EUGENE A. DEPASQUALE AUDITOR GENERAL

**Independent Auditor's Report** 

Yassmin Gramian, P.E. Acting Secretary Department of Transportation Harrisburg, PA 17120

We examined the accompanying Form MS-965 With Adjustments for the Liquid Fuels Tax Fund of the Township of Luzerne, Fayette County, for the period January 1, 2018 to December 31, 2018. The municipality's management is responsible for presenting the Form MS-965 in accordance with the criteria set forth in Note 1. Our responsibility is to express an opinion on the Form MS-965 With Adjustments based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Form MS-965 is presented in accordance with the criteria described above, in all material respects. An examination involves performing procedures to obtain evidence about the Form MS-965. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Form MS-965, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are mandated by Section 403 of *The Fiscal Code*, 72 P.S. § 403, to audit each municipality's Liquid Fuels Tax Fund to ensure that funds received are expended in accordance with applicable laws and regulations. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 403 of *The Fiscal Code*.

As described in Note 4, the adjustments included on the Form MS-965 With Adjustments are made by the Department of the Auditor General.

### <u>Independent Auditor's Report (Continued)</u>

In our opinion, the Form MS-965 With Adjustments presents, in all material respects, the information required by the Pennsylvania Department of Transportation for the Liquid Fuels Tax Fund of the Township of Luzerne, Fayette County, for the period January 1, 2018 to December 31, 2018, in accordance with the criteria set forth in Note 1.

In accordance with Government Auditing Standards, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud and noncompliance with provisions of laws or regulations that have a material effect on the Form MS-965; and any other instances that warrant the attention of those charged with governance; noncompliance with provisions of contracts or grant agreements, and abuse that has a material effect on the Form MS-965. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on whether the Form MS-965 is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on internal control over reporting on the Form MS-965 or on compliance and other matters; accordingly, we express no such opinions.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Form MS-965 will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over reporting on the Form MS-965 was for the limited purpose of expressing an opinion on whether the Form MS-965 is presented in accordance with the criteria described above and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our engagement we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As part of obtaining reasonable assurance about whether the Form MS-965 is free from material misstatement, we performed tests of the Township of Luzerne, Fayette County's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of amounts on the Form MS-965. However, providing an opinion on compliance with those provisions was not an objective of our engagement, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. However, we did note a matter that, while not required to be included in this report by *Government Auditing Standards*, has been included in the finding below:

• Documentation For Price Quotations Was Not Available For Examination.

### <u>Independent Auditor's Report (Continued)</u>

The purpose of this report is to determine whether the municipality's Liquid Fuels Tax Fund money is spent in accordance with the laws and regulations identified in the Background section of this report and the Department of Transportation's *Publication 9*. This report is not suitable for any other purpose.

We appreciate the courtesy extended by the Township of Luzerne, Fayette County, to us during the course of our examination. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

June 4, 2020

Eugene A. DePasquale Auditor General

# TOWNSHIP OF LUZERNE FAYETTE COUNTY LIQUID FUELS TAX FUND BACKGROUND FOR THE PERIOD JANUARY 1, 2018 TO DECEMBER 31, 2018

### Background

The Liquid Fuels Tax Municipal Allocation Law, Act 655 of 1956, as amended, (72 P.S. § 2615.5 et sec.), provides municipalities other than counties (townships, boroughs, cities, towns, home rule, and optional plan governments) with an annual allocation of liquid fuels taxes from the state's Motor License Fund to be used for the maintenance and repair of streets, roads, and bridges for which the municipality is responsible. The allocation of these funds to municipalities is based: (1) 50 percent on the municipality's proportion of local road mileage to the total local road mileage in the state, and (2) 50 percent on the proportion of a municipality's population to the total population in the state.

The Vehicle Code, Title 75 P.S. § 9511, provides municipalities with annual maintenance payments to be received from the Motor License Fund for functionally local highways that were transferred to a municipality from the Commonwealth of Pennsylvania.

Each municipality must deposit the allocation of Liquid Fuels Tax funds and annual maintenance payments that it receives into a special fund called either the Municipal Liquid Fuels Tax Fund or State Fund. A municipality may not deposit any other monies into this fund except when the municipality does not have enough money in the special fund to meet the payments called for by its current annual budget for road and bridge purposes. In such a case, the municipality may borrow money or transfer money from its General Fund to its Liquid Fuels Tax Fund.

The Department of Transportation has been given the regulatory authority for the administration of these funds. Department of Transportation's *Publication 9* includes the policies and procedures for the administration of Act 655, as amended, and the Liquid Fuels Tax Fund money. However, if there is a difference between *Publication 9* and any legislation, the legislation shall govern.

