BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Texas Township Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

Mr. Kenneth Batzel, President
TEXAS TOWNSHIP VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Wayne County

We have conducted a compliance audit of the Texas Township Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2009 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Texas Township Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including

the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Texas Township Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Texas Township Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2009 to December 31, 2010, found the Texas Township Volunteer Firefighters' Relief Association took appropriate corrective action to address the finding contained in our prior audit report and, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the findings listed below and discussed later in this report. The results of our tests also indicated the Texas Township Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$72,242 and an investment balance with a fair value of \$187,101.

TEXAS TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Texas Township Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Insufficient Officer's Bond Coverage

By increasing the officer's bond coverage, on October 4, 2009, to an amount greater than the balance of cash assets.

TEXAS TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Failure to Maintain a Complete and Accurate Membership Roster

Condition: The relief association officials failed to maintain a complete and accurate roster of relief association members.

Criteria: Relief association officials should maintain a complete and accurate roster of the relief association's membership, as identified by criteria set forth in the relief association's bylaws. A comprehensive roster of all relief association members should include the following:

- Names of each member;
- Members' mailing addresses;
- Dates of births;
- Dates of memberships; and
- Membership classifications.

In addition, when warranted, a notation should be made on the roster identifying the date of a member's resignation or death.

Cause: Relief association officials were unaware that they should maintain a comprehensive roster of relief association members.

Effect: The failure to maintain a comprehensive membership roster could result in the payment of benefits to nonmembers, or deprive eligible relief association members from receiving authorized benefit payments.

However, subsequent to the audit period, on November 19, 2012, the relief association updated its membership roster to comply with our audit recommendation.

Recommendation: We recommend the relief association officials ensure that it continues to maintain a complete and accurate roster of the relief association's membership. For additional guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

TEXAS TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure to Maintain Minutes of Meetings

Condition: The relief association failed to maintain minutes of meetings as required by Act 118.

Criteria: Act 118 at 35 Pa.C.S. § 7415(a) states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

Cause: Relief association officials were unaware that maintaining minutes of meetings was required by Act 118.

Effect: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We recommend the relief association officials maintain a permanent record of all relief association meetings as required by Act 118. The minutes should include an adequate record of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

TEXAS TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
OBSERVATION

Observation – Diversification of Investments

Within the parameters established by the Volunteer Firefighters' Relief Association Act¹, it is the responsibility of the volunteer firefighters' relief association to invest its funds in a proper and prudent manner.

As these investments typically provide an income stream to the relief association for annual operations, it is generally sensible not to invest all VFRA money in one asset or asset class that places the principal at risk. In fact, state law requires VFRA's to "reasonably diversify investments, unless the [VFRA] reasonably determines that it is in the interest of the beneficiaries not to diversify..."².

By diversifying investments, the VFRA can help preserve capital, increase liquidity and decrease volatility. Diversification means spreading one's money among different investments; asset allocation diversifies total investments among different investment classes, such as stocks, bonds, government securities, and cash equivalents.

As of December 31, 2010, the VFRA had \$152,349 (fair value) or 59% of the VFRA's cash and investments in stocks and mutual funds.

The VFRA management should periodically review its specific cash needs and investment goals and ensure that its investments are allocated and diversified to prudently meet those needs and goals.

¹ 53 P.S. § 8506(c)(1997). This provision incorporates the "prudent investor rule" of the Probate, Estates, and Fiduciaries Code, 20 Pa. C.S.A. §7201 et seq.

² 20 Pa. C.S.A. § 7204(a) (Supp. 2005).
