## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Pittston Volunteer Firemen's Relief Association, of Pittston, Pennsylvania, herein referred to as Pittston Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Pittston Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

| <u>Municipality</u> | <u>County</u> | <u>2009</u> | <u>2010</u> |
|---------------------|---------------|-------------|-------------|
| City of Pittston    | Luzerne       | \$13,854    | \$16,077    |

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organizations are separate, legal entities. The Pittston Volunteer Firefighters' Relief Association is affiliated with the following fire service organizations:

Eagle Hose Company No. 1  
Niagara Engine Company No. 2

Mr. Edward Holleran, President  
PITTSTON VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Luzerne County

We have conducted a compliance audit of the Pittston Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2009 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Pittston Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context

of the audit objective, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Pittston Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Pittston Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit, for the period January 1, 2009 to December 31, 2010, found the Pittston Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures. The results of our tests also indicated the Pittston Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$187,554 and an investment balance with a fair value of \$9,091,312.

However, we noted other matters that have been included in the following observations and detailed in the Observations section of this report.

Observation No. 1 – Diversification of Investments

Observation No. 2 – Scope Limitation

The contents of this report were discussed with the management of the Pittston Volunteer Firefighters' Relief Association.

OBSERVATIONS

Observation No. 1 – Diversification of Investments

Within the parameters established by the Volunteer Firefighters' Relief Association Act<sup>1</sup>, it is the responsibility of the volunteer firefighters' relief association to invest its funds in a proper and prudent manner.

As these investments typically provide an income stream to the relief association for annual operations, it is generally sensible not to invest all VFRA money in one asset or asset class that places the principal at risk. In fact, state law requires VFRA's to "reasonably diversify investments, unless the [VFRA] reasonably determines that it is in the interest of the beneficiaries not to diversify..."<sup>2</sup>.

By diversifying investments, the VFRA can help preserve capital, increase liquidity and decrease volatility. Diversification means spreading one's money among different investments; asset allocation diversifies total investments among different investment classes, such as stocks, bonds, government securities, and cash equivalents.

As of December 31, 2010, the VFRA had \$8,234,268 (fair value) or 89% of the VFRA's cash and investments in stocks and mutual funds.

The VFRA management should periodically review its specific cash needs and investment goals and ensure that its investments are allocated and diversified to prudently meet those needs and goals.

<sup>1</sup> 53 P.S. § 8506(c)(1997). This provision incorporates the "prudent investor rule" of the Probate, Estates, and Fiduciaries Code, 20 Pa. C.S.A. §7201 et seq.

<sup>2</sup> 20 Pa. C.S.A. § 7204(a) (Supp. 2005).

PITTSTON VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
OBSERVATIONS

Observation No. 2 – Scope Limitation

The Pittston Volunteer Firefighters' Relief Association (VFRA) did not maintain canceled or imaged checks. Without copies of canceled or imaged checks, we could not determine whether two VFRA officers authorized and signed the checks. While the VFRA provided bank statements, the VFRA failed to provide copies of canceled or imaged checks.

Act 118 at 35 Pa.C.S. § 7415(c)(3) states, in part, that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.

Act 118 at 35 Pa.C.S. § 7418(a) states, in part, that the Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association . . . as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Generally Accepted Government Auditing Standards (GAGAS) Section No. 6.56 states, "Auditors must obtain sufficient appropriate evidence to provide a reasonable basis for their findings and conclusions." GAGAS Section No. 6.61(f) states, "Evidence obtained from a knowledgeable, credible, and unbiased third party is generally more reliable than evidence from management of the audited entity or others who have a direct interest in the audited entity."

Our inability to review canceled checks or imaged checks constitutes a scope limitation on our audit.
