Finding No. 1 – Noncompliance With Prior Audit Recommendation – Restated Plan Document Not Adopted By Ordinance.....	8
Finding No. 2 – Failure To Appoint A Chief Administrative Officer	8
Supplementary Information	10
Report Distribution List	15

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Mercersburg Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Mercersburg Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 5-2 (formerly Ordinance No. 281), as amended, and a separately executed plan agreement with the plan's custodian.

The Honorable Mayor and Borough Council
Mercersburg Borough
Franklin County
Mercersburg, PA 17236

We have conducted a compliance audit of the Mercersburg Borough Police Pension Plan for the period January 1, 2009, to December 31, 2011. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Our methodology addressed determinations about the following:

- Whether state aid was properly determined and deposited in accordance with Act 205 requirements.
- Whether employer contributions are determined and deposited in accordance with the plan's governing document and applicable laws and regulations.
- Whether employee contributions are required and, if so, are determined, deducted and deposited into the pension plan and are in accordance with the plan provisions and applicable laws and regulations.

- Whether benefit payments, if any, represent payments to all (and only) those entitled to receive them and are properly determined in accordance with applicable laws and regulations.
- Whether obligations for plan benefits are accurately determined in accordance with plan provisions and based on complete and accurate participant data; and whether actuarial valuation reports are prepared and submitted to the Public Employee Retirement Commission (PERC) in accordance with state law and selected information provided on these reports is accurate, complete and in accordance with plan provisions to ensure compliance for participation in the state aid program.
- Whether the terms of the unallocated insurance contract, including ownership and any restrictions, are in compliance with plan provisions, investment policies and state regulations.
- Whether benefit payments have only been made to living recipients, based on the Social Security numbers found in the pension records for retirees and beneficiaries.

Mercersburg Borough contracted with an independent certified public accounting firm for annual audits of its basic financial statements which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Mercersburg Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the borough's internal controls as they relate to the borough's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our tests indicated that, in all significant respects, the Mercersburg Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Restated Plan Document Not Adopted By Ordinance

Finding No. 2 – Failure To Appoint A Chief Administrative Officer

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Mercersburg Borough and, where appropriate, their responses have been included in the report.

October 9, 2012

JACK WAGNER
Auditor General

MERCERSBURG BOROUGH POLICE PENSION PLAN
STATUS OF PRIOR FINDING

Noncompliance With Prior Audit Recommendation

Mercersburg Borough has not complied with the prior audit recommendation concerning the following as further discussed in the Findings and Recommendations section of this report:

- Restated Plan Document Not Adopted By Ordinance

MERCERSBURG BOROUGH POLICE PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Restated Plan Document
Not Adopted By Ordinance

Condition: As disclosed in the prior audit report, the terms, provisions and conditions of the police pension plan were restated in a separately executed plan agreement with Principal Financial Group effective January 1, 2003. However, the restated plan agreement has not been formally adopted by an ordinance that would properly amend the plan’s existing governing ordinance.

Criteria: Sound internal control dictates that benefit provisions should be consistent within the plan documents to avoid the payment of improper or inconsistent benefits to plan members and their beneficiaries.

Furthermore, in *Wynne v. Lower Merion Township*, 181 Pa. Superior Ct., 524, the Pennsylvania Superior Court held that an ordinance may be amended only by another ordinance and not by a resolution.

Cause: Plan officials failed to establish adequate internal control procedures to ensure compliance with the prior audit recommendation.

Effect: The failure to properly adopt the plan agreement could result in improper or inconsistent benefit payments to plan members and their beneficiaries.

Recommendation: We again recommend that municipal officials take appropriate action to formally adopt the restated plan document through a properly executed ordinance.

Management’s Response: Municipal officials agreed with the finding without exception.

Finding No. 2 – Failure To Appoint A Chief Administrative Officer

Condition: Municipal officials did not appoint a chief administrative officer (CAO) for the pension plan by ordinance, resolution or by a motion recorded in the minutes of a council meeting.

Criteria: Section 102 of Act 205 defines the CAO as “The person who has primary responsibility for the execution of the administrative affairs of the municipality in the case of the municipality, or of the pension plan in the case of the pension plan, or the designee of that person.”

MERCERSBURG BOROUGH POLICE PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Municipal officials may appoint two CAOs - one for the pension plan and one for the municipality or appoint one person to fill both positions. Act 205 identifies specific duties for each position, as follows:

CAO of the Municipality

- Supervise and direct the preparation of actuarial reports (Section 201(d));
- Certify and file actuarial valuation reports with the Public Employee Retirement Commission (Section 201(b)); and
- Make actuarial report information available to plan members (Section 201(e)).

CAO of the Pension Plan

- Annually, determine and submit to the governing body of the municipality the financial requirements of the pension plan and minimum municipal obligation (Section 302(b), Section 302(c), Section 303(b), Section 303(c) and Section 304); and
- Provide the governing body of the municipality with a cost estimate of the effect of any proposed benefit plan modification (Section 305(a)).

Cause: Plan officials were unaware of the need to appoint a CAO for the pension plan in accordance with Act 205 provisions.

Effect: The failure to formally appoint a CAO could result in important filing deadlines being overlooked, state aid being adversely affected and/or delayed, and investment opportunities being lost.

Recommendation: Because of the significance of the CAO's responsibilities to the municipality and/or pension plan, we recommend that the CAO be formally appointed by ordinance, resolution or motion recorded in the minutes of a council meeting. Such ordinance, resolution or motion should detail the CAO's responsibilities and be filed with other plan documents.

Management's Response: Municipal officials agreed with the finding without exception and adopted Resolution No. 17-12, which formally appointed a new CAO for the pension plan.

Auditor's Conclusion: Municipal officials have complied with the finding recommendation.

MERCERSBURG BOROUGH POLICE PENSION PLAN
 SUPPLEMENTARY INFORMATION
 (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2007, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-07	\$ 455,973	\$ 195,469	\$ (260,504)	233.3%	\$ 66,754	(390.2%)
01-01-09	295,511	156,224	(139,287)	189.2%	37,384	(372.6%)
01-01-11	326,571	160,835	(165,736)	203.0%	76,794	(215.8%)

MERCERSBURG BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.
