Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure to Obtain a Pennsylvania Sales Tax Exemption Number.....	12
Finding No. 2 – Failure to Maintain a Complete and Accurate Membership Roster.....	13
Report Distribution List.....	15

BACKGROUND

This audit report is a public record, which must be available for examination by all interested citizens and volunteer firefighters' relief association (VFRA) members.

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

This department conducts its audits of volunteer firefighters' relief associations in accordance with generally accepted auditing standards. Representations contained in the accompanying financial statements are the responsibility of the relief association's management. This department's responsibility for those statements is confined solely to an expression of our opinion as to the fairness of management's representation of the financial statements taken as a whole.

Act 84 requires that the relief association be governed in accordance with bylaws, which establish the association's operating procedures. Act 84 provides that the primary purpose of a relief association is to afford financial protection to volunteer firefighters against misfortunes suffered during fire service participation. To fulfill this purpose, Act 84 authorizes specific types of expenditures and outlines appropriate relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Independent Auditor's Report

Mr. Vernon Temple, President
LAIRDSVILLE VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Lycoming County

We have audited the accompanying Statement of Monetary Assets Arising From Cash Transactions as of December 31, 2005, and the related Statement of Cash Receipts, Disbursements, and Changes in Cash of the Lairdsville Volunteer Firefighters' Relief Association for the period January 1, 2003 to December 31, 2005. These financial statements are the responsibility of the relief association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Department of the Auditor General is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. State aid is calculated by an administrative unit that is not involved in the audit process. The Department's Comptroller Office then pre-audits the calculation and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Independent Auditor's Report (Continued)

As described in Note 2, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the monetary assets arising from cash transactions of the Lairdsville Volunteer Firefighters' Relief Association as of December 31, 2005, and the cash receipts, disbursements, and changes in cash for the period January 1, 2003 to December 31, 2005, on the basis of accounting described in Note 2.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2006, on our consideration of the Lairdsville Volunteer Firefighters' Relief Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

March 7, 2006

JACK WAGNER
Auditor General

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION

Cash Balance, December 31	\$	35,429
---------------------------	----	--------

Notes to financial statements are an integral part of this report.

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
NOTES TO FINANCIAL STATEMENTS

1. NATURE OF ORGANIZATION

Pursuant to the Act of June 11, 1968, (P.L. 149, No. 84), as amended, the Lairdsville Volunteer Firefighters' Relief Association is a charitable organization that was formed to afford financial protection to volunteer firefighters and to encourage individuals within the community to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws regulate the specific procedures by which the association assets are managed.

The Lairdsville Volunteer Firefighters' Relief Association is affiliated with the Lairdsville Community Volunteer Fire Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. The relief association's records are maintained on a cash basis, and the statement of cash receipts and disbursements reflect only cash received and disbursed. Therefore, receivables and payables, long-lived assets, accrued income and expenses, and depreciation, which would otherwise be recognized under accounting principles generally accepted in the United States of America (GAAP) and which may be material in amount, are not recognized in the accompanying financial statements.
- B. Fixed assets are recognized as expenditures at the time of purchase, rather than being capitalized and depreciated over their estimated useful lives.
- C. The relief association did not adopt Statement of Financial Accounting Standard (SFAS) No. 117 since they do not follow GAAP.
- D. The nature of the relief association's monetary assets is considered to be unrestricted.

3. CASH

Cash consisted of the following at December 31, 2005:

Savings account	\$ 17,342
Money market account	<u>18,087</u>
Total Cash	<u>\$ 35,429</u>

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
NOTES TO FINANCIAL STATEMENTS

4. STATE AID

Chapter 7 of the Act of December 18, 1984, (P.L. 1005, No. 205), as amended, sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the relief association of the fire department or departments, which is or are recognized as providing service to the municipality.

During the years 2003, 2004 and 2005, the Lairdsville Volunteer Firefighters' Relief Association received state aid from the following municipalities:

Municipality	County
Franklin Township	Lycoming
Moreland Township	Lycoming
Penn Township	Lycoming

5. RELATED PARTY SITUATIONS

A related party situation exists because the volunteer firefighters' relief association is affiliated with the fire service organization disclosed in Note 1. The relief association is a distinct separate legal entity that was established primarily for the purpose of affording financial protection to the volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service.

Another related party situation exists because certain officers of the relief association hold offices in the fire service organization. Also, certain officers of the relief association are immediate family members of other relief association and fire service organization officers.

The relief association has an additional related party situation that exists because the relief association does business with a local bank which employs a relief association officer. As of December 31, 2005, the bank holds 49 percent of the relief association's assets. The relief association officer disqualifies himself from all decisions involving his place of employment.

The relief association membership is aware of these situations and all transactions are approved by the relief association membership.

