BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 <u>et seq</u>.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Morton Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

- Act 147 Special Ad Hoc Municipal Police and Firefighter Postretirement Adjustment Act, Act of December 14, 1988 (P.L. 1192, No. 147), as amended, 53 P.S. § 896.101 et seq.
- Act 600 Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Morton Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 580, as amended, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the borough and its police officers.

The Honorable Mayor and Borough Council Morton Borough Delaware County Morton, PA 19070

We have conducted a compliance audit of the Morton Borough Police Pension Plan for the period January 1, 2009, to December 31, 2011. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with *Government Auditing Standards* applicable to performance audits issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

- 1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report; and
- 2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Morton Borough contracted with an independent certified public accounting firm for annual audits of its financial statements prepared in conformity with the accounting practices prescribed or permitted by the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Morton Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the borough's internal controls as they relate to the borough's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our tests indicated that, in all significant respects, the Morton Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Noncompliance With Prior Audit Recommendation – Plan's Governing Document Contains An Unauthorized Nonservice-Related Disability Benefit Provision

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Morton Borough and, where appropriate, their responses have been included in the report.

JACK WAGNER Auditor General

MORTON BOROUGH POLICE PENSION PLAN STATUS OF PRIOR FINDING

Noncompliance With Prior Audit Recommendation

Morton Borough has not complied with the prior audit recommendation concerning the following as further discussed in the Finding and Recommendation section of this report:

· <u>Plan's Governing Document Contains An Unauthorized Nonservice-Related Disability</u> <u>Benefit Provision</u>

MORTON BOROUGH POLICE PENSION PLAN FINDING AND RECOMMENDATION

<u>Finding – Noncompliance With Prior Audit Recommendation – Plan's Governing Document</u> <u>Contains An Unauthorized Nonservice-Related Disability Benefit Provision</u>

<u>Condition</u>: As disclosed in the prior audit report, the pension plan's governing document, Ordinance No. 580, as amended, at Section IV inappropriately contains a provision for the payment of a nonservice-related disability benefit. This provision is not authorized by Act 600.

<u>Criteria</u>: Regarding disability benefits, Section 5(e)(1) of Act 600 states:

In the case of the payment of pensions for permanent injuries <u>incurred in service</u>, the amount and commencement of the payments shall be fixed by regulations of the governing body of the borough, town, township or regional police department and shall be calculated at a rate no less than fifty per centum of the member's salary at the time the disability was incurred, provided that any member who receives benefits for the same injuries under the Social Security Act (49 Stat. 620, 42 U.S.C. § 301 et. seq.) shall have his disability benefits offset or reduced by the amount of such benefits. (Emphasis added)

Furthermore, the Supreme Court of Pennsylvania in *Chirico v. Board of Supervisors for Newtown Township*, 518 Pa. 572, 544A.2d 1313 (1988) held that Act 600 does not provide for the payment of pension benefits for non-service related injuries.

<u>Cause</u>: Plan officials were unable to amend the plan's governing document through the collective bargaining process.

<u>Effect</u>: Providing unauthorized pension benefits increases the plan's pension costs and reduces the amount of funds available for investment purposes or for the payment of authorized benefits or administrative expenses. Since the borough received state aid based on unit value during the current audit period, it did not receive allocations attributable to the excess pension benefits provided. However, the increased costs to the pension plan as a result of the excess pension benefits could result in the receipt of excess state aid in the future and increase the municipal contributions necessary to fund the plan in accordance with Act 205 funding standards.

<u>Recommendation</u>: We again recommend that the plan's governing document be amended to be in compliance with Act 600 at the borough's earliest opportunity to do so.

<u>Management's Response</u>: Municipal officials stated that the borough negotiated a new collective bargaining agreement for the years 2012-2015 but was unsuccessful in removing the nonservice-related disability benefit provision from the contract. Municipal officials indicated they will try again to negotiate to remove the nonservice-related disability benefit provision.

Auditor's Conclusion: Compliance will be evaluated during our next audit of the plan.

MORTON BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2007, is as follows:

| | (1) | (2) | (3) | (4) | (5) | (6) |
|-----------|--------------|--------------|------------|---------|------------|------------------|
| | | | | | | Unfunded |
| | | | Unfunded | | | (Assets in |
| | | Actuarial | (Assets in | | | Excess of) |
| | | Accrued | Excess of) | | | Actuarial |
| | Actuarial | Liability | Actuarial | | | Accrued |
| Actuarial | Value of | (AAL) - | Accrued | Funded | Covered | Liability as a % |
| Valuation | Assets | Entry Age | Liability | Ratio | Payroll | of Payroll |
| Date | (a) | (b) | (b) - (a) | (a)/(b) | (c) | [(b-a)/(c)] |
| 01-01-07 | \$ 1,050,469 | \$ 1,539,002 | \$ 488,533 | 68.3% | \$ 304,918 | 160.2% |
| 01-01-09 | 1,096,287 | 1,720,250 | 623,963 | 63.7% | 328,054 | 190.2% |
| 01-01-11 | 1,346,849 | 1,833,093 | 486,244 | 73.5% | 336,591 | 144.5% |

Note: The market values of the plan's assets at 01-01-09 and 01-01-11 have been adjusted to reflect the smoothing of gains and/or losses at 130 percent of market value. This method will lower contributions in years of less than expected returns and increase contributions in years of greater than expected returns. The net effect over long periods of time is to have less variance in contribution levels from year to year.

MORTON BOROUGH POLICE PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.
