Mr. Bryan Randall
Vice President and Chief Financial Officer
Heritage Valley Health System
200 Ohio River Boulevard
Baden, Pennsylvania 15005

Dear Mr. Randall:

At the request of the Department of Human Services (DHS), we have performed the procedures enumerated below on the submitted cost report (Form MA-336) of The Medical Center Beaver (currently known as Heritage Valley Beaver) for the fiscal year ended June 30, 2011. The purpose of these procedures was to certify the costs detailed in the facility's submitted MA-336 cost report. The results of these procedures are detailed below and in the adjustments section of our issued final amended MA-336 cost report. The DHS will use our final amended MA-336 cost report to set the Medical Assistance reimbursement rate for this facility which includes a new Medical Rehab Unit.

Our engagement was limited to the procedures outlined below and was not conducted, nor was it required to be, in accordance with auditing or attestation standards issued by the American Institute of Certified Public Accountants (AICPA) or the Comptroller General of the United States.

The Medical Center Beaver (the facility) is responsible for maintaining financial records supporting the costs, charges, and days included in the facility's submitted MA-336 cost report. The DHS is responsible for the reliability of the data generated from the Provider Reimbursement and Operations Management Information System (PROMISe™).¹

¹ PROMISe™ is a Web-based application for registered providers. PROMISe™ is a HIPAA-compliant claims processing and management information system. PROMISe™ is a single system that processes human services claims and manages information for numerous commonwealth human services programs. PROMISe™ incorporates claims processing and information management activities of the DHS' Office of Medical Assistance Programs, Mental Health and Substance Abuse Services and Developmental Programs. In addition, PROMISe™ processes some claims for the Departments of Aging and Education. Source: <http://dhs.pa.gov/learnaboutdhs/dpwonlineservices/> accessed 2/13/19.

We performed the following DHS-requested procedures which resulted in the associated adjustments and/or no adjustments, as noted.

1. Compared total paid MA days, MA charges, and MA discharges for the Diagnostic Related Groupings (DRG), the Psychiatric Unit, and the new Medical Rehab Unit detailed on The Medical Center Beaver's submitted MA-336 Cost Report to the actual data supplied in the Cost Settlement Report dated February 1, 2019 and provided by the DHS from the Provider Reimbursement and Operations Management Information System (PROMISe™).
 - We determined adjustments were warranted as a result of this procedure; therefore, the final amended cost report includes the actual paid MA days, MA charges, and MA discharges for the DRG, Psychiatric Unit, and new Medical Rehab Unit detailed in the Cost Settlement Report dated February 1, 2019 provided by the DHS from the Provider Reimbursement and Operations Management Information System (PROMISe™). (See adjustments #1, #2, #5, #6, and #7 on the Amended Adjustment Report pg. 4.)
2. Compared total costs and total charges included in the facility's submitted MA-336 Cost Report to the total costs and total charges included in the facility's trial balance.
 - No adjustments were warranted as a result of this procedure.
3. Compared the number of beds available, number of bed days, and total inpatient days included in the facility's submitted MA-336 Cost Report to the corresponding numbers included in the facility's final accepted Medicare Cost Report.
 - No adjustments were warranted as a result of this procedure.
4. Compared the cost allocation statistics for the new Medical Rehab Unit, and in total, included on the facility's submitted MA-336 Cost Report to the cost allocation statistics included in the facility's final accepted Medicare Cost Report and the facility's documentation on statistics.
 - We determined differences existed in the Employee Benefit Statistic as a result of this procedure, and our final amended MA-336 cost report includes the numbers as detailed in the facility's supporting statistic documentation. (See adjustment # 3 on the Amended Adjustment Report pg. 4.)
5. Determined whether any costs were included in the facility's submitted MA-336 Cost Report "Capital Costs-Bldg" cost center for the new Medical Rehab Unit. Such costs are nonallowable per Chapter 1163, Subchapter B, 1163.453.
 - We determined such nonallowable costs were included in the facility's submitted MA-336 Cost Report "Capital Costs-Bldg" cost center for the new Medical Rehab Unit as a result of this procedure; therefore, these costs were excluded from our final amended MA-336 Cost Report. (See adjustment # 4 on the Amended Adjustment Report pg. 4.)

We also performed procedures in addition to those requested by the DHS to attempt to determine the reliability of paid MA days, MA charges, and MA discharges data included in the DHS' PROMISE™ Cost Settlement Reports. We considered the evaluation of this data to be necessary to certify the costs detailed in the facility's submitted MA-336 cost report.

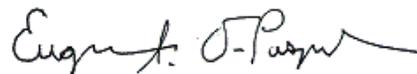

Based on the results of those procedures, and as communicated to DHS management, while we concluded that data related to paid MA charges as detailed in PROMISE™ were reliable, we concluded that the actual paid MA days and MA discharges data detailed in the PROMISE™ Cost Settlement Report, dated February 1, 2019, is of undetermined reliability. However, the DHS confirmed that, for their purposes and use of our issued amended MA-336 cost reports, it was not necessary for us to conduct any further procedures to attempt to determine the reliability of that data, such as comparing data in the PROMISE™ system to supporting source documents at the facility. Therefore, users of this report should take into consideration that the evidence upon which we relied, at the DHS' request to calculate paid MA days and MA discharges, is of undetermined reliability.

Based on the results of the procedures noted above, except for the effects, if any, of the matter described in the preceding paragraph, we certify that the facility's reasonable costs of providing inpatient hospital care under the Commonwealth's Medical Assistance Program as detailed in the final amended MA-336 cost report are accurately stated in all material respects.

This report is intended solely for the information and use of the DHS to set the Medical Assistance reimbursement rate for this facility with a new Medical Rehab Unit, and is not intended to be, and should not be, used by anyone other than the specified party.

We appreciate the cooperation, assistance, and courtesy granted our representatives by your officials and the staff of the Heritage Valley Health System.

Sincerely,
