BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Coolbaugh Township Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Coolbaugh Township Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2007</u>	<u>2008</u>
Coolbaugh Township	Monroe	\$123,039	\$127,658

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Coolbaugh Township Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Coolbaugh Township Volunteer Fire Company

Mr. Paul Denico, President  
COOLBAUGH TOWNSHIP VOLUNTEER  
FIREFIGHTERS' RELIEF ASSOCIATION  
Monroe County

We have conducted a compliance audit of the Coolbaugh Township Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 *et seq.* (commonly referred to as Act 84), for the period January 1, 2007 to December 31, 2008.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Coolbaugh Township Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the

volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Coolbaugh Township Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Coolbaugh Township Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2008, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit for the period January 1, 2007 to December 31, 2008, found, in all significant respects, the Coolbaugh Township Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Coolbaugh Township Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2008, had a cash balance of \$186,757 and an investment balance with a fair value of \$71,568.

#### Finding – Failure to Maintain a Complete and Accurate Equipment Roster

We also noted another matter that has been included in the following observation discussed later in this report.

#### Observation – Diversification of Investments

The contents of this report were discussed with the management of the Coolbaugh Township Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

Auditor General

COOLBAUGH TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The Coolbaugh Township Volunteer Firefighters' Relief Association has complied with the following prior audit findings and recommendations:

- Noncompliance With Prior Audit Recommendation  
Inadequate Documentation of Investment Income and Failure to Deposit Investment Income

By providing documentation to support all investment income received during the current audit period and by depositing the investment income in a timely manner.

- Noncompliance With Prior Audit Recommendation  
Inadequate Minutes of Meetings

By maintaining detailed minutes of all relief association meetings.

- Unauthorized Expenditure

By receiving reimbursement from the vendor in the amount of \$12,392 for the unauthorized expenditure made in the prior audit period. In addition, the relief association did not make any unauthorized expenditures during the current audit period.

- Undocumented Expenditure

By receiving reimbursement from the affiliated fire company in the amount of \$475 for the undocumented expenditure made in the prior audit period and by ensuring that supporting documentation was maintained for all expenditures made during the current audit period.

COOLBAUGH TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Failure to Maintain a Complete and Accurate Equipment Roster

Condition: The relief association officials did not maintain a complete and accurate roster of equipment owned by the relief association. While the relief association did maintain an equipment roster in prior years, they did not provide an updated roster that includes the equipment items purchased during the current audit period. In addition, there was no indication that an inventory of the equipment was performed to account for the relief association's fixed assets.

Criteria: The relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative roster of all relief association equipment should include the following:

- Type of equipment purchased.
- Date of purchase.
- Unit cost.
- Name of supplier.
- Serial number, if applicable.
- Current location of item.
- Final disposition of sold or damaged equipment.
- Notation of the annual inventory.

Cause: Relief association officials failed to establish adequate internal control procedures over fixed assets to include the maintenance of a cumulative equipment roster and the performance of an annual equipment inventory.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual inventory of the equipment prevents adequate accountability and safeguarding of relief association assets.

Recommendation: We recommend the relief association officials maintain a cumulative roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual inventory of all operable equipment and that the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

COOLBAUGH TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
OBSERVATION

Observation – Diversification of Investments

Within the parameters established by the Volunteer Firefighters' Relief Association Act<sup>1</sup>, it is the responsibility of the volunteer firefighters' relief association to invest its funds in a proper and prudent manner.

As these investments typically provide an income stream to the relief association for annual operations, it is generally sensible not to invest all VFRA money in one asset or asset class that places the principal at risk. In fact, state law requires VFRA's to "reasonably diversify investments, unless the [VFRA] reasonably determines that it is in the interest of the beneficiaries not to diversify..."<sup>2</sup>.

By diversifying investments, the VFRA can help preserve capital, increase liquidity and decrease volatility. Diversification means spreading one's money among different investments; asset allocation diversifies total investments among different investment classes, such as stocks, bonds, government securities, and cash equivalents.

As of December 31, 2008, the VFRA had \$71,568 (fair value) or 28% of the VFRA's cash and investments in stocks and mutual funds.

The VFRA management should periodically review its specific cash needs and investment goals and ensure that its investments are allocated and diversified to prudently meet those needs and goals.

COOLBAUGH TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
 ACCOMPANYING EXPENDITURE INFORMATION  
 FOR THE PERIOD JANUARY 1, 2007 TO DECEMBER 31, 2008

Act 84 at 53 P.S. § 8502(1) states, in part, that:

A volunteer firefighters' relief association is an organization formed primarily for the purpose of affording financial protection to volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service. Such an association may also serve other purposes, . . . provided only that adequate provisions be first made to serve its primary purpose. . . .

Act 84 at 53 P.S. § 8506, authorizes the investment of relief association funds and outlines the types of benefits and services that can be provided with volunteer firefighters' relief association funds. All expenditures must be properly authorized as prescribed in the volunteer firefighters' relief association bylaws and approved at an association meeting.

USES OF FUNDS:

Benefit Services:	
Insurance premiums	\$ 16,399
Relief benefits	290
Total Benefit Services	\$ 16,689
Fire Services:	
Equipment purchased	\$ 85,235
Equipment maintenance	55,674
Training expenses	9,160
Fire prevention materials	7,968
Total Fire Services	\$ 158,037
Administrative Services:	
Officer compensation	\$ 2,720
Other administrative expenses	13,324
Total Administrative Services	\$ 16,044
Total Investments Purchased	\$ 105,000
Other Expenditures:	
Repayment of donation *	\$ 35,000
Total Other Expenditures	\$ 35,000

\*In 2004, the fire company made a donation to the relief association. However, at the time of the donation, the relief association was not classified as a 501c (3) organization. As a result, the accountant determined that the relief association should repay the donation to the fire company.
