Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Appoint A Chief Administrative Officer
Finding No. 2 – Partial Compliance With Prior Audit Recommendation – Incorrect Data Supplied To Actuary For Actuarial Valuation Report Preparation
Supplementary Information9
Report Distribution List

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 <u>et seq.</u>). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the McAdoo Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

 Act 581 - The Borough Code, Act of February 1, 1966 (P.L. 1656, No. 581), Article XI(f), Police Pension Fund in Boroughs Having a Police Force of Less Than Three Members, as amended, 53 P.S. § 46131 et seq.

The McAdoo Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 03-05. The plan is also affected by the provisions of collective bargaining agreements between the borough and its police officers.

The Honorable Mayor and Borough Council McAdoo Borough Schuylkill County McAdoo, PA 18237

We have conducted a compliance audit of the McAdoo Borough Police Pension Plan for the period January 1, 2007, to December 31, 2008. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with *Government Auditing Standards* applicable to performance audits issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

The objectives of the audit were:

- 1. To determine if municipal officials took appropriate corrective action to address the findings contained in our prior audit report; and
- 2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the McAdoo Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the borough's internal controls as they relate to the borough's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our tests indicated that, in all significant respects, the McAdoo Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1	 Noncompliance With Prior Audit Recommendation – Failure To Appoint A Chief Administrative Officer
Finding No. 2	 Partial Compliance With Prior Audit Recommendation – Incorrect Data Supplied To Actuary For Actuarial Valuation Report Preparation

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of McAdoo Borough and, where appropriate, their responses have been included in the report.

February 5, 2010

JACK WAGNER Auditor General

MCADOO BOROUGH POLICE PENSION PLAN STATUS OF PRIOR FINDINGS

Compliance With Prior Audit Recommendations

McAdoo Borough has complied with the prior audit recommendations concerning the following:

• Failure To Cash Surrender Insurance Contracts

The borough cash surrendered the 2 allocated life insurance contracts and deposited the proceeds into the police pension plan; and

• Failure To Maintain An Adequate Record-Keeping System

During the audit period, borough officials had financial statements prepared for the pension plan.

Partial Compliance With Prior Audit Recommendation

· Incorrect Data Supplied To Actuary For Actuarial Valuation Report Preparation

The January 1, 2007, and January 1, 2009, actuarial valuation reports contained the correct disability benefit provisions; however, the reports included an incorrect vesting benefit provision as further discussed in the Findings and Recommendations section of this report.

Noncompliance With Prior Audit Recommendation

McAdoo Borough has not complied with the prior audit recommendation concerning the following as further discussed in the Findings and Recommendations section of this report:

• Failure To Appoint A Chief Administrative Officer

MCADOO BOROUGH POLICE PENSION PLAN FINDINGS AND RECOMMENDATIONS

<u>Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Appoint A</u> <u>Chief Administrative Officer</u>

<u>Condition</u>: As disclosed in the prior audit report, municipal officials did not appoint a chief administrative officer (CAO) for the pension plan by ordinance, resolution or by a motion recorded in the minutes of a council meeting.

<u>Criteria</u>: Section 102 of Act 205 defines the CAO as "The person who has primary responsibility for the execution of the administrative affairs of the municipality in the case of the municipality, or of the pension plan in the case of the pension plan, or the designee of that person."

Municipal officials may appoint two CAOs - one for the pension plan and one for the municipality or appoint one person to fill both positions. Act 205 identifies specific duties for each position, as follows:

CAO of the Municipality

- Supervise and direct the preparation of actuarial reports (Section 201(d));
- Certify and file actuarial valuation reports with the Public Employee Retirement Commission (Section 201(b)); and
- Make actuarial report information available to plan members (Section 201(e)).

CAO of the Pension Plan

- Annually, determine and submit to the governing body of the municipality the financial requirements of the pension plan and minimum municipal obligation (Section 302(b), Section 302(c), Section 303(b), Section 303(c) and Section 304); and
- Provide the governing body of the municipality with a cost estimate of the effect of any proposed benefit plan modification (Section 305(a)).

<u>Cause</u>: Plan officials failed to establish adequate internal control procedures to ensure compliance with the prior audit recommendation.

<u>Effect</u>: The failure to formally appoint a CAO could result in important filing deadlines being overlooked, state aid being adversely affected or delayed and investment opportunities being lost.

