**TIMOTHY L. DEFOOR  
AUDITOR GENERAL**

Mr. Charles Gysi, President  
Weldon Fire Company Relief Association  
Montgomery County

We have conducted a compliance audit of the Weldon Fire Company Relief Association (relief association) for the period January 1, 2020, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

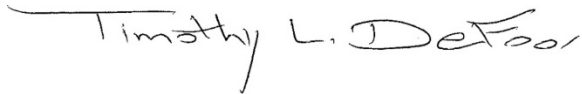

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain independent confirmations of the investment balance directly from the financial institutions. Therefore, while the relief association provided copies of investment statements that indicated that, as of December 31, 2022, the relief association had an investment balance with a fair value of \$234,711, we were not able to verify this investment balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2020, to December 31, 2022, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Failure To Deposit Proceeds From The Sale Of A Jointly Purchased Vehicle

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code<sup>1</sup>, and the Volunteer Firefighters' Relief Association Act<sup>2</sup> ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law<sup>3</sup> (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
Abington Township	Montgomery	\$77,697	\$69,370	\$86,891

<sup>1</sup> 72 P.S. § 403 (as last amended by Act 44 of 2017).

<sup>2</sup> 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

<sup>3</sup> 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

## BACKGROUND – (Continued)

Based on the relief association’s records, its total cash and investments as of December 31, 2022, were \$456,369, as illustrated below:

Cash	\$ 221,658
Fair Value of Investments	<u>234,711</u>
Total Cash and Investments	<u>\$ 456,369</u>

Based on the relief association’s records, its total expenditures for the period January 1, 2020, to December 31, 2022, were \$367,674, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.<sup>4</sup> **The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.**

### Expenditures:

Benefit Services:	
Insurance premiums	<u>\$ 192,241</u>
Fire Services:	
Equipment purchased	<u>\$ 170,176</u>
Administrative Services:

WELDON FIRE COMPANY RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – Failure To Deposit Proceeds From The Sale Of A Jointly Purchased Vehicle**

Condition: In 2010, the relief association expended \$100,000 towards the joint purchase of a 2010 Pierce Quantum Rescue Pumper with the affiliated fire company which had a total cost of \$586,738. The relief association entered into an agreement with the affiliated fire company dated August 23, 2010, where the relief association would receive the pro-rata share percentage of 17.04% if the vehicle was ever sold. In 2021, the jointly purchased vehicle was sold for \$285,000. The relief association received and deposited \$43,605 from this sale; however, the full proportional ownership interest of the proceeds from the jointly purchased vehicle should have been \$48,564.

Criteria: Section 7418(a) of the VFRA Act states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Prudent business practice dictates that the relief association should secure its proportional ownership interest in the jointly purchased vehicle by executing a formal written agreement that enumerates the relief association's proportional share of financing. Such agreement shall specify that the relief association shall receive its prorated share of the proceeds upon sale of the vehicle, in the event the vehicle is ever sold. Once the vehicle is sold, the relief association officials should closely monitor all sales to ensure proceeds are received and timely deposited into a relief association account.

Cause: Although the relief association officials did execute a formal written agreement with the affiliated fire company, the relief association officials did not include the initial deposit it paid on the vehicle when calculating the proceeds due to the relief association.

Effect: The failure to receive and deposit the total proceeds from the sale of a jointly purchased vehicle with the affiliated fire company places the relief association's ownership interest at greater risk. As a result, the relief association was unable to use the funds for general operating expenses or for investment purposes.

WELDON FIRE COMPANY RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Recommendation: We recommend that the relief association be reimbursed \$4,959 for the remaining balance of its pro-rata share of the proceeds from the sale of the jointly purchased vehicle. We also recommend the relief association officials establish accounting and internal control procedures to ensure that all future proceeds resulting from the sale of a jointly purchased vehicle are timely deposited in a relief association account. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$4,959 for the balance of the proceeds due to the relief association on November 28, 2023.

Auditor’s Conclusion: We reviewed documentation verifying that the reimbursement of \$4,959 was received. Compliance for depositing the proceeds from the sale of jointly purchased vehicles made during the next audit period will be subject to verification through our next audit.
