Mr. Joseph Granteed, President  
WEST WYOMING NO. 1 VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Luzerne County

We have conducted a compliance audit of the West Wyoming No. 1 Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2010 to December 31, 2012.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the West Wyoming No. 1 Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objective, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the West Wyoming No. 1 Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the West Wyoming No. 1 Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2012, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit, for the period January 1, 2010 to December 31, 2012, found the West Wyoming No. 1 Volunteer Firefighters' Relief Association, in all significant respects, received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed later in this report.

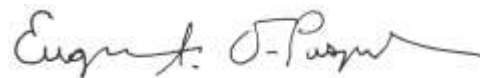

Finding – Insufficient Surety (Fidelity) Bond Coverage

The results of our tests also indicated the West Wyoming No. 1 Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2012, had a cash balance of \$33,195 and an investment balance with a fair value of \$23,290.

However, scope limitations on our audit exist, as detailed in the Observations section of this report.

The contents of this report were discussed with the management of the West Wyoming No. 1 Volunteer Firefighters' Relief Association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Eugene A. DePasquale  
Auditor General

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The West Wyoming Hose Co. No. 1 Firemen's Relief Association, herein referred to as the West Wyoming No. 1 Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

**BACKGROUND – (Continued)**

The West Wyoming No. 1 Volunteer Firefighters’ Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2010</u>	<u>2011</u>	<u>2012</u>
West Wyoming Borough	Luzerne	\$ 8,328	\$ 12,785	\$ 7,238

The volunteer firefighters’ relief association and the affiliated fire service organization are separate, legal entities. The West Wyoming No. 1 Volunteer Firefighters’ Relief Association is affiliated with the following fire service organization:

West Wyoming Hose Company No. 1

WEST WYOMING NO. 1 VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – Insufficient Surety (Fidelity) Bond Coverage**

Condition: The relief association did not maintain a Surety (Fidelity) bond in a sufficient amount to cover the relief association's authorized disbursing officer. The relief association's Surety (Fidelity) bond coverage amount was \$30,000; however, as of December 31, 2012, the relief association's cash assets totaled \$33,195.

Criteria: Act 118 at 35 Pa.C.S. § 7415(c)(4) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Cause: Relief association officials failed to monitor the relief association's cash balance to ensure that the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer was in compliance with Act 118 provisions.

Effect: As a result of the authorized disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We recommend that the relief association officials ensure that its Surety (Fidelity) bond sufficiently covers the relief association's authorized disbursing officer, as required by Act 118. This requirement may be accomplished by increasing the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer to an amount greater than the expected maximum balance of the relief association's cash assets, or by decreasing the relief association's cash assets to an amount anticipated to remain below the policy coverage amount. In addition, relief association officials should monitor the relief association's cash balance to ensure that unexpected events affecting the relief association's current funds do not again result in insufficient Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

WEST WYOMING NO. 1 VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as of January 1, 2013, the relief association increased their bond coverage to an amount greater than the balance of their cash assets.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

WEST WYOMING NO. 1 VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
OBSERVATIONS

**Observation No. 1 – Scope Limitation**

The West Wyoming No. 1 Volunteer Firefighters' Relief Association (VFRA) does not maintain canceled or imaged checks. While the VFRA provided brokerage statements, the VFRA failed to provide copies of canceled or imaged checks. Without copies of canceled or imaged checks, we could not determine whether two VFRA officers authorized and signed the checks.

Act 118 at 35 Pa.C.S. § 7415(c)(3) requires that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.

Act 118 at 35 Pa.C.S. § 7418(a) provides that the Department of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association . . . as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Generally Accepted Government Auditing Standards (GAGAS) Section No. 6.56 states, "Auditors must obtain sufficient appropriate evidence to provide a reasonable basis for their findings and conclusions." GAGAS Section No. 6.61(f) states, "Evidence obtained from a knowledgeable, credible, and unbiased third party is generally more reliable than evidence from management of the audited entity or others who have a direct interest in the audited entity."

Our inability to review canceled checks or imaged checks constitutes a scope limitation on our audit.

WEST WYOMING NO. 1 VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
OBSERVATIONS

**Observation No. 2 – Scope Limitation**

A portion of the West Wyoming No. 1, Volunteer Firefighters' Relief Association's (VFRA) investment balance amounting to \$10,031 of the total reported investment balance of \$23,290, as of December 31, 2012, could not be confirmed. While we received a confirmation of a \$13,259 investment account balance, the remaining balance of \$10,031 was not confirmed by the other financial institution. A request for an independent confirmation of this account balance was made on January 22, 2014 to the financial institution from which the VFRA purchased this investment. However, the financial institution indicated that they will only accept online audit confirmation requests through a particular service provider; and, the financial institution failed to provide an independent confirmation of the account balance.

Act 118 at 35 Pa.C.S. § 7418(a) states, in part, that the Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association . . . as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Generally Accepted Government Auditing Standards (GAGAS) Section No. 6.56 states, "Auditors must obtain sufficient appropriate evidence to provide a reasonable basis for their findings and conclusions." GAGAS Section No. 6.61(f) states, "Evidence obtained from a knowledgeable, credible, and unbiased third party is generally more reliable than evidence from management of the audited entity or others who have a direct interest in the audited entity."

Statement of Auditing Standards (SAS) No. 106 requires auditors to request independent confirmations of investment balances directly from the financial institution from which the VFRA purchased the investment.

Although we made a request, a confirmation of the balance of this investment account balance was not provided by the financial institution. Our inability to confirm the VFRA's total investment balance constitutes a scope limitation on our audit, as this scope limitation prevented us from determining the fair value of \$10,031 of the total reported investment balance of \$23,290, as of December 31, 2012.
