Independent Auditor's Report

The Honorable Steven H. Stetler
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statements of receipts and disbursements (Statements) of the Register of Wills/Clerk of Orphans' Court, Schuylkill County, Pennsylvania (County Officer), for the period January 1, 2005 to December 31, 2007, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S. § 401(b) and § 401(d). These Statements are the responsibility of the county office's management. Our responsibility is to express an opinion on these Statements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Sections 401(b) and 401(d) of *The Fiscal Code* to audit the accounts of each county officer to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Sections 401(b) and 401(d) of *The Fiscal Code*.

In our opinion, the Statements referred to above present, in all material respects, the operations of the County Officer as it pertains to receipts made on behalf of the Commonwealth for the period ended December 31, 2007, in conformity with the criteria set forth in Note 1.

Independent Auditor's Report (Continued)

In accordance with *Government Auditing Standards*, we are required to report findings of significant deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statements and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statements are presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over reporting on the Statements or on compliance and other matters; accordingly, we express no such opinions.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the County Officer's ability to initiate, authorize, record, process, or report data reliably in accordance with the applicable criteria such that there is more than a remote likelihood that a misstatement of the County Officer's Statements that is more than inconsequential will not be prevented or detected by the County Officer's internal control. We consider the deficiency described in the finding below to be a significant deficiency in internal control over the reporting on the Statements:

- Bank Deposit Slips Were Not Always Validated.

A material weakness is a significant deficiency or combination of significant deficiencies that results in more than a remote likelihood that a material misstatement of the Statements will not be prevented or detected by the County Officer's internal control. Our consideration of the internal control over reporting on the Statements would not necessarily disclose all matters in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. We consider the significant deficiency described above to be a material weakness.

Independent Auditor's Report (Continued)

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the County Officer and is not intended to be and should not be used by anyone other than these specified parties.

FOR THE PERIOD

1. Criteria

The Statements of Receipts and Disbursements provide a summary of receipts and disbursements by category. The categories and the amounts of taxes, fees, and surcharges assessed are based on Pennsylvania laws and regulations.

The Statements were prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. Receipts

Register Of Wills

Receipts consist of monies collected on behalf of the Commonwealth. These include monies collected for the following taxes and fees:

- Inheritance Taxes represent inheritance taxes filed with the Register of Wills.
- Miscellaneous Fees represent collections for liens and citation filing fees.
- Judicial Computer System/Access To Justice Fees represent a \$10 fee imposed for the initiation of any civil action or legal proceeding, including the filing of petitions for grants of letters, and first filing in petitions concerning adoptions, incompetents' estates, minors' estates, and inter vivos trusts.

For the purpose of reporting the collection of Judicial Computer System/Access To Justice Fees to the Department of Revenue, the office combined the Register of Wills and Clerk of Orphans' Court collections and reported them on the Clerk of Orphans' Court's monthly report. Therefore, the amount reported on the Clerk of Orphans' Court's statement of receipts and disbursements includes the fees collected for the office of the Register of Wills.

- The Marriage License Tax is a \$.50 tax on all marriage licenses filed with the Clerk of Orphans' Court.
- The Marriage License Application Surcharge is a \$10 surcharge imposed on all marriage license applications.
- The Marriage License Declaration Fees is a \$13 fee imposed for the issuance of a marriage license or declaration and for returns thereof to the Department of Health, \$2.50 of which shall be for the use of the county where the license is issued, and \$.50 for the use of the Commonwealth (Marriage License Tax), plus \$10 (Marriage License/Declaration Fees). The statement of receipts and disbursements only reflects the portion collected on behalf of the Commonwealth.
- Judicial Computer System/Access To Justice Fees represent a \$10 fee imposed on all petitions for grant of letters, and first filings in petitions concerning adoptions, incompetents' estates, minors' estates, and inter vivos trusts.

3. Commissions

Acting in the capacity of an agent for the Commonwealth, the county office is paid a commission for collection of Inheritance Taxes. Effective January 1, 1988, the commission rate is 4.25 percent of \$1.00 to \$200,000.00 collected; 1.75 percent of \$200,000.01 to \$1,000,000.00 collected; and .5 percent of all collections in excess of \$1,000,000.00. During the period under review, the County was paid \$ 194,275 by the Department of Revenue which is not reflected in the statement of receipts and disbursements.

4. Disbursements And Credits To Commonwealth

Register Of Wills

Inheritance Taxes

The Register of Wills participates in the Department of Revenue's cash management system for Inheritance Taxes. Under this system, the "Agent" deposits Inheritance Tax collections to a local account approved and established in the name of the Department of Revenue, thereby eliminating the need for the agent to issue a check to disburse these taxes.

Total disbursements and credits are comprised as follows:

Deposits into the Department of Revenue's cash management account	\$ 28,356,848
Credits issued by the Department of Revenue	<u>31</u>
Total	<u><u>\$ 28,356,879</u></u>

FINDING AND RECOMMENDATION
FOR THE PERIOD
JANUARY 1, 2005 TO DECEMBER 31, 2007

Finding - Bank Deposit Slips Were Not Validated

Our review of the County Officer's accounting records disclosed that the office copy of the bank deposit slip was not validated by the bank. The office received a validated receipt from the bank, but this only confirmed the total amount deposited and not the actual make up of the deposit (i.e. cash and check mix).

The County Officer was not aware of the potential internal control weaknesses caused by not having a validated deposit slip.

Good internal accounting controls require that the deposit slip should identify each check and the total amount of cash deposited. The office copy of each deposit should be brought to the bank to be validated.

The failure to follow these procedures leads to a lack of internal control over bank accounts and could increase the potential for misappropriation.

Recommendation

We recommend that the County Officer secure the bank's validation on the office's copy of the deposit slip.

Management's Response

No formal response was offered at this time.