To qualify for the annual allocation of Liquid Fuels Tax funds, *Publication 9* indicates that each municipality shall:

- 1. Submit annual reports (MS-965, Actual Use Report, MS-965P, Project and Miscellaneous Receipts, and MS-965S, Record of Checks).
- 2. Make deposits and payments or expenditures in compliance with Act 655 of 1956, as amended. Failure to do so may result in not receiving allocations from PennDOT until all discrepancies are resolved. *Publication 9*, Section 2.6, includes information about investing Liquid Fuels Tax monies, using loan or bond proceeds, and types of receipts into the Liquid Fuels Tax Fund.

## TOWNSHIP OF LUZERNE FAYETTE COUNTY LIQUID FUELS TAX FUND BACKGROUND FOR THE PERIOD JANUARY 1, 2018 TO DECEMBER 31, 2018

### Background (Continued)

- 3. Submit the Pennsylvania Department of Community and Economic Development's (DCED) Report of Elected and Appointed Officials by January 31<sup>st</sup> and the Survey of Financial Condition By March 15<sup>th</sup>.
- 4. Ensure resolution of all Contractor Responsibility Program (CRP) holds and blocks imposed by the Department of Revenue and the Department of Labor and Industry.
- 5. Ensure resolution of all reimbursements required as a result of audits performed by the Department of the Auditor General or monitoring reviews performed by the Department of Transportation's Financial Consultants.

Equipment Balance	Reported	A	Adjustments (Note 4)	Adjusted Amount
1. Prior year equipment balance	\$ 143,416.59	\$	-	\$ 143,416.59
2. Add: Current year equipment allocation (20% of Lines 2 + 2a, Section 2)	61,506.00		-	61,506.00
3. PENNDOT approved adjustments	<u>-</u>		75,281.50	 75,281.50
4. Total funds available for equipment acquisition	204,922.59		75,281.50	280,204.09
5. Less: Major equipment expenditures	111,681.36		472.82	112,154.18
6. Remainder	 93,241.23		74,808.68	 168,049.91
7. Equipment balance available for subsequent year (Lesser of Line 6 or Section 2 balance, but not less than zero)	\$ 93,241.23	\$	74,808.68	\$ 168,049.91

Notes to Form MS-965 With Adjustments are an integral part of this report.

### 1. Criteria

### Section 1

This section of Form MS-965 With Adjustments provides a summary of Liquid Fuels Tax Fund expenditures by category. Categories requiring explanation include:

• Major equipment purchases are purchases of road machinery and road equipment with varying yearly costs in excess of the amounts indicated below:

2014	2015/2016	2017	2018
\$10,300.00	\$10,500.00	\$10,700.00	\$10,900.00

 Minor equipment purchases are purchases of road machinery and road equipment with varying yearly costs that are less than or equal to the amounts indicated below:

2014	2015/2016	2017	2018
\$10,300.00	\$10,500.00	\$10,700.00	\$10,900.00
\$10,300.00	\$10,300.00	\$10,700.00	\$10,900.00

• Agility projects are exchanges of services with the Department of Transportation.

### Section 2

This section of Form MS-965 With Adjustments provides information on the fund balance. Categories requiring explanation include:

- The state allocation is available from the Department of Transportation in March of each year. The amount the municipality receives is based half on its population and half on its road mileage.
- Municipalities that transferred roads from the Commonwealth of Pennsylvania to
  the municipality through the Highway Transfer Program receive annual turnback
  allocations in March of each year from the Department of Transportation.
  Turnback allocations are based on the mileage of the roads transferred.
- Expenditures include the total transferred from Section 1.

### 1. <u>Criteria (Continued)</u>

### Section 3

This section of Form MS-965 With Adjustments determines if the municipality expended Liquid Fuels Tax Fund money in excess of the permissible amount for equipment and the balance that the municipality may carry forward for the purchase of equipment to the subsequent year.

Department of Transportation *Publication 9* requires that the amount expended for equipment purchases in a given year not exceed the sum of the equipment balance carried forward from the previous year and 20 percent of the current year's Liquid Fuels Tax Fund allocation and, if applicable, 20 percent of the turnback allocation plus other Department of Transportation approved adjustments.

If the municipality spent in excess of the amount listed on Line 4, the excess must be reimbursed to the Liquid Fuels Tax Fund.

The equipment balance to be carried forward for the subsequent year is the lesser of the amount on Line 6 or the ending fund balance on Line 6 of Section 2, but not less than zero.

