## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Riegelsville Community Volunteer Firefighters' Relief Fund Association, herein referred to as Riegelsville Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

Mr. Glenn Hissin, President  
RIEGELSVILLE VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Bucks County

We have conducted a compliance audit of the Riegelsville Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2008 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Riegelsville Volunteer

Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Riegelsville Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Riegelsville Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2008 to December 31, 2010, found the Riegelsville Volunteer Firefighters' Relief Association took appropriate corrective action to address the findings contained in our prior audit report and, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed later in this report. The results of our tests also indicated the Riegelsville Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$57,738 and an investment balance with a fair value of \$15,005.

RIEGELSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The Riegelsville Volunteer Firefighters' Relief Association has complied with the following prior audit findings and recommendations:

- Failure to Maintain a Complete and Accurate Equipment Roster

- Inadequate Minutes of Meetings

By maintaining detailed minutes of meetings, including all financial-related business conducted by the relief association.

RIEGELSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Undocumented Expenditure

Condition: The relief association was unable to provide adequate supporting documentation for a January 30, 2008 \$2,191 disbursement made to the American Fire House.

Criteria: Act 118 at 35 Pa.C.S. § 7418(a) states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), [FN1] known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as invoices, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, good business practices dictate that supporting documentation be maintained to verify the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as an invoice and detailed minutes of relief association meetings, made it impossible to determine if the expenditure was made in accordance with Act 118 at 35 Pa.C.S. § 7416(f). In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

However, subsequent to the audit period, on March 24, 2011, the fire company reimbursed the relief association \$2,191.

Recommendation: We recommend the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and provided documentation of the funds being deposited into its checking account.
