## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Aultman Volunteer Fire Association, Inc. Relief Fund, herein referred to as Aultman Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Aultman Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>
Black Lick Township	Indiana	\$2,434	\$2,210	\$2,488
Center Township	Indiana	\$8,704	\$7,425	\$8,358

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Aultman Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Mr. Ed Layton, President  
AULTMAN VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Indiana County

We have conducted a compliance audit of the Aultman Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2008 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Aultman Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's

compliance with those requirements and that we considered to be significant within the context of the audit objective, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Aultman Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Aultman Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit, for the period January 1, 2008 to December 31, 2010, found the Aultman Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed later in this report. The results of our tests also indicated the Aultman Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$15,939 and no investments.

#### Finding – Failure to Maintain a Complete and Accurate Equipment Roster

The contents of this report were discussed with the management of the Aultman Volunteer Firefighters' Relief Association and, where appropriate, their response has been included in the report.

Auditor General

AULTMAN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Failure to Maintain a Complete and Accurate Equipment Roster

Condition: The relief association officials did not maintain a complete and accurate roster of equipment owned by the relief association. Although an equipment roster was provided, it did not contain sufficient details to accurately reflect all equipment purchased and owned by the relief association. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis, nor whether such inventory accounted for all of the relief association's fixed assets. Equipment purchased during the current audit period totaled \$17,694.

Criteria: Sound business practice dictates the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative equipment roster of all relief association equipment should include the following:

- Types of equipment purchased;
- Dates of purchase;
- Unit costs;
- Names of suppliers;
- Serial numbers, if applicable;
- Current locations of items;
- Final dispositions of sold or damaged equipment; and
- Evidence of the performance and results of an annual physical inventory.

Cause: Relief association officials failed to establish adequate internal control procedures over fixed assets requiring the maintenance of a cumulative equipment roster and the performance of an annual physical inventory of equipment.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of fixed assets prevents adequate accountability for, and safeguarding of, relief association fixed assets.

Recommendation: We recommend the relief association officials maintain a cumulative equipment roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.