### **Basis Of Presentation**

The financial activities of the municipality are accounted for in separate funds. The Liquid Fuels Tax Fund is used to account for state aid revenues from the Pennsylvania Department of Transportation used primarily for building and improving local roads and bridges. The Form MS-965 has been prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation as a result of the Fuels Tax Act 655, dated 1956 and as amended, which does not constitute a complete presentation of the entity's assets, liabilities, expenses, and fund balance. Accordingly, the presentation of Form MS-965 With Adjustments is restricted to the Liquid Fuels Tax Fund, which represents a segment of the entity.

### **Basis Of Accounting**

The accompanying Form MS-965 With Adjustments is prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation. Under this method, revenues are recognized when received and expenditures are recorded when paid.

### 1. <u>Criteria (Continued)</u>

### General Fixed Assets

General fixed assets are recognized as expenditures at the time of purchase. No depreciation has been provided on the heavy equipment used to maintain and repair roads and bridges.

### 2. <u>Deposits</u>

The Second Class Township Code, Title 53 P.S. § 68204, authorizes the township to deposit its funds in the following:

- Deposits in savings accounts or time deposits, other than certificates of deposit or share accounts, of institutions having their principal place of business in the Commonwealth of Pennsylvania and insured by the Federal Deposit Insurance Corporation (FDIC) or other like insurance. For any amount above the insured maximum, the depository shall pledge approved collateral.
- Certificates of deposit purchased from institutions insured by the FDIC or other like
  insurance to the extent that such accounts are so insured. For any amounts in excess
  of the insured maximum, such deposits shall be collateralized by a pledge or
  assignment of assets. Certificates of deposit may not exceed 20 percent of a bank's
  total capital surplus or 20 percent of a savings and loan's or savings bank's assets
  minus liabilities.

Deposits consist of receipts and deposits in a financial institution. Pennsylvania statutes require all deposits to be insured and, for any amount above the insured maximum, to be secured with approved collateral as defined.

There were no deposits exposed to custodial credit risk as of December 31, 2018. Custodial credit risk, as defined by GASB No. 40, as amended, includes deposits that are not covered by depository insurance and the deposits are uncollateralized, collateralized with securities held by the pledging financial institution, or collateralized with securities held by the pledging financial institution's trust department or agent but not in the municipality's name.

### Fund Balance

The fund balance as of December 31, 2018, consists of the following:
--

Cash \$313,648.01

### 3. <u>Interest On Investments</u>

Our examination disclosed that the municipality deposited idle liquid fuels tax money in interest-bearing accounts which earned \$4,674.23 during 2018, thus providing additional funds for road maintenance and repairs.

### 4. Adjustments

### Section 1

Adjustments were made to "Major equipment purchases" and "Miscellaneous" because expenditures of \$472.82 were misclassified.

### Section 3

An adjustment of \$75,281.50 was made to "PENNDOT approved adjustments" because the proceeds from a loan were not reported as an approved adjustment.

An adjustment of \$472.82 was made to "Major equipment expenditures" to reflect the adjustment made to major equipment purchases in 2018 – Section 1.

### 5. Miscellaneous Receipts

On October 11, 2018, the municipality deposited \$75,281.50 into its Liquid Fuels Tax Fund that was received from a financial institution for the proceeds of a truck loan.

### 6. Lease-Purchase Agreement

On January 7, 2014, the municipality entered into a lease-purchase agreement with Real Lease Inc., to purchase a 2013 JCB backhoe for \$80,004.60, which was financed by M&T Bank. The agreement was for a term of five years at an interest rate of 5.04 percent. Principal and interest payments of \$14,984.14 are due annually. Prior years' principal and interest payments from the Liquid Fuels Tax Fund were \$65,770.50 and \$9,150.20, respectively.

During the current examination period, the municipality paid principal of \$14,234.10 and interest of \$750.04 from the Liquid Fuels Tax Fund. These amounts are reflected in major equipment purchases on the 2018 Form MS-965 - Section 1. The lease-purchase agreement was paid-in-full on November 13, 2018.

### 7. <u>Lease-Purchase Agreement</u>

On January 8, 2015, the municipality entered into a lease-purchase agreement with Real Lease Inc., to purchase a 2014 International Terrastar dump truck with plow and spreader for \$97,128.99, which was financed by M&T Bank. The agreement was for a term of five years at an interest rate of 4.38 percent. Principal and interest payments of \$21,416.22 are due annually. Prior years' principal and interest payments from the Liquid Fuels Tax Fund were \$57,171.69 and \$7,076.97, respectively.

During the current examination period, the municipality paid principal of \$19,674.02 and interest of \$1,742.20 from the Liquid Fuels Tax Fund. These amounts are reflected in major equipment purchases on the 2018 Form MS-965 - Section 1. The outstanding balance of the lease-purchase agreement as of December 31, 2018, was \$20,283.28, plus interest.

