**TIMOTHY L. DEFOOR  
AUDITOR GENERAL**

Board of Township Supervisors  
Greene Township  
Beaver County  
Hookstown, PA 15050

We have conducted a compliance audit of the Greene Township Non-Uniformed Pension Plan for the period January 1, 2017 to December 31, 2020. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objective.

The objective of the audit was to determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objective identified above. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit.

- We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation.
- We determined that there were no employee contributions required by the plan's governing document and applicable laws and regulations for the years covered by our audit period.
- We determined whether retirement benefits calculated for the plan member who retired during the current audit period represents payments to all (and only) those entitled to receive them and were properly determined and disbursed in accordance with the plan's governing document, applicable laws, and regulations by recalculating the amount of the monthly pension benefits due to the retired individual and comparing these amounts to supporting documentation evidencing amounts determined and actually paid to the recipient.
- We determined whether the January 1, 2017 and January 1, 2019 actuarial valuation reports were prepared and submitted by March 31, 2018 and 2020, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

The Greene Township Non-Uniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Annual Comprehensive Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Greene Township Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objective.

The results of our procedures indicated that, in all significant respects, the Greene Township Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Inadequate Accounting/Reporting Over Activity Of The Pension Plan

The contents of this report were discussed with officials of Greene Township and, where appropriate, their responses have been included in the report. We would like to thank township officials for the cooperation extended to us during the conduct of the audit.

A handwritten signature in black ink that reads "Timothy L. DeFoor". The signature is written in a cursive style with a long horizontal line extending to the left of the first letter.

## BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Greene Township Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974  
(P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.

The Greene Township Non-Uniformed Pension Plan is a single-employer cash balance pension plan locally controlled by the provisions of Ordinance No. 6-2015, as amended, and a separately executed plan agreement with the plan custodian, adopted pursuant to Act 15. The plan was established June 1, 1991. Active members are not required to contribute to the plan. The municipality is required to contribute ten percent of compensation. As of December 31, 2020, the plan had five active members, and seven retirees receiving pension benefits.

GREENE TOWNSHIP NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – Inadequate Accounting/Reporting Over Activity Of The Pension Plan**

Condition: The municipality’s accounting/reporting system did not provide effective control over the transactional activity of the pension plan during the year 2020. Municipal officials were unable to furnish annual financial statements or custodial account statements summarizing the financial activity of its pension plan.

Criteria: An adequate system of accounting and record keeping is a prerequisite for sound administration of pension plans. In addition, assets held in a custodial account for the purpose of plan management are to be governed by the terms and provisions of the account contract, provided that the terms and provisions of the contract are within the parameters of all prevailing pension legislation. Although the municipality may contract with a trustee to administer the financial management of the plan, the fiduciary responsibility for the plan remains with the municipality.

Cause: Municipal officials did not maintain a separate detailed accounting of pension plan transactions which, among other things, helps assure the production of proper financial statements to effectively monitor the annual activity of the pension plan. Additionally, municipal officials indicated that the plan’s custodian failed to provide copies of the custodial account transaction statements summarizing activity of the pension plan account for the year 2020.

Effect: Although we were able to obtain alternate documentation from the municipality to evidence the propriety of individual transactions tested during performance of the audit, the failure to maintain annual financial and/or account transaction statements prohibits municipal officials from effectively monitoring the plan’s financial operations and could lead to undetected errors or improprieties in account transactions.

Recommendation: We recommend that municipal officials establish and maintain a financial accounting and reporting system that allows the municipality to effectively monitor the plan’s financial operations, even in the absence of statements from the plan custodian. Municipal officials should refer to the Auditor General’s Bulletin No. 2-88 entitled “Preparation, Maintenance and Auditability of Financial Records,” for further guidance in establishing adequate accounting and record-keeping procedures. In addition, we recommend that municipal officials contact the plan custodian and obtain annual financial statements of the custodial account for its pension plan for the year 2020 to ensure the accuracy and propriety of the transaction activity.

Management’s Response: Municipal officials agreed with the finding without exception.

GREENE TOWNSHIP NON-UNIFORMED PENSION PLAN  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Auditor's Conclusion: It was noted that the plan custodian recently went through a substantial upgrade to the plan administration software and implemented a new accounting system. The modernization process, along with the COVID-19 pandemic, resulted in unforeseen delays in the year-end reporting process for financial statements and GASB 68 reports. In addition, the custodian has taken active measures to resolve these issues and anticipates distribution of the 2020 reports and statements for their plans the last week of March and completion of the 2020 financial reporting this summer. Moreover, the custodian expects 2021 financial reports to be distributed before the end of 2022. Compliance with the finding recommendation will be evaluated during our next audit of the plan.

GREENE TOWNSHIP NON-UNIFORMED PENSION PLAN  
SUMMARY OF DEPOSITED STATE AID AND EMPLOYER CONTRIBUTIONS

SCHEDULE OF CONTRIBUTIONS

Year Ended December 31	Statutorily Required Contribution (SRC)*	Contributions in Relation to the SRC*	Contribution Deficiency (Excess)**	Covered- Employee Payroll***	Contributions as a Percentage of Covered- Employee Payroll***
2014	\$ 19,954	\$ 19,954	\$ -	\$ 207,380	9.6%
2015	20,122	20,141	(19)	223,352	9.0%
2016	22,796	22,884	(88)	225,758	10.1%
2017	22,882	23,161	(279)	226,421	10.2%
2018	21,303	23,682	(2,379)	213,386	11.1%
2019	24,090	29,533	(5,443)	238,497	12.4%
2020	25,068	25,068	-	-	

\* The Statutorily Required Contribution (SRC) is a contribution amount based upon the payroll and the contribution rate as outlined under the terms of the cash balance pension plan.

\*\* The SRC and the actual Contribution in Relation to the SRC were provided by the plan custodian. Deviation between these amounts may be due to contributions to or transfers from the municipal reserve account. For the year 2017, the excess contribution represented amounts deposited for administrative expenses. For the year 2018, the township inadvertently deposited the fourth quarter contribution twice, resulting in the excess. Plan officials are aware of the oversight. For the year 2019, a contribution of \$5,443 was made to the municipal reserve; however, based on municipal records, amount was attributable to member contributions, not SRC.

\*\*\* Due to the timing of this audit, covered-employee payroll for 2020 was not provided in this schedule.
