

**VOLUNTEER FIREMEN'S RELIEF ASSOCIATION OF EAGLE FIRE CO., NO. 1,
MOUNT WOLF, PENNSYLVANIA**

HEREIN REFERRED TO AS:

EAGLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION

YORK COUNTY

COMPLIANCE AUDIT REPORT

FOR THE PERIOD

JANUARY 1, 2006 TO DECEMBER 31, 2008

CONTENTS

Background	1
Letter From the Auditor General	3
Finding and Recommendation:	
Finding – Failure to Maintain a Complete and Accurate Equipment Roster.....	5
Accompanying Expenditure Information	6
Report Distribution List	7

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Eagle Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Eagle Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>
East Manchester Township	York	\$18,500	\$17,945	\$23,311
Mount Wolf Borough	York	\$ 7,721	\$ 7,652	\$ 7,795

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Eagle Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Eagle Fire Company No. 1

Mr. Jason Smith, President
EAGLE VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
York County

We have conducted a compliance audit of the Eagle Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2006 to December 31, 2008.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Eagle Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objective, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Eagle Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence

of inventories, interviews of selected officials and direct confirmation of the Eagle Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2008, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit for the period January 1, 2006 to December 31, 2008, found, in all significant respects, the Eagle Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding listed below. The results of our tests indicated the Eagle Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2008, had a cash balance of \$31,540 and no investments.

Finding – Failure to Maintain a Complete and Accurate Equipment Roster

The contents of this report were discussed with the management of the Eagle Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

September 9, 2009

JACK WAGNER
Auditor General

EAGLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION FINDING AND RECOMMENDATION

Finding – Failure to Maintain a Complete and Accurate Equipment Roster

Condition: The relief association officials did not maintain a complete and accurate roster of equipment owned by the relief association. While a listing of equipment was provided, it was incomplete and did not accurately identify equipment owned by the relief association. Specifically, the list of equipment that was provided did not contain all dates of purchase, unit costs, names of suppliers, nor serial numbers, where available, to accurately identify equipment owned. As such, it was impossible to determine if all items purchased during the audit period had been accurately recorded.

Criteria: The relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative roster of all relief association equipment should include the following:

- Type of equipment purchased.
- Date of purchase.
- Unit cost.
- Name of supplier.
- Serial number.
- Current location of item.
- Final disposition of sold or damaged equipment.
- Notation of the annual inventory.

Cause: Relief association officials failed to establish adequate internal control procedures over fixed assets to include the maintenance of a cumulative equipment roster.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual equipment inventory prevents adequate accountability and safeguarding of relief association assets.

Recommendation: We recommend the relief association officials maintain a cumulative roster of all relief association owned equipment. Furthermore, the relief association should ensure they continue to perform an annual inventory of all operable equipment and that the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

EAGLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
ACCOMPANYING EXPENDITURE INFORMATION
FOR THE PERIOD JANUARY 1, 2006 TO DECEMBER 31, 2008

Act 84 at 53 P.S. § 8502(1) states, in part, that:

A volunteer firefighters' relief association is an organization formed primarily for the purpose of affording financial protection to volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service. Such an association may also serve other purposes, . . . provided only that adequate provisions be first made to serve its primary purpose. . . .

Act 84 at 53 P.S. § 8506, authorizes the investment of relief association funds and outlines the types of benefits and services that can be provided with volunteer firefighters' relief association funds. All expenditures must be properly authorized as prescribed in the volunteer firefighters' relief association bylaws and approved at an association meeting.

USES OF FUNDS:

Benefit Services:	
Insurance premiums	\$ 16,712
Total Benefit Services	<u>\$ 16,712</u>
Fire Services:	
Equipment purchased	\$ 68,080
Equipment maintenance	7,361
Training expenses	3,505
Total Fire Services	<u>\$ 78,946</u>
Administrative Services:	
Other administrative expenses	\$ 1,907
Total Administrative Services	<u>\$ 1,907</u>

EAGLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
