same day as collected. Of 60 receipts tested, 18 were not deposited on the same day as collected. The time lapse from the date of receipt to the subsequent date of deposit ranged from two days to six days.

Good internal accounting controls require that all monies collected be deposited in the bank at the end of every day. The *Magisterial District Judge Automated Office Clerical Procedures Manual* (Manual) establishes the uniform written internal control policies and procedures for all district courts. The Manual requires that:

All money, including partial payments received by the Magisterial District Judge office (e.g. cash, checks, and money orders), must be deposited in the bank at the end of every business day. A bank night depository may be used by all (night) courts as well as by any court that cannot get to the bank during banking hours. Money should not be taken home, left in the office overnight, or unattended. The Daily Cash Balancing procedure must be completed every day.

Without a good system of internal control over funds received by the office, the possibility of funds being lost or misappropriated increases significantly.

Adherence to the uniform internal control policies and procedures, as set forth in the Manual, would have ensured that there were adequate internal controls over collections.

This condition existed because the district court failed to establish and implement an adequate system of internal controls over receipts.

This finding was cited in the prior examination for the period ending December 31, 2007.

Recommendation

We again recommend that the district court deposit all receipts at the end of each day as required by good internal accounting controls and the Manual.

Management's Response

No formal response was offered at this time.

Auditor's Conclusion

This is a recurring finding. We strongly recommend that the office comply with our recommendation.
