BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Pleasantville Volunteer Fire Department Relief Association Inc. of the State of Pennsylvania, herein referred to as Pleasantville Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

BACKGROUND (Continued)

The Pleasantville Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>
Oil Creek Township	Crawford	\$3,256	\$2,907	\$3,272
Allegheny Township	Venango	\$2,006	\$1,865	\$2,099
Oil Creek Township	Venango	\$4,871	\$4,338	\$4,883
Pleasantville Borough	Venango	\$4,295	\$3,841	\$4,324
Southwest Township	Warren	\$1,463	\$1,306	\$1,471

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Pleasantville Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Pleasantville Volunteer Fire Department

Mr. James A. Huff, President
PLEASANTVILLE VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Venango County

We have conducted a compliance audit of the Pleasantville Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2008 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Pleasantville Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including

the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Pleasantville Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Pleasantville Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2008 to December 31, 2010, found the Pleasantville Volunteer Firefighters' Relief Association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the Pleasantville Volunteer Firefighters' Relief Association failed to take appropriate corrective action to address the remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report. In addition, the results of our audit found the Pleasantville Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the findings listed below and discussed in detail in the Findings and Recommendations section of this report. The results of our tests also indicated the Pleasantville Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$42,325 and no investments.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Failure to Maintain a Complete and Accurate Equipment Roster

Finding No. 2 – Undocumented Expenditures

Finding No. 3 – Inappropriate Presigning of Blank Checks

The contents of this report were discussed with the management of the Pleasantville Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

JACK WAGNER
Auditor General

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Pleasantville Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Unauthorized Expenditures

By receiving reimbursement from the Pleasantville Volunteer Fire Department, in the amount of \$773, for the unauthorized expenditures made during the prior audit period. In addition, we did not detect any additional unauthorized expenditures during the current audit period.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Pleasantville Volunteer Firefighters' Relief Association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Noncompliance With Prior Audit Recommendation –
Failure to Maintain a Complete and Accurate Equipment Roster

We are concerned with the volunteer firefighters' relief association's failure to correct a previously reported audit finding. The association management should strive to implement the recommendations and corrective actions noted in this audit report.

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Failure to Maintain a Complete and Accurate Equipment Roster

Condition: As cited in our prior audit report, the relief association officials, again, did not maintain a complete and accurate roster of equipment owned by the relief association. The relief association had an incomplete roster for 2008 and no rosters for 2009 and 2010. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis, nor whether such inventory accounted for all of the relief association's fixed assets.

Criteria: Sound business practice dictates the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative equipment roster of all relief association equipment should include the following:

- Types of equipment purchased;
- Dates of purchase;
- Unit costs;
- Names of suppliers;
- Serial numbers, if applicable;
- Current locations of items;
- Final dispositions of sold or damaged equipment; and
- Evidence of the performance and results of an annual physical inventory.

Cause: While notified of this condition during our prior audit, relief association officials, again, failed to establish adequate internal control procedures over fixed assets requiring the maintenance of a cumulative equipment roster and the performance of an annual physical inventory of equipment.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of fixed assets prevents adequate accountability for, and safeguarding of, relief association fixed assets.

Recommendation: We, again, recommend the relief association officials maintain a cumulative equipment roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Undocumented Expenditures

Condition: The relief association was unable to provide adequate supporting documentation for the following expenditures:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
10/28/08	363	Vendor	\$ 262
02/19/09	368	Hospital	50
03/09/09	369	Vendor	21
01/11/10	382	Vendor	139
Total			\$ 472

Criteria: Act 118 at 35 Pa.C.S. § 7418(a) states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), [FN1] known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as invoices, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, good business practices dictate that supporting documentation be maintained to verify the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as invoices, made it impossible to determine if the expenditures were made in accordance with Act 118 at 35 Pa.C.S. § 7416(f). In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 (Continued)

However, as a result of our audit, and subsequent to the audit period, on March 2, 2011, the relief association received reimbursement from the associated fire department for the undocumented expenditures.

Recommendation: We recommend the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

PLEASANTVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – Inappropriate Presigning of Blank Checks

Condition: A review of the relief association's checkbook, at the time of the audit engagement, revealed that five blank checks were presigned by one of the two relief association officers who are authorized to sign checks. The presigning of blank checks negates the relief association's internal control over the disbursement process.

Criteria: Prudent business practice dictates that the relief association have sufficient internal control procedures in place to prohibit the presigning of blank checks. Good internal control procedures require that checks be signed only after the propriety of the expenditure has been determined and the payee, date, and amount to be paid has been confirmed. Additionally, responsible relief association officers should compare this information with supporting documentation, such as invoices, contracts, etc., prior to signing the checks.

Cause: The relief association's officers were aware of the necessity for two signatures but did not realize that applying the first signature prior to evaluating the propriety of the expenditure negated the relief association's internal controls over the disbursement process.

Effect: As a result of one of the two authorized relief association officers presigning the blank checks, assets were placed at greater risk of misappropriation since the officer who presigned the blank checks did not have the opportunity to verify the propriety of the expenditures.

Recommendation: We recommend that the practice of presigning blank checks be immediately discontinued. We also recommend that all of the relief association officers ensure that checks are signed and co-signed only after the propriety of the expenditures have been determined and the payees, dates, and amounts to be paid have been confirmed. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
