## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Christiana Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Christiana Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2004</u>	<u>2005</u>	<u>2006</u>
Christiana Borough	Lancaster	\$ 5,765	\$ 6,467	\$ 6,498
Sadsbury Township	Lancaster	\$18,491	\$21,321	\$21,741

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Christiana Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Christiana Fire Company

Mr. William Bryson, President  
CHRISTIANA VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Lancaster County

We have conducted a compliance audit of the Christiana Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2004 to December 31, 2006. The audit was conducted in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Christiana Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Christiana Volunteer Firefighters' Relief Association's cash balance as of December 31, 2006, with the custodians of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit for the period January 1, 2004 to December 31, 2006, found, in all significant respects, the Christiana Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Christiana Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2006, had a cash balance of \$34,890 and no investments.

Finding – Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

The contents of this report were discussed with the management of the Christiana Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

JACK WAGNER  
Auditor General

CHRISTIANA VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Christiana Volunteer Firefighters' Relief Association has not complied with a prior audit finding. This issue is further discussed in the following finding noted in the Finding and Recommendation section of this report:

- Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

We are concerned with the volunteer firefighters' relief association's failure to correct a previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

CHRISTIANA VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation –  
Failure to Maintain a Complete and Accurate Equipment Roster

Condition: As cited in the prior two audit reports, the relief association officials did not maintain a complete and accurate roster of equipment owned by the relief association. While the relief association did provide an equipment roster during the current audit, it did not include any equipment purchased prior to 2003. The equipment roster provided did contain items such as training expenses, software maintenance, training meals, equipment testing, equipment maintenance and other items that were not inventorial in nature. In addition, the roster did not contain any indication that the relief association had conducted an annual inventory of its equipment to account for all equipment owned by the relief association.

Criteria: The relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's fixed assets. A cumulative roster of all relief association equipment should include the following:

- Type of equipment purchased.
- Date of purchase.
- Unit cost.
- Name of supplier.
- Serial number, if applicable.
- Current location of item.
- Final disposition of sold or damaged equipment.
- Notation of the annual inventory of equipment.

Cause: While notified of this condition in the prior two audit reports, relief association officials neglected to establish adequate internal control procedures over fixed assets to include the maintenance of a cumulative equipment roster and the performance of an annual equipment inventory.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual equipment inventory prevents adequate accountability and safeguarding of relief association assets.

CHRISTIANA VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – (Continued)

Recommendation: We again recommend the relief association officials maintain a cumulative roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual inventory of all operable equipment and that the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
