Finding – Insufficient Officer's Bond Coverage.....	6
Accompanying Expenditure Information	7
Report Distribution List	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Prospect Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Prospect Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>
Franklin Township	Butler	\$13,207	\$13,391	\$13,934
Prospect Borough	Butler	\$ 7,479	\$ 7,426	\$ 7,662

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Prospect Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Mr. Kenneth Wilson, President
PROSPECT VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Butler County

We have conducted a compliance audit of the Prospect Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2006 to December 31, 2008.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Prospect Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies

with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Prospect Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Prospect Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2008, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit for the period January 1, 2006 to December 31, 2008, found, in all significant respects, the Prospect Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Prospect Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2008, had a cash balance of \$57,971 and no investments.

Finding – Insufficient Officer's Bond Coverage

The contents of this report were discussed with the management of the Prospect Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

PROSPECT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Prospect Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Failure to Obtain a Pennsylvania Sales Tax Exemption Number

By obtaining a state sales tax exemption number and furnishing this number to all vendors from which the relief association purchases equipment.

PROSPECT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Insufficient Officer's Bond Coverage

Condition: The relief association did not maintain a bond in a sufficient amount to cover the authorized disbursing officer. The relief association's bond coverage was \$50,000; however, as of December 31, 2008, the cash assets totaled \$57,971.

Criteria: Act 84 at 53 P.S. § 8505(c) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary, or otherwise, shall be bonded by corporate surety for the faithful performance of his duties. The amount of such bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on such bond shall be a proper charge against the funds of the association.

Cause: Relief association officials failed to monitor the cash balance to ensure the officer's bond coverage was in compliance with Act 84 provisions.

Effect: As a result of the disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

However, subsequent to the audit period, on January 28, 2009, the relief association decreased its cash assets to an amount below the maximum protection of the officer's bond.

Recommendation: We recommend the relief association ensure that a faithful performance bond adequately covers the disbursing officer as required by Act 84. Relief association officials should monitor the cash balance to ensure that unexpected events affecting current funds do not again result in an insufficient officer's bond coverage. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