MCADOO BOROUGH POLICE PENSION PLAN FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

<u>Recommendation</u>: Because of the significance of the CAO's responsibilities to the municipality or pension plan, we again recommend that the CAO be formally appointed by ordinance, resolution or motion recorded in the minutes of a council meeting. Such ordinance, resolution or motion should detail the CAO's responsibilities and be filed with other plan documents.

Management's Response: Municipal officials agreed with the finding without exception.

<u>Finding No. 2 – Partial Compliance With Prior Audit Recommendation – Incorrect Data</u> Supplied To Actuary For Actuarial Valuation Report Preparation

<u>Condition</u>: As disclosed in the prior audit report, actuarial valuation report form PC-201C, with a valuation date of January 1, 2005, submitted to the Public Employee Retirement Commission (PERC), contained incorrect information. During the current audit period, the January 1, 2007, and January 1, 2009, actuarial valuation reports contained the correct disability benefit provisions; however, the reports contained an incorrect vesting benefit provision. The vesting benefit provision contained in the reports indicated that members were 100 percent vested upon completion of 10 years of service; however, the plan's governing document requires 12 years of service for vesting.

Criteria: Section 201(d) of Act 205 states:

Responsibility for preparation and filing of reports and investigations. The actuarial valuation report or experience investigation required pursuant to subsection (a) shall be prepared under the supervision and at the discretion of the chief administrative officer of the municipality, who shall be responsible for the filing of the document. The actuarial valuation report or experience investigation shall be signed by the chief administrative officer, indicating that to the extent of the understanding and knowledge of the officer, the report or investigation represents a true and accurate portrayal of the actuarial, financial and demographic condition of the pension plan of the municipality.

<u>Cause</u>: Plan officials failed to establish adequate internal control procedures to ensure full compliance with the prior audit recommendation.

MCADOO BOROUGH POLICE PENSION PLAN FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

<u>Effect</u>: The failure to include accurate benefit information in the actuarial valuation report could result in improper funding of the pension plan.

<u>Recommendation</u>: We recommend that plan officials contact PERC to determine if a revised January 1, 2009, actuarial valuation report may be filed. If a revised report is prepared and accepted by PERC, a copy should be submitted to: Department of the Auditor General, Bureau of Municipal Pension Audits, 406 Finance Building, Harrisburg, PA 17120.

Furthermore, we again recommend that, in the future, plan officials review and verify all information submitted to and received from the plan's actuary so that future actuarial valuation reports properly reflect the status of the pension plan.

Management's Response: Municipal officials agreed with the finding without exception.

MCADOO BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially, except for distressed pension plans, for which annual reporting was required through January 1, 2003. The historical information, beginning as of January 1, 2003, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
						Unfunded
			Unfunded			(Assets in
		Actuarial	(Assets in			Excess of)
		Accrued	Excess of)			Actuarial
	Actuarial	Liability	Actuarial			Accrued
Actuarial	Value of	(AAL) -	Accrued	Funded	Covered	Liability as a %
Valuation	Assets	Entry Age	Liability	Ratio	Payroll	of Payroll
Date	(a)	(b)	(b) - (a)	(a)/(b)	(c)	[(b-a)/(c)]
01-01-03	\$ 1,461,252	\$ 299,258	\$ (1,161,994)	488.3%	\$ 79,011	(1,470.7%)
01-01-05	1,687,668	355,639	(1,332,029)	474.5%	33,044	(4,031.1%)
01-01-07	1,784,709	428,033	(1,356,676)	417.0%	None	N/A

MCADOO BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the bigher the bracketed percentage, the stronger the plan.

MCADOO BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2003	None	N/A
2004	None	N/A
2005	None	N/A
2006	None	N/A
2007	None	N/A
2008	None	N/A

MCADOO BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION NOTES TO SUPPLEMENTARY SCHEDULES (UNAUDITED)

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2007
Actuarial cost method	Entry age normal
Amortization method	N/A
Remaining amortization period	N/A
Asset valuation method	Fair value
Actuarial assumptions:	
Investment rate of return	5.0%
Projected salary increases	5.0%

MCADOO BOROUGH POLICE PENSION PLAN REPORT DISTRIBUTION LIST
