TIMOTHY L. DEFOOR
AUDITOR GENERAL

Independent Auditor's Report

Michael Carroll
Acting Secretary
Department of Transportation
Harrisburg, PA 17120

We examined the accompanying Forms MS-965 With Adjustments for the Liquid Fuels Tax Fund of the Borough of Mill Creek, Huntingdon County, for the period January 1, 2020 to December 31, 2021. The municipality's management is responsible for presenting the Forms MS-965 in accordance with the criteria described in the Background section of this report and the Department of Transportation's *Publication 9*. Our responsibility is to express an opinion on the Forms MS-965 With Adjustments based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Forms MS-965 are presented in accordance with the criteria described above, in all material respects. An examination involves performing procedures to obtain evidence about the Forms MS-965. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Forms MS-965, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Independent Auditor's Report

As discussed in the Finding And Recommendations and Summary Of Prior Examinations' Recommendations sections of this report:

- The 2020 and 2021 Liquid Fuels Tax Fund allocations of \$11,823.49 and \$11,449.89, respectively, were not received until June 27, 2022, and July 12, 2022, respectively, which was subsequent to our examination period. In addition, the Commonwealth of Pennsylvania electronically deposited the 2020 and 2021 allocations into the municipality's General Fund on June 27, 2022 and July 12, 2022, respectively. These amounts were transferred to the municipality's Liquid Fuels Tax Fund on September 15, 2022 and August 8, 2022, respectively.
- As a result of findings in our 2016-2017 report and our 2018-2019 report, the Department of Transportation determined that the municipality was required to reimburse \$26,917.50 to its Liquid Fuels Tax Fund. As of December 31, 2021, the municipality had reimbursed \$17,945.00 to its Liquid Fuels Tax Fund. The municipality reimbursed the remaining \$8,972.50 to its Liquid Fuels Tax Fund during 2022, which was subsequent to our examination period.

In our opinion, except for the bulleted matters discussed above, the Forms MS-965 With Adjustments present, in all material respects, the information required by the Pennsylvania Department of Transportation for the Liquid Fuels Tax Fund of the Borough of Mill Creek, Huntingdon County, for the period January 1, 2020 to December 31, 2021, in accordance with the criteria described in the Background section of this report and the Department of Transportation's *Publication 9*.

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud and noncompliance with provisions of laws or regulations that have a material effect on the Forms MS-965; and any other instances that warrant the attention of those charged with governance; noncompliance with provisions of contracts or grant agreements, and abuse that has a material effect on the Forms MS-965. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on whether the Forms MS-965 are presented in accordance with the criteria described above and not for the purpose of expressing an opinion on internal control over reporting on the Forms MS-965 or on compliance and other matters; accordingly, we express no such opinions.

Independent Auditor's Report (Continued)

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Forms MS-965 will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

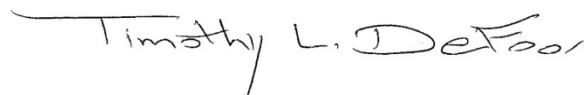

Our consideration of internal control over reporting on the Forms MS-965 was for the limited purpose of expressing an opinion on whether the Forms MS-965 are presented in accordance with the criteria described above and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our engagement we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As part of obtaining reasonable assurance about whether the Forms MS-965 are free from material misstatement, we performed tests of the Borough of Mill Creek, Huntingdon County's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of amounts on the Forms MS-965. However, providing an opinion on compliance with those provisions was not an objective of our engagement, and accordingly, we do not express such an opinion. The results of our tests disclosed the following instance of noncompliance that is required to be reported under *Government Auditing Standards*:

- Late Receipt Of Allocations And Allocations Deposited Into The General Fund.

The purpose of this report is to determine whether the municipality's Liquid Fuels Tax Fund money is spent in accordance with the laws and regulations identified in the Background section of this report and the Department of Transportation's *Publication 9*. This report is not suitable for any other purpose.