### 8. Lease-Purchase Agreement

On October 11, 2018, the municipality entered into a lease-purchase agreement with First National Bank to purchase a 2018 F-550 Ford dump truck for \$75,419.00. The agreement was for a term of five years at an interest rate of 3.70 percent. Principal payments of \$15,083.80 are due annually and interest payments are due monthly.

During the current examination period, the municipality paid interest of \$472.82 from the Liquid Fuels Tax Fund. This amount is reflected in major equipment purchases on the 2018 Form MS-965 - Section 1. The outstanding balance of the lease-purchase agreement as of December 31, 2018, was \$75,419.00, plus interest.

### TOWNSHIP OF LUZERNE FAYETTE COUNTY LIQUID FUELS TAX FUND FINDING AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2018 TO DECEMBER 31, 2018

### Finding - Documentation For Price Quotations Was Not Available For Examination

Our examination disclosed that the township expended \$13,103.00 during 2018 from the Liquid Fuels Tax Fund for the purchases of crack sealer and accompanying equipment rental. The township was required to obtain three written or telephonic price quotations for these expenditures. However, documentation for price quotations was not available for examination. The crack sealer and equipment rental purchases were as follows:

Invoice <u>Number</u>	Invoice <u>Date</u>	Check <u>Number</u>	Check <u>Date</u>	Amount
34448	05-11-18	1027	06-14-18	\$ 4,849.00
34600	06-04-18	1027	06-14-18	189.00
34635	06-08-18	1027	06-14-18	1,700.00
35273	08-15-18	1044	10-12-18	4,665.00
35662	09-28-18	1044	10-12-18	1,700.00
Total				\$13,103.00

The above expenditures were not made in compliance with the contract requirements of *The Second Class Township Code*, 53 P.S. § 68102(b), (also found at § 3102(b) of *The Second Class Township Code* as published by the Local Government Commission), which states, in part:

Written or telephonic price quotations from at least three qualified and responsible contractors shall be requested for all contracts [during 2012] that exceed ten thousand dollars (\$10,000.00) but are less than the amount [in excess of \$18,500.00] requiring advertisement and competitive bidding or, in lieu of price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors exist in the market area within which it is practicable to obtain quotations. A written record of telephonic price quotations shall be made and shall contain at least the date of the quotation, the name of the contractor and the contractor's representative, the construction, reconstruction, repair, maintenance or work which was the subject of the quotation and the price. Written price quotations, written records of telephonic price quotations and memoranda shall be retained for a period of three years.

### TOWNSHIP OF LUZERNE FAYETTE COUNTY LIQUID FUELS TAX FUND FINDING AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2018 TO DECEMBER 31, 2018

### <u>Finding - Documentation For Price Quotations Was Not Available For Examination (Continued)</u>

The thresholds for obtaining price quotations increased to purchases between \$10,900.00 and \$20,100.00 for 2018, \$11,100.00 and \$20,600.00 for 2019, and \$11,300.00 and \$21,000.00 for 2020.

The failure to comply with *The Second Class Township Code* could result in the township having to reimburse \$13,103.00 to its Liquid Fuels Tax Fund.

### Recommendations

We recommend that the township reimburse \$13,103.00 to its Liquid Fuels Tax Fund upon official notification by the Department of Transportation.

We further recommend that, in the future, the township complies with *The Second Class Township Code* as noted in this finding.

### Management's Response

The township solicitor stated:

The supervisors recognize that their rental of crack sealing machine exceeded the statutory threshold and thus required the obtaining of three quotations, if possible and practicable.

Since the crack sealing machine is a very specialized piece of equipment, the supervisors believe that it would have been impossible to obtain any other quotes from a vendor in the general area. This belief was also supported by the input from other township supervisors in the area. In addition, based upon prior experience, the supervisors believe that the amount charged by the vendor is fair and reasonable under the circumstances.

### **Auditor's Conclusion**

The municipality officials were required by *The Second Class Township Code* to obtain three written or telephonic price quotations. The Department of Transportation will determine if the municipality should reimburse \$13,103.00 to its Liquid Fuels Tax Fund. During our next examination, we will determine if the municipality complied with our recommendations.

# TOWNSHIP OF LUZERNE FAYETTE COUNTY LIQUID FUELS TAX FUND SUMMARY OF EXIT CONFERENCE FOR THE PERIOD JANUARY 1, 2018 TO DECEMBER 31, 2018

An exit conference was held February 19, 2020. Those participating were:

### **TOWNSHIP OF LUZERNE**

The Honorable Gregg P. Downer, Supervisor/Secretary/Treasurer

### **DEPARTMENT OF THE AUDITOR GENERAL**

Mrs. Michele Simpson, Auditor

The results of the examination were presented and discussed in their entirety.
