## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Relief Fund Association of York Springs Fire Company No. 1 of Adams County, Pennsylvania, herein referred to as York Springs Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

BACKGROUND (Continued)

The York Springs Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>
Huntington Township	Adams	\$ 9,515	\$ 9,884	\$ 9,057
Latimore Township	Adams	\$12,776	\$13,272	\$12,146
York Springs Borough	Adams	\$ 3,033	\$ 3,110	\$ 2,895*
Dickinson Township	Cumberland	\$ 1,268	\$ 1,321	**

\* The 2009 state aid check from York Springs Borough, in the amount of \$2,895, was not distributed by the municipality until January 7, 2010, subsequent to the audit period (refer to the finding in the Finding and Recommendation section of this report).

\*\* Beginning 2009, Dickinson Township will no longer give state aid to York Springs Volunteer Firefighters' Relief Association. The municipality has full discretion in distributing the state aid to the relief association of their choice. Most distribution decisions are based on fire protection services provided by a particular fire service organization in the municipality.

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The York Springs Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

YORK SPRINGS VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Adams County

We have conducted a compliance audit of the York Springs Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2007 to December 31, 2009.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the York Springs Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objective, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the York Springs Volunteer Firefighters' Relief Association's recorded financial transactions,

tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the York Springs Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2009, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit, for the period January 1, 2007 to December 31, 2009, found the York Springs Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the finding listed below and discussed later in this report. The results of our tests also indicated the York Springs Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2009, had a cash balance of \$54,675 and an investment balance with a fair value of \$40,963.

JACK WAGNER  
Auditor General

YORK SPRINGS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Untimely Receipt of State Aid

Condition: The volunteer firefighters' relief association did not receive the 2009 state aid allocation from York Springs Borough, in the amount of \$2,895, until January 7, 2010, which was 115 days after the municipality received the funds from the Commonwealth of Pennsylvania, on September 14, 2009.

Criteria: As required by the Foreign Fire Insurance Tax Distribution Law Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), the municipality shall within 60 days of the date of the receipt of the monies, from the State Treasurer, pay the amount received to the relief association fund of the fire department or departments, or fire company or companies. It is the relief association's responsibility to monitor the municipality's distribution of the state aid. Upon receipt of the state aid allocation, the relief association should ensure the funds are deposited in a timely manner.

Cause: York Springs Borough officials wrote the state aid check on October 22, 2009, but placed it in a filing cabinet rather than mailing the check to the relief association. The relief association failed to monitor the municipality's receipt and distribution of state aid allocations.

Effect: As a result of the untimely receipt of the state aid allocation, funds were not available to pay general operating expenses or for investment purposes. In addition, untimely receipt of allocations increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend the relief association monitor the municipality's distribution of state aid allocations to ensure that the allocation is distributed to the relief association within 60 days of the date of receipt. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
