706B FORM GENERAL INSTRUCTIONS:

- To participate in the **Foreign Fire Insurance Tax Distribution** and **General Municipal Pension System State Aid Programs**, Municipalities must complete the online 706B Form located on the Department of Community & Economic Development's Municipal Statistics website. The online 706B Form must be completed by the Municipal Treasurer as soon as funds are distributed to the volunteer firefighters' relief associations, **within 60 days of the municipality's receipt of state aid** (pursuant to Act 205, Section 706(b)(2)). The failure to submit the online 706B Form timely may lead to the withholding of future state aid allocations and a Finding or comment may also be issued within the relief associations' audit report noting the municipality's discrepancy.
- Please ensure the online 706B Form is properly completed. **Incomplete or inaccurate forms will need to be corrected.** The Municipal Official (Treasurer) will be informed regarding this status and they will need to go back in and make corrections.
- The Municipal disbursements of Foreign Fire Insurance Tax funds should be made to **Volunteer Firefighters' Relief Associations** only, **NOT to fire companies.** It is the responsibility of the Municipal Official to certify the correct relief association or relief associations that provide fire service to the municipality and provide this information on the online 706B Form.
- **EVERY MUNICIPALITY MUST COMPLETE ANNUAL ONLINE 706B FORMS, if a state aid allocation was received for a Volunteer Firefighters' Relief Association.** **Note:** If the Municipality has not completed a 706B Form for any year prior to 2021, the previous year or years 706B Form(s) must be completed first before the Municipal Official may complete the current year.
- When completing the online 706B Form, Municipal Officials may 'Save' or 'Save & Exit' the online Form as many times as needed; however, the online Form is not officially submitted until all information is entered into the online Form and the 'Submit' button is pressed and a message appears stating that the Form is Approved or Pending.
 - Once the Form is **Approved** by the Bureau of Fire Relief Audits, the Form will be transferred to the History (Reports) box for the Municipal Official's access to Print and/or Save the Form.
 - If the Form was **Pending** and is not approved by the Bureau of Fire Relief Audits because additional changes are needed, the Form will be transferred to Your Sent Back Tasks box for the Municipal Official to complete additional changes and resubmit. The Municipal Official will receive an email from the Department of the Auditor General Bureau of Fire Relief Audits noting corrections must be addressed.
