## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Mifflintown Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Mifflintown Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2005</u>	<u>2006</u>	<u>2007</u>
Fermanagh Township	Juniata	\$18,218	\$18,455	\$18,363
Mifflintown Borough	Juniata	\$ 4,085	\$ 4,104	\$ 4,155
Walker Township	Juniata	\$ 7,601	\$ 7,720	\$ 7,841

BACKGROUND (Continued)

Mr. Keith H. Boreman, President  
MIFFLINTOWN VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Juniata County

We have conducted a compliance audit of the Mifflintown Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2005 to December 31, 2007.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Mifflintown Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Mifflintown Volunteer Firefighters' Relief Association's investment balance and the cash balance as of December 31, 2007, with the custodians of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit for the period January 1, 2005 to December 31, 2007, found, in all significant respects, the Mifflintown Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Mifflintown Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2007, had a cash balance of \$54,552 and an investment balance with a fair value of \$20,306.

Auditor General

MIFFLINTOWN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Mifflintown Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Failure to Deposit State Aid

By depositing the remaining 2002 state aid of \$76, from Mifflintown Borough, which had been erroneously deposited into the affiliated fire company's account, and by establishing accounting and internal control procedures to ensure that all income received is deposited in the relief association's account.

MIFFLINTOWN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Insufficient Officer's Bond Coverage

Condition: The relief association did not maintain a bond in a sufficient amount to cover the authorized disbursing officer. The relief association's bond coverage was \$50,000; however, as of December 31, 2007, the cash assets totaled \$54,552.

Criteria: Act 84 at 53 P.S. § 8505(c) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary, or otherwise, shall be bonded by corporate surety for the faithful performance of his duties. The amount of such bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on such bond shall be a proper charge against the funds of the association.

Cause: Relief association officials failed to monitor the cash balance to ensure the officer's bond coverage was in compliance with Act 84 provisions.

Effect: As a result of the disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We recommend the relief association ensure that a faithful performance bond adequately covers the disbursing officer, as required by Act 84. This requirement may be accomplished by increasing the officer's bond coverage to an amount greater than the expected maximum balance of cash assets, or by decreasing the cash assets to an amount anticipated to remain below the coverage amount. Relief association officials should monitor the cash balance to ensure that unexpected events affecting current funds do not again result in an insufficient officer's bond coverage. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