We appreciate the courtesy extended by the Borough of Mill Creek, Huntingdon County, to us during the course of our examination. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
BACKGROUND
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Background

The Liquid Fuels Tax Municipal Allocation Law, Act 655 of 1956, as amended, see also 72 P.S. § 2615.5, et sec., provides municipalities other than counties (i.e., townships, boroughs, cities, towns, home rule, and optional plan governments) with an annual allocation of liquid fuels taxes from the state's Motor License Fund to be used for the maintenance and repair of streets, roads, and bridges for which the municipality is responsible. The allocation of these funds to municipalities is based upon: (1) 50 percent on the municipality's proportion of local road mileage to the total local road mileage in the state; and (2) 50 percent on the proportion of a municipality's population to the total population in the state.

Title 75 Pa.C.S. § 9511 of the Pennsylvania Vehicle Code provides municipalities with annual maintenance payments to be received from the Motor License Fund for functionally local highways that were transferred to a municipality from the Commonwealth of Pennsylvania.

Each municipality must deposit the allocation of Liquid Fuels Tax funds and annual maintenance payments that it receives into a special fund called either the Municipal Liquid Fuels Tax Fund or State Fund. A municipality may not deposit any other monies into this fund except when the municipality does not have enough money in the special fund to meet the payments called for by its current annual budget for road and bridge purposes. In such a case, the municipality may borrow money or transfer money from its General Fund to its Liquid Fuels Tax Fund.

The Department of Transportation has been given the regulatory authority for the administration of these funds. Department of Transportation's *Publication 9* includes the policies and procedures for the administration of Act 655, as amended, and the Liquid Fuels Tax Fund money. However, if there is a difference between *Publication 9* and any legislation, the legislation shall govern.

To qualify for the annual allocation of Liquid Fuels Tax funds, *Publication 9* indicates that each municipality shall:

1. Submit annual reports (MS-965, Actual Use Report, MS-965P, Project and Miscellaneous Receipts, and MS-965S, Record of Checks).
2. Make deposits and payments or expenditures in compliance with Act 655 of 1956, as amended. Failure to do so may result in not receiving allocations from PennDOT until all discrepancies are resolved. *Publication 9*, Section 2.6, includes information about investing Liquid Fuels Tax monies, using loan or bond proceeds, and types of receipts into the Liquid Fuels Tax Fund.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
BACKGROUND
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Background (Continued)

3. Submit the Pennsylvania Department of Community and Economic Development’s (DCED) Report of Elected and Appointed Officials by January 31st and the Survey of Financial Condition By March 15th.
4. Ensure resolution of all Contractor Responsibility Program (CRP) holds and blocks imposed by the Department of Revenue and the Department of Labor and Industry.
5. Ensure resolution of all reimbursements required as a result of audits performed by the Department of the Auditor General or monitoring reviews performed by the Department of Transportation’s Financial Consultants.

Criteria

The criteria for the Form MS-965 With Adjustment are described below.

Section 1 of Form MS-965 With Adjustments provides a summary of Liquid Fuels Tax Fund expenditures by category. Categories requiring explanation include:

- Major equipment purchases are purchases of road machinery and road equipment with varying yearly costs in excess of the amounts indicated below:

2018	2019	2020	2021
\$10,900.00	\$11,100.00	\$11,300.00	\$11,500.00

- Minor equipment purchases are purchases of road machinery and road equipment with varying yearly costs that are less than or equal to the amounts indicated below:

2018	2019	2020	2021
\$10,900.00	\$11,100.00	\$11,300.00	\$11,500.00

- Agility projects are exchanges of services with the Department of Transportation.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
BACKGROUND
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Background (Continued)

Section 2 of Form MS-965 With Adjustments provides information on the fund balance. Categories requiring explanation include:

- The state allocation is available from the Department of Transportation in March of each year. The amount the municipality receives is based half on its population and half on its road mileage.
- Municipalities that transferred roads from the Commonwealth of Pennsylvania to the municipality through the Highway Transfer Program receive annual turnback allocations in March of each year from the Department of Transportation. Turnback allocations are based on the mileage of the roads transferred.
- Expenditures include the total transferred from Section 1.

