Independent Auditor's Report

The Honorable C. Daniel Hassell
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statements of receipts and disbursements (Statements) of the Recorder of Deeds, Cambria County, Pennsylvania (County Officer), for the period January 1, 2006 to December 31, 2009, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S. § 401(b) and § 401(d). These Statements are the responsibility of the county office's management. Our responsibility is to express an opinion on these Statements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Sections 401(b) and 401(d) of *The Fiscal Code* to audit the accounts of each county officer to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Sections 401(b) and 401(d) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statements referred to above present, in all material respects, the operations of the County Officer as it pertains to receipts made on behalf of the Commonwealth for the period ended December 31, 2009, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statements and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statements are presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statements or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the County Officer's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the County Officer's Statements that is more than inconsequential will not be prevented or detected by the County Officer's internal control. We consider the deficiency described in the finding below to be a significant deficiency in internal control over the reporting on the Statements:

- Inadequate Accountability Over Funds Held In Escrow.

Independent Auditor's Report (Continued)

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statements will not be prevented or detected by the County Officer's internal control. Our consideration of the internal control over reporting on the Statements would not necessarily disclose all matters in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. We consider the significant deficiency described above to be a material weakness.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the County Officer and is not intended to be and should not be used by anyone other than these specified parties.

RECORDER OF DEEDS
CAMBRIA COUNTY
NOTES TO THE STATEMENTS OF RECEIPTS AND DISBURSEMENTS
FOR THE PERIOD
JANUARY 1, 2006 TO DECEMBER 31, 2009

1. Criteria

The Statements of Receipts and Disbursements provide a summary of receipts and disbursements by category. The categories and the amounts of taxes and fees assessed are based on Pennsylvania laws and regulations.

The Statements were prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. Receipts

Receipts consist of monies collected on behalf of the Commonwealth. These include monies collected for the following taxes and fees:

- The Pennsylvania Realty Transfer Tax is a documentary stamp tax of 1 percent on the value of the interest in real property transferred by deed.
- Writ Taxes represent a \$.50 tax imposed on various types of documents and a \$10 tax on notary public commissions processed through the office.
- Judicial Computer System/Access To Justice Fees represent a \$10 fee imposed for each filing of deeds in any form, mortgages, mortgage assignments, mortgage releases, mortgage satisfaction pieces, installment sales agreements, leases for a term of 30 years or longer, and easements.

3. Commissions

Acting in the capacity of an agent for the Commonwealth, the Recorder of Deeds is authorized to collect a commission on the Commonwealth portion of taxes as follows:

<u>Tax</u>	<u>Commission</u>
Realty Transfer	1%
Writ	3%

Realty Transfer Taxes

The Recorder of Deeds participates in the Department of Revenue's cash management system for Realty Transfer Taxes. Under this system, the "Agent" deposits Realty Transfer Tax collections to a local account approved and established in the name of the Department of Revenue, thereby eliminating the need for the agent to issue a check to disburse these taxes.

Total disbursements are comprised as follows:

Deposits into the Department of Revenue's cash management account	<u>\$ 8,175,810</u>
--	---------------------

Writ Taxes And Judicial Computer System/Access To Justice Fees

Total disbursements are comprised as follows:

Recorder of Deeds checks issued to:

Department of Revenue	<u>\$ 755,082</u>
-----------------------	-------------------

5. Balance Due Commonwealth (County) For The Period January 1, 2006 To December 31, 2009

This balance reflects a summary of monthly transmittal reports as settled by the Department of Revenue.

6. County Officer Serving During Examination Period

Andrea Fedore Sims served as Recorder of Deeds during the period January 1, 2006 to December 31, 2009.

RECORDER OF DEEDS
CAMBRIA COUNTY
FINDING AND RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2006 TO DECEMBER 31, 2009

Finding - Inadequate Accountability Over Funds Held In Escrow

Our examination disclosed that there was no accountability over undisbursed funds. There was an adjusted bank balance of \$275,499 as of December 31, 2009 without a corresponding liabilities report indicating to whom the monies were due.

Good internal accounting control procedures ensure that a complete listing of liabilities be maintained. Additionally, the ending adjusted bank balance should be reconciled with the list of liabilities on a monthly basis and any discrepancies should be immediately investigated and resolved. Since the office bank account is essentially an escrow account on behalf of the Commonwealth, County, and other participating entities, all available funds on hand should equal unpaid obligations.

This condition existed because the office failed to establish and implement an adequate system of internal controls over funds held in escrow.

Without a good system of internal controls over funds held in escrow, the possibility of funds being lost or misappropriated increases significantly.

Recommendations

We recommend that the office attempt to identify all existing liabilities associated with the office bank account and take appropriate action. Any unidentified funds should be accounted for under normal escheat procedures. Furthermore, we recommend that the office should ensure that reconciled cash equals unpaid obligations monthly.

Management's Response

No formal response was offered at this time.
