### ABBREVIATION

PMRS - Pennsylvania Municipal Retirement System

## BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Pine Grove Township Nonuniformed Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974  
(P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.

The Pine Grove Township Nonuniformed Pension Plan is a single-employer cash balance pension plan locally controlled by the provisions of Ordinance No. 1-08, adopted pursuant to Act 15. Active members are not required to contribute to the plan. The municipality is required to contribute \$500 quarterly to each member's account.

We have conducted a compliance audit of the Pine Grove Township Nonuniformed Pension Plan for the period January 1, 2008, to December 31, 2009. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with *Government Auditing Standards* applicable to performance audits issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objective.

The objective of the audit was to determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objective identified above. The Pine Grove Township Nonuniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Pine Grove Township Nonuniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the township's internal controls as they relate to the township's compliance with those requirements and that we considered to be significant within the context of our audit objective, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objective.

The results of our tests indicated that, in all significant respects, the Pine Grove Township Nonuniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Receipt Of State Aid In Excess Of Entitlement

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Pine Grove Township and, where appropriate, their responses have been included in the report.

PINE GROVE TOWNSHIP NONUNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

Finding – Receipt Of State Aid In Excess Of Entitlement

Condition: The township received state aid in excess of the nonuniformed pension plan’s defined contribution pension costs in the year 2010, as illustrated below:

State aid allocation	\$ 8,710
Actual municipal pension costs	<u>(7,799)</u>
Excess state aid	<u>\$ 911</u>

Criteria: Section 402(f)(2) of Act 205 states:

No municipality shall be entitled to receive an allocation of general municipal pension system State aid in an amount which exceeds the aggregate actual financial requirements of any municipal pension plans for police officers, paid firefighters or employees other than police officers or paid firefighters maintained by the municipality, less the amount of any aggregate annual member or employee contributions during the next succeeding plan year, as reported in the most recent complete actuarial report filed with the commission.

Cause: Plan officials were unaware of the need to annually reconcile the amount of state aid allocated to the township with the plan’s actual defined contribution pension costs.

Effect: It is this department’s opinion that because the entire proceeds of the insurance premium tax on foreign casualty insurance companies are distributed annually to each eligible recipient municipality, it is inappropriate to use state aid in one year to offset pension costs in other years. Consequently, the overpayment of state aid in the year 2010, in the total amount of \$911, must be returned to the Commonwealth for redistribution.

Recommendation: We recommend that the municipality return the \$911 of excess state aid received in the year 2010 to the Commonwealth from township funds. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 11 Stanwix Street, Suite 1450, Pittsburgh, PA 15222. A copy of the interest calculation must be submitted along with evidence of payment.

Furthermore, we recommend that, in the future, plan officials reconcile the amount of state aid allocated to the township with the plan’s actual defined contribution pension costs.

Management’s Response: Municipal officials agreed with the finding without exception.