Section 3 of Form MS-965 With Adjustments determines if the municipality expended Liquid Fuels Tax Fund money in excess of the permissible amount for equipment and the balance that the municipality may carry forward for the purchase of equipment to the subsequent year.

Department of Transportation *Publication 9* requires that the amount expended for equipment purchases in a given year not exceed the sum of the equipment balance carried forward from the previous year and 20 percent of the current year's Liquid Fuels Tax Fund allocation and, if applicable, 20 percent of the turnback allocation plus other Department of Transportation approved adjustments.

If the municipality spent in excess of the amount listed on Line 4, the excess must be reimbursed to the Liquid Fuels Tax Fund.

The equipment balance to be carried forward for the subsequent year is the lesser of the amount on Line 6 or the ending fund balance on Line 6 of Section 2, but not less than zero.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
BACKGROUND
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Background (Continued)

Basis of Presentation

The financial activities of the municipality are accounted for in separate funds. The Liquid Fuels Tax Fund is used to account for state aid revenues from the Pennsylvania Department of Transportation used primarily for building and improving local roads and bridges. The Form MS-965 has been prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation as a result of the Fuels Tax Act 655, dated 1956 and as amended, which does not constitute a complete presentation of the entity's assets, liabilities, expenses, and fund balance. Accordingly, the presentation of Form MS-965 With Adjustments is restricted to the Liquid Fuels Tax Fund, which represents a segment of the entity.

Basis Of Accounting

The accompanying Form MS-965 With Adjustments is prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Transportation. Under this method, revenues are recognized when received and expenditures are recorded when paid.

General Fixed Assets

General fixed assets are recognized as expenditures at the time of purchase. No depreciation has been provided on the heavy equipment used to maintain and repair roads and bridges.

LIQUID FUELS TAX FUND
AUDITOR DESCRIPTION OF SELECT TRANSACTIONS
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

The following information relates to certain types of transactions for which the Pennsylvania Department of Transportation requested that we provide additional detail:

Miscellaneous Receipts

During 2020, the municipality deposited \$13,458.75 into its Liquid Fuels Tax Fund that was received from the General Fund for the reimbursement of prior examinations' findings.

Miscellaneous Expenditures

On December 31, 2021, the municipality's Liquid Fuels Tax Fund incurred a bank service charge of \$10.00.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
FINDING AND RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Finding - Late Receipt Of Allocations And Allocations Deposited Into The General Fund

Our examination disclosed that the 2020 and 2021 Liquid Fuels Tax Fund allocations of \$11,823.49 and \$11,449.89, respectively, which should have been distributed from the Department of Transportation to the municipality during the first week of March of each year, were not received until June 27, 2022, and July 12, 2022, respectively, which was subsequent to our examination period, because the municipality failed to comply with the Department of Transportation's *Publication 9*, Chapter Two, Section 2.4, which states:

To qualify for the annual liquid fuels tax allocation, a municipality shall:

- Submit annual reports (MS-965, Actual Use Report, MS-965P, Project and Miscellaneous Receipts, and MS-965S, Record of Checks).
- Make deposits and payments or expenditures in compliance with the Act 655. Failure to do so may result in not receiving allocations from PENNDOT until all discrepancies are resolved.
- Submit the Pennsylvania Department of Community and Economic Development's (DCED) Report of Elected and Appointed Officials by January 31st and the Survey of Financial Condition by March 15th.
- Ensure resolution of all Contractor Responsibility Program (CRP) holds and blocks imposed by the Department of Revenue and the Department of Labor and Industry.
- Ensure resolution of all reimbursements required as a result of audits performed by the Department of the Auditor General or monitoring reviews performed by the Department of Transportation's Financial Consultants.

Additionally, the Commonwealth of Pennsylvania electronically deposited the 2020 and 2021 allocations into the municipality's General Fund on June 27, 2022 and July 12, 2022, respectively. The 2020 and 2021 allocations were transferred to the municipality's Liquid Fuels Tax Fund on September 15, 2022 and August 8, 2022, respectively.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
FINDING AND RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Finding - Late Receipt Of Allocations And Allocations Deposited Into The General Fund
(Continued)

The practice of depositing liquid fuels money into any account other than the Liquid Fuels Tax Fund account is contrary to the Act of June 1, 1956, P.L. (1955) 1944, 72 P.S. § 2615.5, known as the Liquid Fuels Tax Municipal Allocation Law, which states:

. . . each city, borough, town and township, shall . . . Establish and maintain a special fund into which the moneys [liquid fuels tax funds] . . . shall be deposited and into which no other moneys may be deposited or commingled . . .

