## BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Wilkins Township Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 147 - Special Ad Hoc Municipal Police and Firefighter Postretirement Adjustment Act, Act of December 14, 1988 (P.L. 1192, No. 147), as amended, 53 P.S. § 896.101 et seq.

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Wilkins Township Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 939, as amended, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the township and its police officers.

Board of Township Commissioners  
Wilkins Township  
Allegheny County  
Turtle Creek, PA 15145

We have conducted a compliance audit of the Wilkins Township Police Pension Plan for the period January 1, 2006, to December 31, 2008. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with *Government Auditing Standards* applicable to performance audits issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objective.

The objective of the audit was to determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objective identified above. Wilkins Township contracted with an independent certified public accounting firm for annual audits of its basic financial statements which are available at the township's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Wilkins Township Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the township's internal controls as they relate to the township's compliance with those requirements and that we considered to be significant within the context of our audit objective, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objective.

The results of our tests indicated that, in all significant respects, the Wilkins Township Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1 – Incorrect Data On Certification Form AG 385 Resulting In  
An Overpayment Of State Aid

Finding No. 2 – Pension Benefit Not Authorized By Act 600

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Wilkins Township and, where appropriate, their responses have been included in the report.

July 1, 2009

JACK WAGNER  
Auditor General

WILKINS TOWNSHIP POLICE PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Incorrect Data On Certification Form AG 385 Resulting In An Overpayment Of State Aid

Condition: The township certified one ineligible police officer (2 units) and overstated payroll by \$15,225 in 2008 on Certification Form AG 385.

Criteria: Pursuant to Act 205, at Section 402(e)(2), in order to be eligible for certification, an employee must have been employed on a full-time basis for at least six consecutive months and must have been participating in a pension plan during the certification year.

Cause: Plan officials were unaware of the applicable Act 205 guidelines for the certification of eligible employees.

Effect: The data submitted on this certification form is used, in part, to calculate the state aid due to the municipality for distribution to its pension plans. Because the township’s state aid allocation was based on unit value, the incorrect certification of pension data affected the township’s state aid allocation, as identified below:

<u>Units Overstated</u>	<u>Unit Value</u>	<u>State Aid Overpayment</u>
2	\$ 3,186	\$ 6,372

Recommendation: We recommend that the total excess state aid, in the amount of \$6,372, be returned to the Commonwealth. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the pension plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 1205 Pittsburgh State Office Building, 300 Liberty Avenue, Pittsburgh, PA 15222. A copy of the interest calculation must be submitted along with the check.

We also recommend that, in the future, plan officials comply with the instructions that accompany Certification Form AG 385 to assist them in accurately reporting the required pension data.

Management’s Response: Municipal officials agreed with the finding without exception.

WILKINS TOWNSHIP POLICE PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Pension Benefit Not Authorized By Act 600

Condition: Subsequent to the audit period, plan officials provided pension benefits in excess of those authorized by Act 600 and the plan’s governing document. Plan officials included accumulated unused sick leave that was not earned during the pension computation period in the determination of final average salary used to calculate monthly pension benefits for a police officer who retired on March 14, 2009. The pension calculation included \$22,891 of unused sick leave pay that was earned outside the averaging period pursuant to a full and final release agreement entered into on June 8, 2009, between the retiree and Wilkins Township.

Criteria: Section 5(c) of Act 600 states, in part:

Monthly pension or retirement benefits other than length of service increments shall be computed at one-half the monthly average salary of such member during not more than the last sixty nor less than the last thirty-six months of employment.

Although Act 600 does not define “salary,” the department has concluded, based on a line of court opinions, that the term does not encompass lump-sum payments for leave that was not earned during the pension computation period. Furthermore, Section 1.18 of the pension plan’s governing document, Ordinance No. 939, states, in part:

Salary shall exclude for this purpose any single sum or extraordinary payments made which are not directly attributable to active Employment during the averaging period, including but not limited to payment for accumulated sick leave, payment of longevity bonus, or payment of a back pay damage award.

