Auditor General DePasquale Demands Legislature Give Child Sex Abuse Victims Chance for Justice

HARRISBURG – Auditor General Eugene DePasquale today released the following video statement calling on the General Assembly to take action this fall to allow adult victims of child sex abuse to seek justice:

“In this fall legislative term it is critical for the Pennsylvania legislature to pass laws to allow these brave victims who came forward and told their stories to have their chance in court to try to get some semblance of justice.

“The Pennsylvania legislature doesn’t need to show bravery, it simply needs to do its job. It needs to pass comprehensive reform to allow statute of limitation changes so that these brave victims can have some semblance of justice.”
