## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Bethel Township Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Bethel Township Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2006</u>	<u>2007</u>
Bethel Township	Delaware	\$61,750	\$64,800

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Bethel Township Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Bethel Township Hose Company No. 1

Mr. David MaCleary, President  
BETHEL TOWNSHIP VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Delaware County

We have conducted a compliance audit of the Bethel Township Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2006 to December 31, 2007.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Bethel Township Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Bethel Township Volunteer Firefighters' Relief Association's investment balance and the cash balance as of December 31, 2007, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit for the period January 1, 2006 to December 31, 2007, found, in all significant respects, the Bethel Township Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following findings discussed later in this report. The results of our tests indicated the Bethel Township Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2007, had a cash balance of \$83,531 and an investment balance with a fair value of \$72,311.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

Finding No. 2 – Inappropriate Presigning of Blank Checks

The contents of this report were discussed with the management of the Bethel Township Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

Auditor General

BETHEL TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Bethel Township Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Insufficient Officer's Bond Coverage

By increasing the officer's bond coverage to an amount greater than the balance of cash assets.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Bethel Township Volunteer Firefighters' Relief Association has not complied with a prior audit finding. This issue is further discussed in the following finding noted in the Findings and Recommendations section of this report:

- Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

We are concerned with the volunteer firefighters' relief association's failure to correct a previously reported audit finding. The association management should strive to implement the recommendations and corrective actions noted in this audit report.

BETHEL TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

Condition: As cited in the prior audit report, the relief association officials did not maintain a complete and accurate roster of equipment owned by the relief association. While a roster of relief association owned equipment was provided during the current audit, it did not include a significant amount of equipment purchased during the years 2006 and 2007. Of the 16 equipment purchases tested, 7 could not be traced to the equipment roster. As such, it appears that the equipment roster being maintained by the relief association does not provide a complete record of all equipment owned by the relief association. Furthermore, not all applicable serial numbers were recorded to accurately identify the equipment owned. In addition, there was no indication that an annual inventory of the equipment was performed to account for the relief association's fixed assets.

Criteria: The relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative roster of all relief association equipment should include the following:

- Type of equipment purchased.
- Date of purchase.
- Unit cost.
- Name of supplier.
- Serial number, if applicable.
- Current location of item.
- Final disposition of sold or damaged equipment.
- Notation of the annual inventory.

Cause: While notified of this condition in the prior audit report, relief association officials neglected to establish adequate internal control procedures over fixed assets to include the maintenance of a cumulative equipment roster and the performance of an annual equipment inventory to account for the relief association's fixed assets.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual equipment inventory prevents adequate accountability and safeguarding of relief association assets.

BETHEL TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Recommendation: We again recommend the relief association officials maintain a cumulative roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual inventory of all operable equipment and that the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

BETHEL TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Inappropriate Presigning of Blank Checks

Condition: A review of the relief association's checkbook at the time of the audit revealed that five blank checks were presigned by one of the two relief association officers authorized to sign checks. The presigning of blank checks negates the relief association's internal control over the disbursement process.

Criteria: Checks should be signed and co-signed only after each authorized person has reviewed and approved the nature, purpose, and propriety of each expenditure.

Cause: The relief association failed to establish internal control procedures to prevent the presigning of blank checks.

Effect: The practice of presigning blank checks prevents the relief association from maintaining an adequate segregation of duties necessary to ensure the proper safeguarding of its assets.

Recommendation: We recommend that the practice of presigning blank checks be immediately discontinued. Furthermore, checks prepared for each expenditure should accompany the invoice and any other supporting documentation. This will enable each authorized official to review the nature, purpose, and propriety of each expenditure prior to signing the check. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
