**EUGENE A. DePASQUALE
AUDITOR GENERAL**

Board of Township Supervisors
Jenkins Township
Luzerne County
Inkerman, PA 18640

We have conducted a compliance audit of the Jenkins Township Police Pension Plan for the period January 1, 2010, to December 31, 2012. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Our methodology addressed determinations about the following:

- Whether state aid was properly determined and deposited in accordance with Act 205 requirements.
- Whether employer contributions are determined and deposited in accordance with the plan's governing document and applicable laws and regulations.

- Whether employee contributions are required and, if so, are determined, deducted and deposited into the pension plan and are in accordance with the plan provisions and applicable laws and regulations.
- Whether benefit payments, if any, represent payments to all (and only) those entitled to receive them and are properly determined in accordance with applicable laws and regulations.
- Whether obligations for plan benefits are accurately determined in accordance with plan provisions and based on complete and accurate participant data; and whether actuarial valuation reports are prepared and submitted to the Public Employee Retirement Commission (PERC) in accordance with state law and selected information provided on these reports is accurate, complete and in accordance with plan provisions to ensure compliance for participation in the state aid program.
- Whether the terms of the unallocated insurance contract, including ownership and any restrictions, are in compliance with plan provisions, investment policies and state regulations.
- Whether benefit payments have only been made to living recipients, based on the Social Security numbers found in the pension records for retirees and beneficiaries.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Jenkins Township Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the township's internal controls as they relate to the township's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our tests indicated that, in all significant respects, the Jenkins Township Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Noncompliance With Prior Audit Recommendation – Failure To Adopt
Benefit Provisions Mandated By Act 30

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Jenkins Township and, where appropriate, their responses have been included in the report. We would like to thank township officials for the cooperation extended to us during the conduct of the audit.

August 29, 2013

Report Distribution List	9

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system state aid and of every municipal pension plan and fund in which general municipal pension system state aid is deposited.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Jenkins Township Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Jenkins Township Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 004-90, as amended, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the township and its police officers. As of December 31, 2012, the plan had 3 active members, no terminated members eligible for vested benefits in the future and 1 retiree receiving pension benefits.

JENKINS TOWNSHIP POLICE PENSION PLAN
STATUS OF PRIOR FINDING

Noncompliance With Prior Audit Recommendation

Jenkins Township has not complied with the prior audit recommendation concerning the following as further discussed in the Findings and Recommendations section of this report:

- Failure To Adopt Benefit Provisions Mandated By Act 30

JENKINS TOWNSHIP POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Failure To Adopt Benefit Provisions Mandated By Act 30

Condition: As disclosed in our prior audit report, on April 17, 2002, Act 600 was amended by Act 30, which made significant changes to the statutorily prescribed benefit structure of police pension plans subject to Act 600. Municipal officials have not amended the police pension plan’s benefit structure to adopt all of the changes mandated by Act 30. The specific inconsistencies are as follows:

<u>Benefit Provision</u>	<u>Governing Document</u>	<u>Act 600 (as amended)</u>
Survivor’s benefit	A lifetime survivor benefit, so long as he/she does not remarry, or if no widow survives, or if she survives and subsequently dies, then the child or children under the age of 18 years of the deceased eligible participant shall be entitled to receive a pension calculated to 50% of the pension to which the participant was entitled.	A lifetime survivor’s benefit must be provided to the surviving spouse (or if no spouse survives or if he or she subsequently dies, the child or children under 18 years of age or if attending college, under or attaining the age of 23) of no less than 50% of the pension the member was receiving or would have been entitled to receive had he been retired at the time of death. (“Attending college” shall mean the eligible children are registered at an accredited institution of higher learning and are carrying a minimum course load of 7 credit hours per semester.)
Service-related disability benefit	A monthly benefit equal to 50% of the member’s average monthly compensation during the last 36 months of employment reduced by Social Security disability benefits and or Worker’s Compensation programs.	The benefit must be in conformity with a uniform scale and fixed by the plan’s governing document at no less than 50% of the member’s salary at the time the disability was incurred, reduced by the amount of Social Security disability benefits received for the same injury.

JENKINS TOWNSHIP POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – (Continued)

<u>Benefit Provision</u>	<u>Governing Document</u>	<u>Act 600 (as amended)</u>
Pre-vesting death benefit	None provided	The surviving spouse of a member of the police force who dies before his pension has vested or if no spouse survives or if he or she survives and subsequently dies, the child or children under the age of eighteen years, or, if attending college, under or attaining the age of twenty-three years, of the member of the police force shall be entitled to receive repayment of all money which the member invested in the pension fund plus interest or other increases in value of the member's investment in the pension fund, unless the member has designated another beneficiary for this purpose.

Criteria: The police pension plan's benefit structure should be in compliance with Act 600, as amended by Act 30.

Cause: Plan officials have failed to adopt adequate internal control procedures to ensure compliance with the prior audit recommendation.

Effect: Maintaining a benefit structure which is not in compliance with Act 600 could result in plan members or their beneficiaries receiving incorrect benefit amounts or being denied benefits to which they are statutorily entitled.

Recommendation: We again recommend that municipal officials, after consulting with their solicitor, take whatever action is necessary to bring the police pension plan's benefit structure into compliance with Act 600, as amended by Act 30, at their earliest opportunity to do so.

Management's Response: Municipal officials agreed with the finding without exception. The board of township supervisors, along with township solicitor, have been working with the plan consultant to amend the governing document to comply with the applicable provisions of Act 30.

Auditor's Conclusion: Compliance will be evaluated during our next audit of the plan.

JENKINS TOWNSHIP POLICE PENSION PLAN
 SUPPLEMENTARY INFORMATION
 (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2007, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-07	\$ 453,261	\$ 389,266	\$ (63,995)	116.4%	\$ 68,775	(93.0%)
01-01-09	483,350	474,861	(8,489)	101.8%	79,249	(10.7%)
01-01-11	497,893	425,690	(72,203)	117.0%	68,638	(105.2%)

Note: The market values of the plan's assets at 01-01-09 and 01-01-11 have been adjusted to reflect the smoothing of gains and/or losses over a 5-year averaging period. This method will lower contributions in years of less than expected returns and increase contributions in years of greater than expected returns. The net effect over long periods of time is to have less variance in contribution levels from year to year.

JENKINS TOWNSHIP POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. When assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.

JENKINS TOWNSHIP POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER
AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2007	\$ 9,257	100.0%
2008	8,894	100.0%
2009	9,688	100.0%
2010	11,343	100.0%
2011	6,702	200.9%
2012	12,526	100.0%

JENKINS TOWNSHIP POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
NOTES TO SUPPLEMENTARY SCHEDULES
(UNAUDITED)

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2011
Actuarial cost method	Entry age normal
Amortization method	N/A
Remaining amortization period	N/A
Asset valuation method	Fair value, 5-year smoothing
Actuarial assumptions:	
Investment rate of return	7.0%
Projected salary increases	4.0%
Cost-of-living adjustments	3.0% per year postretirement

JENKINS TOWNSHIP POLICE PENSION PLAN
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Tom Corbett
Governor
Commonwealth of Pennsylvania

Jenkins Township Police Pension Plan
Luzerne County
46 1/2 Main Street
Inkerman, PA 18640

Mr. Joseph Zelonis	Chairman, Board of Township Supervisors
Mr. Stanley E. Rovinski	Chief Administrative Officer
Mr. Robert E. Jones	Township Manager