**Report on Internal Control Over Financial Reporting and on Compliance and Other
Matters Based on an Audit of Financial Statements Performed in Accordance With
*Government Auditing Standards***

Mr. Vernon Temple, President
LAIRDSVILLE VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Lycoming County

We have audited the financial statements (cash basis) of the Lairdsville Volunteer Firefighters' Relief Association as of December 31, 2005, and for the period January 1, 2003 to December 31, 2005, and have issued our report thereon dated March 7, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

The Department of the Auditor General is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. State aid is calculated by an administrative unit that is not involved in the audit process. The Department's Comptroller Office then pre-audits the calculation and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Lairdsville Volunteer Firefighters' Relief Association's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over

**Report on Internal Control Over Financial Reporting and on Compliance and Other
Matters Based on an Audit of Financial Statements Performed in Accordance With
Government Auditing Standards (Continued)**

financial reporting that, in our judgement, could adversely affect Lairdsville Volunteer Firefighters' Relief Association's ability to record, process, and report financial data consistent with the assertions of management in the financial statements. A reportable condition is described in the following finding:

Finding No. 2 – Failure to Maintain a Complete and Accurate Membership Roster

A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by association officers in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe that the reportable condition described in Finding No. 2 is not a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lairdsville Volunteer Firefighters' Relief Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted a certain immaterial instance of noncompliance that we have reported to the management of Lairdsville Volunteer Firefighters' Relief Association through Finding No. 1 contained in this report.

We are concerned in light of the relief association's failure to correct a previously reported audit finding. The relief association management should strive to implement the recommendations and corrective actions noted in this audit report.

**Report on Internal Control Over Financial Reporting and on Compliance and Other
Matters Based on an Audit of Financial Statements Performed in Accordance With
Government Auditing Standards (Continued)**

This report is intended solely for the information and use of the relief association's members and management, and the officials of the municipalities that grant the foreign fire insurance tax monies to the volunteer firefighters' relief association. It is not intended to be and should not be used by anyone other than these specified parties.

March 7, 2006

JACK WAGNER
Auditor General

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Failure to Obtain a Pennsylvania Sales Tax Exemption Number

Condition: As cited in the prior audit report, the relief association failed to obtain a Pennsylvania sales tax exemption number. The relief association is currently using the fire service organization's sales tax exemption number, although the fire service organization and the relief association are separate legal entities.

Criteria: Act 84 at 53 P.S. 8505(e) states:

Any volunteer firefighters' relief association organized or conducted in accordance with the requirements of this section shall be regarded as a charitable corporation for all purposes including the right to establish exemption from the operation of certain taxes.

Cause: While notified of this condition in the prior audit report, the relief association neglected to obtain its own sales tax exemption number from the Department of Revenue.

Effect: As a result of the relief association's failure to obtain a sales tax exemption number, the relief association may be required to pay Pennsylvania sales tax on their purchases, which ultimately reduces the funds otherwise available for general operating expenditures or for investment purposes.

Recommendation: We again recommend the relief association immediately apply for a state sales tax exemption number from the Department of Revenue and furnish this exemption number to all vendors from whom the relief association purchases equipment. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure to Maintain a Complete and Accurate Membership Roster

Condition: The relief association officials did not maintain a complete and accurate roster of relief association members.

Criteria: Relief association officials should maintain a complete and accurate listing of the relief association's membership, as identified by criteria set forth in the relief association's bylaws. A comprehensive listing of all relief association members should include the following:

- Name of each member.
- Member's mailing address.
- Date of birth.
- Date of membership.
- Membership classification.

In addition, a notation should be made on the listing identifying the date of a member's resignation or death.

Cause: Relief association officials were unaware that they should maintain a comprehensive listing of relief association members.

Effect: The failure to maintain a comprehensive membership roster could result in the payment of benefits to nonmembers, or deprive eligible relief association members from receiving authorized benefit payments.

Recommendation: We recommend the relief association officials compile and maintain a complete and accurate listing of the relief association's membership. For additional guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

LAIRDSVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Edward G. Rendell
Governor
Commonwealth of Pennsylvania

Lairdsville Volunteer Firefighters' Relief Association Officers:

Mr. Vernon Temple, President

Mrs. Sandra Peterman, Secretary

Mr. Luke Temple, Treasurer

Reports were also distributed to each municipality, which allocated foreign fire insurance tax monies to this relief association.

Ms. Susan Liuzza, Secretary
Franklin Township

Ms. Susan Liuzza, Secretary
Moreland Township

Ms. Brenda Dorman, Secretary
Penn Township

This report is a matter of public record. Copies of this report may be obtained from the Pennsylvania Department of the Auditor General, Office of Communications, 318 Finance Building, Harrisburg, PA 17120. If you have any questions regarding this report or any other matter, you may contact the Department of the Auditor General by accessing our website at www.auditorgen.state.pa.us.