Cause: The inclusion of the unauthorized accumulated sick leave in the retiree’s pension benefit calculation was pursuant to a settlement agreement resulting from a lawsuit filed by the retiree against the township in the United States District Court of Western Pennsylvania.

Effect: The plan is paying pension benefits to a retiree in excess of those authorized by Act 600 and the plan’s governing document. As of the date of this report, the retiree is receiving excess benefits of \$318 per month, which totaled approximately \$1,272 from the date of retirement through the date of this audit report.

Providing unauthorized pension benefits increases the plan’s pension costs and reduces the amount of funds available for investment purposes or for the payment of authorized benefits or administrative expenses. Therefore, the increased costs to the pension plan as a result of the excess pension benefits could result in the receipt of excess state aid in the future and increase the municipal contributions necessary to fund the plan in accordance with Act 205 funding standards.

WILKINS TOWNSHIP POLICE PENSION PLAN  
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Recommendation: We recommend that future pension benefits be calculated and paid in accordance with Act 600. To the extent that the township is not in compliance with Act 600 and/or is contractually obligated to pay benefits to existing retirees in excess of those authorized by Act 600, the excess benefits must be reflected in the Act 205 actuarial valuation reports for the plan and funded in accordance with Act 205 funding standards. Furthermore, such benefits will be deemed ineligible for funding with state pension aid. In such case, the plan's actuary may be required to determine the impact, if any, of the excess benefits on the plan's future state aid allocations and submit this information to the department.

Management's Response: Municipal officials agreed with the finding without exception.

WILKINS TOWNSHIP POLICE PENSION PLAN  
 SUPPLEMENTARY INFORMATION  
 (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially, except for distressed pension plans, for which annual reporting was required through January 1, 2003. The historical information, beginning as of January 1, 2003, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-03	\$ 3,155,144	\$ 3,381,805	\$ 226,661	93.3%	\$ 663,410	34.2%
01-01-05	3,132,870	3,835,338	702,468	81.7%	794,683	88.4%
01-01-07	3,500,563	4,326,676	826,113	80.9%	809,425	102.1%

Note: The market values of the plan's assets at 01-01-03, 01-01-05 and 01-01-07, have been adjusted to reflect the smoothing of gains and/or losses over a 4-year averaging period. This method will lower contributions in years of less than expected returns and increase contributions in years of greater than expected returns. The net effect over long periods of time is to have less variance in contribution levels from year to year.

WILKINS TOWNSHIP POLICE PENSION PLAN  
SUPPLEMENTARY INFORMATION  
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.

WILKINS TOWNSHIP POLICE PENSION PLAN  
SUPPLEMENTARY INFORMATION  
(UNAUDITED)

SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER  
AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2003	\$ 106,756	102.0%
2004	127,173	100.0%
2005	143,423	100.0%
2006	199,553	100.0%
2007	194,628	100.0%
2008	203,876	100.0%

WILKINS TOWNSHIP POLICE PENSION PLAN  
SUPPLEMENTARY INFORMATION  
NOTES TO SUPPLEMENTARY SCHEDULES  
(UNAUDITED)

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2007
Actuarial cost method	Entry age normal
Amortization method	Level dollar, closed
Remaining amortization period	12 years (aggregate)
Asset valuation method	Fair value, 4-year smoothing
Actuarial assumptions:	
Investment rate of return	7.5%
Projected salary increases *	5.0%
* Includes inflation at	3.0%

WILKINS TOWNSHIP POLICE PENSION PLAN  
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Edward G. Rendell  
Governor  
Commonwealth of Pennsylvania

Wilkins Township Police Pension Plan  
Allegheny County  
110 Peefer Road  
Turtle Creek, PA 15145

Mr. William G. Wilson      President, Board of Township Commissioners

Ms. Rebecca Bradley      Township Manager

This report is a matter of public record. Copies of this report may be obtained from the Pennsylvania Department of the Auditor General, Office of Communications, Room 318 Finance Building, Harrisburg, PA 17120. If you have any questions regarding this report or any other matter, you may contact the Department of the Auditor General by accessing our website at [www.auditorgen.state.pa.us](http://www.auditorgen.state.pa.us).
