Independent Auditor's Report

Mr. C. Daniel Hassell Acting Secretary Pennsylvania Department of Revenue Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of the Prothonotary, Carbon County, Pennsylvania (County Officer), for the period January 1, 2005 to December 31, 2007, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S § 401(b) and § 401(d). This Statement is the responsibility of the county office's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Sections 401(b) and 401(d) of *The Fiscal Code* to audit the accounts of each county officer to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Sections 401(b) and 401(d) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the County Officer as it pertains to receipts made on behalf of the Commonwealth for the period ended December 31, 2007, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the County Officer's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the County Officer's Statement that is more than inconsequential will not be prevented or detected by the County Officer's internal control.

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statement will not be prevented or detected by the County Officer's internal control.

Our consideration of internal control over reporting on the Statement was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any significant deficiencies or material weaknesses, as defined above, in internal control over reporting on the Statement.

Independent Auditor's Report (Continued)

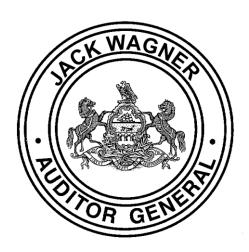

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. However, we did note an other matter that, while not required to be included in this report by *Government Auditing Standards*, has been included in the finding below:

• Improper Assessment Of Divorce Complaint Surcharge.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the County Officer and is not intended to be and should not be used by anyone other than these specified parties.

PROTHONOTARY CARBON COUNTY NOTES TO THE STATEMENT OF RECEIPTS AND DISBURSEMENTS FOR THE PERIOD JANUARY 1, 2005 TO DECEMBER 31, 2007

1. <u>Criteria</u>

The Statement of Receipts and Disbursements provides a summary of receipts and disbursements by category. The categories and the amounts of taxes, surcharges, fines, and fees assessed are based on Pennsylvania laws and regulations.

The Statement was prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. <u>Receipts</u>

Receipts consist of monies collected on behalf of the Department of Revenue and the Administrative Office of Pennsylvania Courts. These include monies collected for the following taxes, surcharges, fees, and fines:

- Writ Taxes represent a \$.50 or \$.25 tax imposed on taxable instruments filed with the Prothonotary.
- Divorce Complaint Surcharges represent a \$10 surcharge imposed on all divorce decrees.
- Judicial Computer System/Access To Justice Fees represent a \$10 fee imposed for the filing of any legal paper to initiate a civil action or proceeding.
- Protection From Abuse Surcharges represent a \$25 surcharge imposed against defendants when a protection order is granted as a result of a hearing. Effective May 9, 2006, the surcharge was increased to \$100. Protection From Abuse Contempt Fines represent fines of not less than \$100 nor more than \$1,000 imposed against a defendant who is found to be in violation of a protection from abuse order. Effective May 9, 2006, the fine was increased to a minimum of \$300 and maximum of \$1000.

2. <u>Receipts (Continued)</u>

• Criminal Charge Information System Fees represent a fee imposed on all custody cases. Of the fee imposed, 80% is payable to the Administrative Office of Pennsylvania Courts (AOPC) and 20% is payable to the County in which the action took place. The fee was \$6.00 for the period January 1, 2005 to December 31, 2005, \$6.50 for the period January 1, 2006 to December 31, 2007. The statement of receipts and disbursements only reflects the portion collected on behalf of the AOPC.

3. <u>Commissions</u>

Acting in the capacity of an agent for the Commonwealth, the Prothonotary is authorized to collect a commission of 3 percent on the Commonwealth portion of Writ Taxes. Accordingly, commissions owed the county are not included in the balance due the Commonwealth.

4. <u>Disbursements</u>

Total disbursements are comprised as follows:

Prothonotary checks issued to:

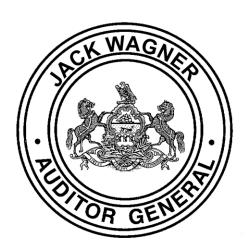

Department of Revenue	\$ 69,486
Adminstrative Office of Pennsylvania Courts	 1,922
Total	\$ 71,408

5. <u>Balance Due Commonwealth (County) For The Period January 1, 2005 To</u> December 31, 2007

This balance reflects a summary of monthly transmittal reports as settled by the Department of Revenue. The balance also reflects a summary of receipts disbursed directly to the Administrative Office of Pennsylvania Courts. It does not reflect adjustments disclosed by our examination. Refer to Finding on page nine.

6. <u>County Officer Serving During Examination Period</u>

Joann M. Behrens served as Prothonotary during the period January 1, 2005 to December 31, 2007.

PROTHONOTARY CARBON COUNTY FINDING AND RECOMMENDATIONS FOR THE PERIOD JANUARY 1, 2005 TO DECEMBER 31, 2007

Finding - Improper Assessment Of Divorce Complaint Surcharge

Our examination disclosed that the office did not assess the Divorce Complaint Surcharge (Surcharge) as mandated by law. The Children's Trust Fund Act, Act 151 of 1988, imposed a \$10 surcharge on all divorce decrees.

We noted that divorce cases were assessed \$20 for the Surcharge during the examination period. There were 571 divorce cases in which the Surcharge was over assessed and remitted to the Department of Revenue during the examination period, resulting in a total overpayment of \$5,710. See page five of this report.

This condition occurred because the Prothonotary increased the Surcharge amount by \$10 due to a pending house bill. The Prothonotary mistakenly thought that the bill had already passed.

The improper assessing of this Surcharge resulted in the petitioner not being assessed the proper amount and in overpayments to the Department of Revenue.

Recommendations

We recommend that the Prothonotary ensure that the surcharge is assessed in accordance with The Children's Trust Fund Act, Act 151 of 1988. We further recommend that the Prothonotary take action to reimburse these overpayments to the petitioners.

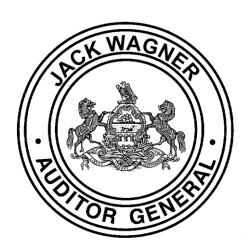

Management's Response

The Prothonotary responded as follows:

I was fully aware of the finding in this report. I discovered we were incorrectly collecting divorce surcharges. I immediately corrected the collection amount and notified the Carbon County Commissioners' and Controller and State Auditor.

Auditor's Conclusion

We will determine if the Prothonotary complied with our recommendation during our next examination.
