BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Pomeroy Volunteer Firefighters Relief Association of Chester County, Pennsylvania, herein referred to as Pomeroy Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

Mr. Ray Campbell, President
POMEROY VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Chester County

We have conducted a compliance audit of the Pomeroy Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2007 to December 31, 2009.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Pomeroy Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the

volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Pomeroy Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Pomeroy Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2009, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2007 to December 31, 2009, found the Pomeroy Volunteer Firefighters' Relief Association took appropriate corrective action to address the finding contained in our prior audit report and, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures. The results of our tests also indicated the Pomeroy Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2009, had a cash balance of \$43,707 and no investments.

The contents of this report were discussed with the management of the Pomeroy Volunteer Firefighters' Relief Association.
