

**FIREMAN'S RELIEF ASSOCIATION OF HOSE COMPANY NO. 1,  
FORD CITY, PENNSYLVANIA**

**ARMSTRONG COUNTY**

**COMPLIANCE AUDIT REPORT**

**FOR THE PERIOD**

**JANUARY 1, 2008 TO DECEMBER 31, 2009**

## CONTENTS

Background.....	1
Letter From the Auditor General .....	3
Status of Prior Findings .....	5
Finding and Recommendation:	
Finding – Inappropriate Presigning of Blank Checks.....	6
Observation:	
Observation – Diversification of Investments .....	7
Accompanying Expenditure Information .....	8
Report Distribution List .....	9

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Fireman's Relief Association of Hose Company No. 1, Ford City, Pennsylvania, herein referred to as Ford City Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Ford City Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2008</u>	<u>2009</u>
Cadogan Township	Armstrong	\$ 1,393	\$ 1,259
Ford City Borough	Armstrong	\$16,395	\$14,738

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Ford City Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Ford City Hose Company No. 1

Mr. Richard C. Green, President  
FORD CITY VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Armstrong County

We have conducted a compliance audit of the Ford City Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2008 to December 31, 2009.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Ford City Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the

volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Ford City Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Ford City Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2009, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2008 to December 31, 2009, found the Ford City Volunteer Firefighters' Relief Association took appropriate corrective action to address the findings contained in our prior audit report and, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed later in this report. The results of our tests also indicated the Ford City Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2009, had a cash balance of \$84,514 and an investment balance with a fair value of \$1,032,641.

#### Finding – Inappropriate Presigning of Blank Checks

Furthermore, we noted a matter that has been included in the following observation and detailed in the Observation section of this report.

#### Observation – Diversification of Investments

The contents of this report were discussed with the management of the Ford City Volunteer Firefighters' Relief Association and, where appropriate, their response has been included in the report.

December 21, 2010

JACK WAGNER  
Auditor General

FORD CITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The Ford City Volunteer Firefighters' Relief Association has complied with the following prior audit findings and recommendations:

- Insufficient Officer's Bond Coverage

By increasing the officer's bond coverage to an amount greater than the balance of cash assets.

- Inadequate Relief Association Bylaws

By revising the relief association bylaws to meet the minimum requirements of Act 118.

FORD CITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Inappropriate Presigning of Blank Checks

Condition: A review of the relief association's checkbook, at the time of the audit engagement, revealed that five blank checks were presigned by one of the two relief association officers who are authorized to sign checks. The presigning of blank checks negates the relief association's internal control over the disbursement process.

Criteria: Prudent business practice dictates that the relief association have sufficient internal control procedures in place to prohibit the presigning of blank checks. Good internal control procedures require that checks be signed only after the propriety of the expenditure has been determined and the payee, date, and amount to be paid has been confirmed. Additionally, responsible relief association officers should compare this information with supporting documentation, such as invoices, contracts, etc., prior to signing the checks.

Cause: The relief association's officers were aware of the necessity for two signatures but did not realize that applying the first signature prior to evaluating the propriety of the expenditure negated the relief association's internal controls over the disbursement process.

Effect: As a result of one of the two authorized relief association officers presigning the blank checks, assets were placed at greater risk of misappropriation since the officer who presigned the blank checks did not have the opportunity to verify the propriety of the expenditures.

Recommendation: We recommend that the practice of presigning blank checks be immediately discontinued. We also recommend that all of the relief association officers ensure that checks are signed and co-signed only after the propriety of the expenditures have been determined and the payees, dates, and amounts to be paid have been confirmed. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

FORD CITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
OBSERVATION

Observation – Diversification of Investments

Within the parameters established by the Volunteer Firefighters' Relief Association Act<sup>1</sup>, it is the responsibility of the volunteer firefighters' relief association to invest its funds in a proper and prudent manner.

As these investments typically provide an income stream to the relief association for annual operations, it is generally sensible not to invest all VFRA money in one asset or asset class that places the principal at risk. In fact, state law requires VFRA's to "reasonably diversify investments, unless the [VFRA] reasonably determines that it is in the interest of the beneficiaries not to diversify..."<sup>2</sup>.

By diversifying investments, the VFRA can help preserve capital, increase liquidity and decrease volatility. Diversification means spreading one's money among different investments; asset allocation diversifies total investments among different investment classes, such as stocks, bonds, government securities, and cash equivalents.

As of December 31, 2009, the VFRA had \$317,977 (fair value) or 28% of the VFRA's cash and investments in mutual funds.

The VFRA management should periodically review its specific cash needs and investment goals and ensure that its investments are allocated and diversified to prudently meet those needs and goals.

---

<sup>1</sup> 53 P.S. § 8506(c)(1997). This provision incorporates the "prudent investor rule" of the Probate, Estates, and Fiduciaries Code, 20 Pa. C.S.A. §7201 et seq.

<sup>2</sup> 20 Pa. C.S.A. § 7204(a) (Supp. 2005).

FORD CITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
 ACCOMPANYING EXPENDITURE INFORMATION  
 FOR THE PERIOD JANUARY 1, 2008 TO DECEMBER 31, 2009

Act 118 at 35 Pa.C.S. § 7412 states: a volunteer firefighters' relief association is an organization formed primarily for the purpose of affording financial protection to volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service. The organization may contain within its membership the members of one or more fire companies and may serve secondary purposes, as set forth in this subchapter, but only if adequate provisions have been first made to serve the primary purpose.

Act 118 at 35 Pa.C.S. § 7416 authorizes the investment of relief association funds and outlines the types of benefits and services that can be provided with volunteer firefighters' relief association funds.

Furthermore, all expenditures must be properly authorized as prescribed in the volunteer firefighters' relief association bylaws and approved at an association meeting.

USES OF FUNDS:

Benefit Services:	
Insurance premiums	\$ 5,755
Total Benefit Services	\$ 5,755
Fire Services:	
Equipment purchased	\$ 9,184
Equipment maintenance	1,442
Total Fire Services	\$ 10,626
Administrative Services:	
Miscellaneous administrative expenses	\$ 648
Total Administrative Services	\$ 648
Total Investments Purchased:	\$ 640,614

FORD CITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
