ABBREVIATION

PMRS - Pennsylvania Municipal Retirement System

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Price Township Nonuniformed Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974 (P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.

Act 69 - The Second Class Township Code, Act of May 1, 1933 (P.L. 103, No. 69), as reenacted and amended, 53 P.S. § 65101 et seq.

The Price Township Nonuniformed Pension Plan is a single-employer cash balance pension plan locally controlled by the provisions of Ordinance No. 36, adopted pursuant to Act 15. Active members are not required to contribute to the plan. However, members may contribute up to, but no more than 10 percent of their compensation. The municipality is required to contribute 5 percent of each member's compensation.

Board of Township Supervisors
Price Township
Monroe County
East Stroudsburg, PA 18302

We have conducted a compliance audit of the Price Township Nonuniformed Pension Plan for the period January 1, 2009, to December 31, 2011. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objective.

The objective of the audit was to determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objective identified above. Our methodology addressed determinations about the following:

- Whether state aid was properly determined and deposited in accordance with Act 205 requirements.
- Whether employer contributions are determined and deposited in accordance with the plan's governing document and applicable laws and regulations.
- Whether employee contributions are required and, if so, are determined, deducted and deposited into the pension plan and are in accordance with the plan provisions and applicable laws and regulations.
- Whether benefit payments, if any, represent payments to all (and only) those entitled to receive them and are properly determined in accordance with applicable laws and regulations.

- Whether obligations for plan benefits are accurately determined in accordance with plan provisions and based on complete and accurate participant data; and whether actuarial valuation reports are prepared and submitted to the Public Employee Retirement Commission (PERC) in accordance with state law and selected information provided on these reports is accurate, complete and in accordance with plan provisions to ensure compliance for participation in the state aid program.
- Whether the terms of the contractual agreement with the Pennsylvania Municipal Retirement System are in accordance with the plan's governing document, if separately stated, and applicable laws and regulations.

The Price Township Nonuniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Price Township Nonuniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the township's internal controls as they relate to the township's compliance with those requirements and that we considered to be significant within the context of our audit objective, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objective.

The results of our tests indicated that, in all significant respects, the Price Township Nonuniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1 – Incorrect Data On Certification Form AG 385 Resulting In A
Net Overpayment Of State Aid

Finding No. 2 – Failure To Appoint A Chief Administrative Officer

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Price Township and, where appropriate, their responses have been included in the report.

August 9, 2012

JACK WAGNER
Auditor General

PRICE TOWNSHIP NONUNIFORMED PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Incorrect Data On Certification Form AG 385 Resulting In A Net Overpayment
Of State Aid

Condition: The township understated payroll by \$1,181 on the Certification Form AG 385 filed in 2009. In addition, the township overstated payroll by \$1,925 on the Certification Forms AG 385 filed in 2010 and 2011 by including supervisor meeting pay. The data contained on these certification forms is based on prior calendar year information.

Criteria: Pursuant to the instructions that accompany Certification Form AG 385, the total payroll eligible to be certified should be Internal Revenue Service Form W-2 earnings pertaining to full-time positions.

Cause: Plan officials failed to establish adequate internal control procedures to ensure the accuracy of the data certified and failed to follow the instructions accompanying the certification form.

Effect: The data submitted on these certification forms is used, in part, to calculate the state aid due to the municipality for distribution to its pension plan. Because the township’s state aid allocations were based on pension costs, the incorrect certification of pension data affected the township’s state aid allocations, as identified below:

<u>Year</u>	<u>Normal Cost</u>	<u>Payroll Overstated (Understated)</u>	<u>State Aid Overpayment (Underpayment)</u>
2009	5.0%	\$ (1,181)	\$ (59)
2010	5.0%	\$ 1,925	\$ 96
2011	5.0%	\$ 1,925	<u>\$ 96</u>
Net Overpayment of State Aid			<u><u>\$ 133</u></u>

In addition, the township used the overpayments of state aid to pay the minimum municipal obligations (MMOs) due to the nonuniformed pension plan; therefore, if the reimbursement to the Commonwealth is made from the pension plan, the plan’s MMOs will not be fully paid.

PRICE TOWNSHIP NONUNIFORMED PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Recommendation: We recommend that the net overpayment of state aid, in the amount of \$133, be returned to the Commonwealth. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the pension plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 11 Stanwix Street, Suite 1450, Pittsburgh, PA 15222. A copy of the interest calculation must be submitted along with the check.

We also recommend that plan officials establish adequate internal control procedures to ensure compliance with the instructions that accompany Certification Form AG 385 to assist them in accurately reporting the required pension data.

In addition, if the reimbursement to the Commonwealth is made from nonuniformed pension plan funds, we recommend that any resulting MMO deficiencies be paid to the pension plan with interest, at a rate earned by the pension plan.

Management’s Response: Municipal officials agreed with the finding without exception.

Finding No. 2 – Failure To Appoint A Chief Administrative Officer

Condition: Municipal officials did not appoint a chief administrative officer (CAO) for the pension plan by ordinance, resolution or by a motion recorded in the minutes of a council meeting.

Criteria: Section 102 of Act 205 defines the CAO as “The person who has primary responsibility for the execution of the administrative affairs of the municipality in the case of the municipality, or of the pension plan in the case of the pension plan, or the designee of that person.”

Municipal officials may appoint two CAOs - one for the pension plan and one for the municipality or appoint one person to fill both positions. Act 205 identifies specific duties for each position, as follows:

PRICE TOWNSHIP NONUNIFORMED PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

CAO of the Municipality

- Supervise and direct the preparation of actuarial reports (Section 201(d));
- Certify and file actuarial valuation reports with the Public Employee Retirement Commission (Section 201(b)); and
- Make actuarial report information available to plan members (Section 201(e)).

CAO of the Pension Plan

- Annually, determine and submit to the governing body of the municipality the financial requirements of the pension plan and minimum municipal obligation (Section 302(b), Section 302(c), Section 303(b), Section 303(c) and Section 304); and
- Provide the governing body of the municipality with a cost estimate of the effect of any proposed benefit plan modification (Section 305(a)).

Cause: Plan officials were unaware of the need to appoint a CAO for the pension plan in accordance with Act 205 provisions.

Effect: The failure to formally appoint a CAO could result in important filing deadlines being overlooked, state aid being adversely affected and/or delayed and investment opportunities being lost.

Recommendation: Because of the significance of the CAO's responsibilities to the municipality and/or pension plan, we recommend that the CAO be formally appointed by ordinance, resolution or motion recorded in the minutes of a council meeting. Such ordinance, resolution or motion should detail the CAO's responsibilities and be filed with other plan documents.

Management's Response: Municipal officials agreed with the finding without exception.
