BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The East Prospect Fireman's Relief Association of East Prospect, Pennsylvania, herein referred to as East Prospect Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The East Prospect Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>
East Prospect Borough	York	\$ 4,202	\$ 4,334	\$ 4,018
Lower Windsor Township	York	\$12,152	\$12,711	\$11,786

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The East Prospect Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

East Prospect Fire Company

Mr. Marlin Mellinger, President
EAST PROSPECT VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
York County

We have conducted a compliance audit of the East Prospect Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2007 to December 31, 2009.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the East Prospect Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the

volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the East Prospect Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the East Prospect Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2009, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2007 to December 31, 2009, found the East Prospect Volunteer Firefighters' Relief Association did not take appropriate corrective action to address the finding contained in our prior audit report, as detailed below and discussed in the Status of Prior Finding section of this report. In addition, the results of our audit found the East Prospect Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed in detail in the Finding and Recommendation section of this report. The results of our tests also indicated the East Prospect Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2009, had a cash balance of \$17,261 an investment balance with a fair value of \$3,204.

Finding – Noncompliance With Prior Audit Recommendation
Inadequate Relief Association Bylaws

The contents of this report were discussed with the management of the East Prospect Volunteer Firefighters' Relief Association.

JACK WAGNER
Auditor General

EAST PROSPECT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The East Prospect Volunteer Firefighters' Relief Association has not complied with the following prior audit finding. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

- Noncompliance With Prior Audit Recommendation –
Inadequate Relief Association Bylaws

We are concerned with the volunteer firefighters' relief association's failure to correct the previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

EAST PROSPECT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation –
Inadequate Relief Association Bylaws

Condition: As cited in our prior audit report, the existing bylaws of the East Prospect Volunteer Firefighters' Relief Association do not contain all of the provisions required by Act 118 at 35 Pa.C.S. § 7415(c). Specifically, the bylaws do not address the following:

- The signature requirements of at least two officers, one of whom shall be the treasurer, to bind the association by formal contract or to issue any negotiable instrument.
- The procedures for the approval and payment of expenditures, and for the investment of funds and the sale of investments.

Criteria: Act 118 at 35 Pa.C.S. § 7415(c)(3 and 6) states, that the relief association's bylaws shall:

- (3) Require that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.
- (6) Establish procedures for the approval and payment of expenditures, investment of funds and sale of investments.

Furthermore, the relief association bylaws should authorize and clearly specify the criteria to be met before receiving death or relief benefits and the amount of any benefit payments. In addition, the bylaws should address the authorization of compensation to relief association officers.

Cause: While notified of this condition during our prior audit, relief association officials neglected to amend the relief association bylaws to meet the bylaw provisions required by Act 118.

Effect: As a result of the mandatory provisions not being included in the bylaws, the relief association may have conducted its affairs without proper authorization.

EAST PROSPECT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Recommendation: We again recommend that relief association officials review and update the bylaws governing their organization so that the bylaws meet the requirements set forth in Act 118 and properly authorize the operating procedures of the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