Because the municipality failed to file documents and information timely, the municipality did not have use of the 2020 allocation for more than two years and the 2021 allocation for more than one year. Furthermore, had the allocations been received timely, money may have been available for investment purposes, potentially earning interest income which could have been used for road maintenance and repairs. Also, the risk that Liquid Fuels Tax Fund money may be used for unauthorized purposes increases when liquid fuels money is commingled with other funds.

We were unable to determine why the allocations were electronically transferred into the General Fund.

Recommendations

We recommend that, in the future, the municipality complies with the Department of Transportation's *Publication 9* to ensure that the allocations are received during the first week in March as outlined above.

We further recommend that the municipality ensure that the Commonwealth of Pennsylvania has been provided the correct account number so that future liquid fuels tax allocations are electronically deposited into the Liquid Fuels Tax Fund.

Management's Response

The Secretary/Treasurer stated:

The prior secretary informed me of the error. The error was corrected in 2022.

Auditor's Conclusion

During our next examination, we will determine if the municipality complied with our recommendations.

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
SUMMARY OF PRIOR EXAMINATIONS' RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Summary Of 2016-2017 Examination Recommendations

In our 2016-2017 report, we recommended that the Department of Transportation review our examination finding to determine if the municipality should reimburse \$15,917.50 to its Liquid Fuels Tax Fund for failing to obtain project approval and for failing to maintain documentation for price quotations.

During our 2018-2019 examination, we reviewed a letter dated April 26, 2019, from the Department of Transportation directing the municipality to reimburse \$26,917.50 to its Liquid Fuels Tax Fund. This amount includes the \$15,917.50 plus a 2018-2019 examination finding of \$11,000.00 (see Summary Of 2018-2019 Examination Recommendations).

Summary Of 2018-2019 Examination Recommendations

Our 2018-2019 examination disclosed that the municipality expended \$11,000.00 during 2018 from the Liquid Fuels Tax Fund for traffic signal repairs without maintaining documentation for price quotations. As stated above the Department of Transportation had already requested this amount to be reimbursed to the municipality's Liquid Fuels Tax Fund in conjunction with the reimbursement of a 2016-2017 examination finding for \$15,917.50. The municipality agreed to a payment plan with the Department of Transportation for these funds as follows:

The Department of Transportation and the municipality reached an agreement on a payment plan for the municipality to repay \$26,917.50 to its Liquid Fuels Tax Fund as follows:

<u>Date Due</u>	<u>Amount</u>	<u>Date Paid</u>
06/01/19	\$ 4,486.25	05/31/19
12/01/19	4,486.25	03/09/20
06/01/20	4,486.25	06/03/20
12/01/20	4,486.25	12/09/20
06/01/21	4,486.25	05/20/22
12/01/21	<u>4,486.25</u>	05/20/22
Total	<u>\$26,917.50</u>	

BOROUGH OF MILL CREEK
HUNTINGDON COUNTY
LIQUID FUELS TAX FUND
SUMMARY OF PRIOR EXAMINATIONS RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2020 TO DECEMBER 31, 2021

Summary Of 2018-2019 Examination Recommendations (Continued)

In our prior report we recommended that the municipality comply with *The Borough Code* by obtaining price quotations for all purchases between \$10,900.00 and \$20,100.00. The thresholds for obtaining price quotations increased to purchases between \$11,300.00 and \$21,000.00 for 2020, \$11,500.00 and \$21,300.00 for 2021, \$11,800 to \$21,900 for 2022, and \$12,200.00 and \$22,500.00 for 2023.

During our current examination, we noted that the borough did not expend any Liquid Fuels Tax Fund money during the examination period for items that required price quotations.
